

**P. Ryan Saucier, Ph.D.**

Assistant Professor of Agricultural Engineering Technology  
Department of Agricultural Sciences and Engineering Technology  
Sam Houston State University  
Email: [ryansaucier@shsu.edu](mailto:ryansaucier@shsu.edu)  
Office Phone: (936) 294-4883

---

**I. Education**

**Doctor of Philosophy**

**University of Missouri**

Columbia, Missouri

Major: Agricultural Education

Concentration: Agricultural Systems Management

Dissertation Title: *Level of Influence of Selected Factors Upon Missouri Agricultural Education Teachers' Choice To Instruct Agricultural Mechanics Curriculum*

Advisor: Dr. Rob Terry, Jr.

May 2010

**Master of Science**

**Sam Houston State University**

Huntsville, Texas

Major: Agriculture

Concentration: Agricultural Mechanization

Advisor: Dr. Billy Harrell

May 2004

**Bachelor of Science**

**Sam Houston State University**

Huntsville, Texas

Major: Agricultural Business

Minor: Agricultural Mechanization

December 2001

---

## II. Professional Experience

### a. University Experience

Position	Institution	Date(s)
Assistant Professor of Agricultural Engineering Technology	Sam Houston State University Department of Agricultural Sciences and Engineering Technology	August 2015 to present
Assistant Professor of Agricultural Education/ Agricultural Systems Management	Texas State University Department of Agriculture	June 2010 to August 2015
Lecturer and Graduate Teaching Assistant	University of Missouri Department(s) of Agricultural Education and Agricultural Systems Management	August 2007 to May 2010
Lecturer and Graduate Teaching Assistant (Agricultural Mechanization & Horticulture)	Sam Houston State University Department of Agriculture	August 2002 to December 2003; June 2004

## II. Professional Experience (continued)

### b. Additional Relevant Professional Experience

Position	Date(s)
Workshop Developer & Lecturer Title: <i>Teaching Agricultural Mechanics Curriculum</i> University of Missouri Columbia, Missouri 6521	July 2009
Workshop Developer & Lecturer Title: <i>Horticulture Certification Workshop</i> Sam Houston State University Huntsville, Texas 77341	June 2007
Agricultural Science Teacher C.E. King Junior High/ High School Houston, Texas 77044	July 2005 to May 2007
Agricultural Science Teacher City View Junior High/ High School Wichita Falls, Texas 76306	July 2004 to June 2005
Agricultural Science Student Teacher Klein Forest High School Houston, Texas 77066	January 2004 to May 2004

---

### c. Other Professional Credentials

Teaching Certificate	State of Texas
	Vocational Production Agriculture
	May 2004 to present

### III. Teaching Experience

### **III. Teaching Experience (continued)**

#### **b. Agricultural Engineering Technology Courses Developed and Instructed – Sam Houston State University (Undergraduate)**

To date at Sam Houston State University, I have prepared and developed curriculum for 3 undergraduate agricultural engineering technology courses. These courses included:

##### **Agricultural Engineering Technology 2303 – Introduction to Agricultural Mechanization and Engineering (AGET 2303)**

**Catalog course description:** Introduction to current and emerging topics and industry related to agricultural engineering technology. Topics covered include: bio-diesel, wind energy, GPS/GIS applications, nanotechnology, theory of fusion of metals, efficiency of internal combustion engines, and other technology-related subjects.

##### **Agricultural Engineering Technology 4390 – Turf and Cropland Irrigation and Drainage (AGET 4390)**

**Catalog course description:** Design and selection of surface or sub-surface irrigation and drainage systems for golf courses, greenhouses, sports fields, crops, landscape applications, and construction sites. Principles of pressurized irrigation systems including crop water requirements, soil moisture, irrigation scheduling, sprinkler irrigation, trickle irrigation, pumps, pipelines, and irrigation wells will be covered. Writing enhanced.

##### **Agricultural Engineering Technology 4392 – GPS Applications in Agriculture and Construction (AGET 4392)**

**Catalog course description:** Global positioning and geographic information system software and equipment will be applied in settings involving precision farming and construction. Writing enhanced.

