Freshman Leadership Program
Focus Group
Spring 2008

1) What do you think about the scholarship amount? (Enough??)
   - Fair for what we are doing.
   - If more money, do more.
   - All said of course they would want more but it was enough for the time they put in.
   - Interview asked if this was correct for all parties and all agreed.
   - One said its self enrichment so it’s more than fair.

2) Do you feel this program has equipped you with leadership skills? Give specific examples.
   - Networking-Administrators coming into meetings
   - Understanding different personalities
   - Speaking skills
   - Forced to work with others
   - Learned different ways to be involved

3) What do you think about the time allotted for the program a week?
   - Just right
   - Wish meetings were consistent

   - But sometimes is nice that they get out early because they have free time.

4) What was your favorite program?
   - Lexington Center-Majority
   - Retreat a must have

   - YES!