##### **Agricultural Engineering Technology 4393 – Renewable Energy Sources for Agriculture (AGET 4393)**

**Catalog course description:** This course will familiarize students with existing and potential alternative energy sources and production capacities including wind, solar, bio-mass conversion, hydrogen, ethanol, vegetable oil, and bio-diesel. Impacts on the environment, ecological systems, world food supply, and economy will be studied.

### **III. Teaching Experience (continued)**

#### **b. Agricultural Engineering Technology/ Agricultural Systems Management Courses Developed and Instructed (Undergraduate) – Texas State University – (continued)**

At Texas State University-San Marcos, I prepared and developed curriculum for 10 graduate agricultural education courses and 10 undergraduate agricultural systems management courses. These courses included:

##### **Agriculture 2373 – Introduction to Agricultural Engineering (AG 2373)**

**Catalog course description:** An introductory course designed to acquaint students with a wide range of concepts, principles and applied technologies in agricultural engineering. A problem solving course.

##### **Agriculture 2374 – Metal Fabrication and Welding Technology for Agriculture (AG 2374)**

**Catalog course description:** Principles and practices of applied metallurgy and welding. The course emphasizes the management of the technologies and techniques associated with: Oxy-fuel welding and cutting, Shielded Metal Arc Welding (SMAW), Gas Tungsten Arc Welding (GTAW), Gas Metal Arc Welding (GMAW), and Plasma Arc Cutting (PAC).

##### **Agriculture 3310 – Agricultural Power and Machinery Technology (AG 3310)**

**Catalog course description:** To include principles of 2 stroke and 4 stroke cycle engines, ignition and combustion types including injection systems. Components including power and power transmission and hydraulic systems will be addressed.

##### **Agriculture 3353 – Agriculture Structures and Environment (AG 3353)**

**Catalog course description:** Principles and practices associated with structural components, selection, materials of construction, heat and moisture control, and the environmental issues of waste management systems; a problem solving course.

##### **Agriculture 3375 – Management of Agricultural Machinery and Equipment (AG 3375)**

**Catalog course description:** The optimization of the equipment phases of agricultural production and processing. Emphasis will be placed on management and decision making principles concerned with the efficient selection, operation, repair, maintenance, and replacement of machinery and equipment.

##### **Agriculture 4185 – Current Problems in Agriculture (AG 4185)**

**Catalog course description:** A course for advanced undergraduates to study subject matter of special interest in agriculture. Problems in agronomy, economics, animal science, plant science, and farm mechanics may be selected.

### **III. Teaching Experience** (continued)

#### **b. Agricultural Systems Management Courses Developed and Instructed (Undergraduate) – Texas State University – (continued)**

##### **Agriculture 4343 – Organization and Management for Laboratory Programs (AG 4343)**

**Catalog course description:** Instructional programs involving laboratory equipment and facilities will be examined. Curriculum, teaching methods, equipment and facility management practices including various aspects of safety, tool management, inventory and security, are emphasized along with facilities layout and planning. Must be taken in last semester of program.

##### **Agriculture 4361 – Agriculture Electric and Mechanical Systems (AG 4361)**

**Catalog course description:** Electrical fundamentals applied to agricultural production and processing. Circuits, power, energy, wiring design, and motor fundamentals; selection, installation and operational characteristics. Sensors and control devices including switches, relays, timers, and circuit breakers will be studied.

##### **Agriculture 4371B – Agricultural Irrigation Technology (AG 4371B)**

**Catalog course description:** Principles associated with water management practices in maintaining soil productivity and the influence of water management on environmental quality. Emphasis will be placed on the selection and layout of irrigation and drainage systems, waste management systems, and the impact on the environment.

##### **Agriculture 5370 – Problems in Technical Agriculture (AG 5370)**

**Catalog course description:** A conference course. Problems will be selected to meet the needs of the individual student. May be repeated for additional credit when problem differs.

### **III. Teaching Experience** (continued)

#### **c. Agricultural Education Courses Developed and Instructed (Undergraduate) – Sam Houston State University**

##### **Agricultural Education 3310 – Teaching Ag Technology (AGED 3310)**

**Catalog course description:** Methods in delivering instruction in agricultural technology. Principles in managing high school agricultural mechanics laboratories in a safe and efficient manner. Intended for SED minors. Junior standing. Approval by instructor.

### **III. Teaching Experience (continued)**

#### **c. Agricultural Education Courses Developed and Instructed (Graduate) – Texas State University**

##### **Agricultural Education 5314 – Problems in Teaching Vocational Agriculture (AGED 5314)**

**Catalog course description:** The student is given the opportunity to work on problems of special interest and need in teaching high school vocational agriculture. May be repeated for additional credit when problem differs.

##### **Agricultural Education 5318 – Administration and Supervision of Vocational Education (AG 5318)**

**Catalog course description:** The administration of comprehensive vocational education programs with emphasis on the operation and implementation of programs governed by state and national laws (2007-2009 Graduate Catalog, Texas State University, p. 72). The course will transcend this description through self-exploration and discussion of the integral aspects of leadership and its role in supervision. Of particular emphasis will be supervision as improvement for teaching, learning and leading in educational settings and beyond. Specifically, students in the course will explore developmental perspectives of human, conceptual, and technical skills needed for continuing professional development and instructional improvement.

##### **Agricultural Education 5319 - Adult Education Program Development and Methods (AGED 5319)**

**Catalog course description:** a seminar/discussion course with the primary goal of connecting adult learning theory with effective practices. The course seeks to integrate theory and practice to better prepare professionals for diverse roles in training and education.

##### **Agriculture 5320 – History and Principles of Vocational Education (AG 5320)**

**Catalog course description:** History and Principles of Vocational Education is the study of the history, principles, and philosophy of different programs of vocational education existing today. The course will include a review of principles ranging from early vocational education in America to the globalization of career and technology education in both Texas and America. Students will be given the opportunity to engage in critical insight, collaborative discussion, research paper critiques, and creative projects. Students will be expected to participate in class discussions and presentations.

##### **Agricultural Education 5330 – Research Methods in Vocational Education (AGED 5330)**

**Catalog course description:** Principles and procedures of evaluation used in developing and implementing programs of vocational education will be stressed. The procedure involved in proposal writing will be studied.

### III. Teaching Experience (continued)

#### c. Agricultural Education Courses Developed and Instructed (Graduate) – Texas State University – (continued)

##### **Agricultural Education 5335 - Curriculum Development of Vocational Programs (AGED 5335)**

**Catalog course description:** a seminar/discussion course designed to provide students with a strong background of designing and implementing career and technology education curriculum. The course discusses the changing cognitive, affective, psychomotor, and interpersonal skills required in a variety of career and technology professions. Contemporary curriculum models will be discussed. Recent reports and legislation affecting career and technology education will be examined and discussed throughout the entire semester. It will be important that students keep up with legislation being passed that affects K-12 education, as well as, higher education. Designing curriculum for higher education will also be stressed.

##### **Agricultural Education 5371D – Agricultural Structures Design (AGED 5371D)**

**Catalog course description:** Principles of design and construction for structures associated with agricultural production. Emphasis will be placed on processes, materials and standards associated with different areas of production agriculture.

##### **Agricultural Education 5371E – Advanced Welding Processes and Designs (AG 5371E)**

**Catalog course description:** Advanced study in areas related to welding processes and equipment utilized in the design, construction, and repair of agricultural structures and equipment. Emphasis will be placed on processes and methods, which may be applicable to agricultural production situations as well as in the processing of agricultural products.

##### **Agricultural Education 5399A – Thesis – (AGED 5399A)**

**Catalog course description:** This course represents a student's initial thesis enrollment. No thesis credit is awarded until student has completed the thesis in Agricultural Education 5399B.

##### **Agricultural Education 5399 B - Thesis – (AGED 5399B)**

**Catalog course description:** This course represents a student's continuing thesis enrollment. The student continues to enroll in this course until the thesis is submitted for binding.

### III. Teaching Experience (continued)

#### d. Student Teacher Supervision

<b>Name</b>	<b>Institution</b>	<b>Semester</b>
Mr. Chad Reynolds	Sam Houston State University	Spring 2017
Ms. Hannah Lewandowski	Sam Houston State University	Spring 2017
Mr. Bryan Potter	Sam Houston State University	Spring 2016
Ms. Bethany Whitten	Sam Houston State University	Spring 2016
Ms. Maureen Victoria	Texas State University	Spring 2013
Mr. Zachary Brown	Texas State University	Spring 2013
Ms. Melissa McAdam	Texas State University	Spring 2012
Mrs. Liz Murray	Texas State University	Spring 2011
Ms. Katy Henry	Texas State University	Spring 2011
Ms. Alyson Ivey	Texas State University	Spring 2011
Ms. Maddie Hays	Texas State University	Spring 2011
Ms. Kayla Box	Texas State University	Spring 2011
Mr. Lance Martin	University of Missouri	Spring 2010
Mr. Ardel Wright	University of Missouri	Spring 2010
Mr. Kyle Allen	University of Missouri	Spring 2009

### **III. Teaching Experience (continued)**

#### **e. Graduate Teaching Assistantship Experiences**

##### **University of Missouri-Columbia, Department(s) of Agricultural Education and Leadership and Agricultural Systems Management, (Fall 2007 to Spring 2010)**

As a doctoral graduate teaching assistant at the University of Missouri-Columbia, I assisted professors with preparing curriculum, teaching, grading, and advising students for the following courses:

Agricultural Education 2220 - Verbal Communication in Agriculture, Food, and Natural Resources

Agricultural Education 2250 - Personal Leadership Development

Agricultural Education 2260 - Team and Organizational Leadership

Agricultural Education 3320 - Metal Fabrication and Laboratory Management

Agricultural Education 4995 - Student Teaching Internship in Agriculture

Agricultural System Management 1020 - Introduction to Agricultural Systems Management

Agricultural Systems Management 2340 - Pesticide Application Equipment

Agricultural Systems Management 4020 - Agricultural Safety and Health

Agricultural Systems Management 4140 - Electricity: Wiring and Equipment

Agricultural Systems Management 4320 - Agricultural Equipment and Machinery

### **III. Teaching Experience (continued)**

#### **f. Graduate Teaching Assistantship Experiences**

**Sam Houston State University, Department of Agricultural Sciences, (Fall 2002 to Fall 2003)**

As a master-level graduate teaching assistant at the Sam Houston State University, I assisted professors (Dr. Billy Harrell, Dr. Joe Muller, Dr. Tim Pannkuk, and Dr. Doug Ullrich) with preparing curriculum, teaching laboratories, grading, and advising students for the following courses:

Agriculture 162 - Introduction to Agricultural Mechanization and Engineering

Agriculture 165 - Plant Science

Agriculture 330 - Agricultural Electrification

Agriculture 331 - Teaching Agricultural Technology

Agriculture 338 - Game Animal Production

Agriculture 380 - Agricultural Machinery

Agriculture 386 - Agricultural Structures and Environmental Control Systems

Agriculture 481 - Advanced Agricultural Mechanics

#### **g. Funded Internal Teaching Grants**

***Agricultural Career Exploration / Experiential Learning Field Trip***, Student Service Fee Committee, Texas State University – San Marcos, \$1,750.00, Principal Investigator

In the fall of 2011, I was awarded \$1,750.00 to fund a student service project within the Department of Agriculture at Texas State University to take students on exploratory field trips to regional agriculture companies to explore career options after graduation. These field trips took place in the summer of 2012.

##### c. Refereed Conference Abstracts Published in Proceedings

**2016**

**Saucier, P. R.,** & Langley, G. C. (2016, July). Assessing knowledge, performance, and consequence competence in a technology-based professional development for school-based agricultural educators: An evaluation of the CNC Plasma Cutting Technology Workshop. *Abstract presented orally at the 2016 Annual International Meeting of the American Society of Agricultural and Biological Engineers, Orlando, FL.*

Langley, G. C., & **Saucier, P. R.** (2016, July). Professional development needs of Texas school-based agricultural educators regarding CNC plasma cutting technology: A snapshot assessment method. *Abstract presented orally at the 2016 Annual International Meeting of the American Society of Agricultural and Biological Engineers, Orlando, FL.*

**2014**

Morrish, D. M., **Saucier, P. R.,** Espinoza, J., & Vela, D. (2014, June). Retention, persistence, and completion strategies: A comparison of USDA-HSI grant students to the general Hispanic student population. *Abstract presented as a poster at the 2014 North American Colleges & Teachers of Agriculture conference, Bozeman, MT.*

**2009**

**Saucier, P. R.,** Schumacher, L. G., & Tummons, J. D. (2009, June). Essential agricultural mechanics skills for beginning agriculture educators as perceived by expert Missouri agricultural educators. *Paper presented at the 2009 Annual International Meeting of the American Society of Agricultural and Biological Engineers, Reno, NV.*

**2008**

**Saucier, P. R.,** Schumacher, L. G., Terry, Jr., R., Funkenbusch, K., & Johnson, D. M. (2008, June). Agricultural mechanics laboratory management competencies: A review of perceptions of Missouri agricultural science teachers concerning importance and performance ability. *Paper presented at the 2008 Annual International Meeting of the American Society of Agricultural and Biological Engineers, Providence, RI.*

American Association for Agricultural Education Research Conference, Innovative Idea Poster Reviewer, Asheville, NC, March 2012

Southern Region of the American Association for Agricultural Education Research Conference, Research Poster Reviewer, Birmingham, AL, February 2012

National Agricultural Mechanics Professional Development Blue Ribbon Papers, Paper Reviewer, Indianapolis, IN, September 2010, October 2011, and October 2012;  
Innovative Idea Poster Abstract Reviewer, September 2014, September 2016; Conference Awards Chair, October 2012 to present

Texas Agricultural Mechanics Career Development Event, Superintendent, 2011-2013  
North Central Region of the American Association for Agricultural Education Research Conference, Innovative Idea Poster Reviewer, State College, PA, September 2011

Western Region of the American Association for Agricultural Education, Professional Development Committee, Committee Member, 2011 – 2014

American Association for Agricultural Education Research Conference, Innovative Idea Poster Reviewer and Judge, Coeur d'Alene, ID, March 2011 and May 2011

Western Region of the American Association for Agricultural Education Research Conference, Research Poster Judge, Fresno, CA, April 2011

Pennsylvania State University, College of Agricultural Sciences, Department of Agricultural and Extension Education, Course Reviewer, April 2011

Association for Career and Technical Education Conference, Workshop Presenter, *Avoiding Disaster: Safely Managing and Utilizing an Agricultural Mechanics Laboratory for Effective Student Instruction*, Las Vegas, NV, December 2010

Texas FFA Association, State Degree Scholarship Award Advisor, Stephenville, TX, June 2010

## **V. Professional Service** (continued)

### **e. Student Organizational Service**

Sam Houston State University, Agricultural Engineering Technology Club, Faculty Co-Advisor, 2015 to present

Sam Houston State University, Trap and Skeet Club, Faculty Advisor, 2016 to present

Texas State University, Agricultural Alumni Association, Faculty Co-Advisor, 2010 to 2015

Texas State University, Agricultural Ambassadors, Faculty Advisor, 2011 to 2015

Texas State University, Agricultural Systems Association, Faculty Advisor, 2010 to 2015

Texas State University, Collegiate FFA, Faculty Co-Advisor, 2010 to 2012

Texas State University, Minorities in Agriculture, Natural Resources, and Related Sciences, Faculty Advisor, 2011 to 2014

### **f. Professional/ Community Organization Membership**

American Association for Agricultural Education, member (2007-present)

Texas Hispanic Serving Institutions Consortium, member (2010 – 2015)

Vocational Agricultural Teachers Association of Texas, Associate member (2004 – present)

Walker County Fair Association, member (2016 – present)

**V. Professional Service** (continued)

**g. Graduate Theses/Dissertation, Exit Committees, Undergraduate Student Research Projects**

**Sam Houston State University**

Casey Roe, M.S. Committee Chair, Graduate Comprehensive Exam Committee, Spring 2016 to present

Rachel Feinberg, M.S. Committee Chair, Graduate Comprehensive Exam Committee, Spring 2016 to present

Wade Pierce, M.S. Committee Chair, Graduate Comprehensive Exam Committee, Spring 2016 to present

Emily Riggin, Undergraduate Research Supervisor, January 2016 to present

Hannah Lewandowski, Undergraduate Research Supervisor, January 2016 to present

**h. Graduate Theses/Dissertation, Exit Committees, Undergraduate Student Research Projects** (continued)

**Texas State University**

Thomas Bloxham, M.S. Graduate Written Exam Committee, Committee Member, Summer 2011

Alyson Ivey, M.S. Graduate Oral Exam Committee, Committee Member, Spring 2011

Wes Drzymala, M.S. Graduate Oral Exam Committee, Committee Member, Spring 2011

Gian Cervantes, M.S. Thesis Chair, Thesis Committee, Spring 2011 to Spring 2013

Juan Garcia, M.S. Graduate Oral Exam Committee, Committee Member, July 2015

Stephen Riggs, M.S. Graduate Oral Exam Committee, Committee Member, Spring 2014

Kaci Geiken, M.S. Thesis Chair, Thesis Committee, July 2015

## **V. Professional Service** (continued)

### **i. Invited Talks, Lectures, Presentations**

**Saucier, P. R., & Muller, J.E.** (2016, Fall). *Agricultural Engineering Technology Program at Sam Houston State University. Agriculture 1131: Introduction to Professional Leadership Skills, Huntsville, TX. (Departmental Service Presentation)*

Muller, J.E., & **Saucier, P.R.** (2016, Spring). *Agricultural Engineering Technology Program at Sam Houston State University. Saturday@SAM. Huntsville, TX. (Departmental Service Presentation)*

**Saucier, P. R., & Muller, J.E.** (2016, Spring). *Agricultural Engineering Technology Program at Sam Houston State University. Agriculture 1131: Introduction to Professional Leadership Skills, Huntsville, TX. (Departmental Service Presentation)*

**Saucier, P. R.** (2015, Fall). *Preparing to be an Awesome Ag Teacher. Sam Houston State University, Collegiate FFA meeting, Huntsville, TX. (Student Organization Service Presentation)*

**Saucier, P. R., & Muller, J.E.** (2015, Fall). *Agricultural Engineering Technology Program at Sam Houston State University. ExCEL@SAM. Huntsville, TX. (Departmental Service Presentation)*

**Saucier, P.R., & Muller, J.E.** (2015, Fall). *Agricultural Engineering Technology Program at Sam Houston State University. Saturday@SAM. Huntsville, TX. (Departmental Service Presentation)*

**Saucier, P. R.** (2015, Fall). *Agricultural Engineering Technology Program at Sam Houston State University. Agriculture 1131: Introduction to Professional Leadership Skills, Huntsville, TX. (Departmental Service Presentation)*

**Saucier, P. R.** (2014). *Agricultural Systems Management Program at Texas State University. Agriculture 1110: Careers in Agribusiness and Industry, San Marcos, TX. (Departmental Service Presentation)*

**Saucier, P. R.** (2013). *Agricultural Systems Management Program at Texas State University. Agriculture 1110: Careers in Agribusiness and Industry, San Marcos, TX. (Departmental Service Presentation)*

**Saucier, P. R.** (2013). *Introduction to Agricultural Mechanics Projects. Texas Agricultural Science Teachers Professional Development Conference, Corpus Christi, TX.*

**Saucier, P. R.** (2012). *Agricultural Systems Management Program at Texas State University. Agriculture 1110: Careers in Agribusiness and Industry, San Marcos, TX. (Departmental Service Presentation)*

## **V. Professional Service** (continued)

### **j. Invited Talks, Lectures, Presentations** (continued)

**Saucier, P. R.** (2011). *Agricultural Systems Management Program at Texas State University. Agriculture 1110: Careers in Agribusiness and Industry, San Marcos, TX. (Departmental Service Presentation)*

**Saucier, P. R.** (2010). *Calibrating and calculating broadcast spreaders and liquid chemical sprayers. Livingston FFA Chapter, Livingston, TX. (Service Presentation)*

**Saucier, P. R.** (2010). *Introduction to electrical motors. Columbia FFA Chapter, Columbia, MO. (Service Presentation)*

**Saucier, P. R.** (2009). *Linking CDEs to the curriculum. University of Missouri, Department of Agricultural Education, Columbia, MO. (Professional Development Presentation)*

**Saucier, P. R.** (2009). *Metal fabrication techniques used for sculpture design and construction. University of Missouri, Department of Art, Columbia, MO. (Professional Development Presentation)*

**Saucier, P. R.** (2008). *A review of Missouri all-terrain vehicle accidents, injuries and fatalities. University of Missouri Annual Agricultural Engineer Extension Conference, Columbia, MO. (Research Presentation)*

## V. Professional Service (continued)

### k. Workshops Developed and Presented

2016

**Saucier, P. R.** (2016). National Association of Agricultural Educators Professional Development Conference, *Avoiding Disaster: Safely managing and utilizing an agricultural mechanics laboratory for effective student instruction*, Las Vegas, NV, December 2016.

**Saucier, P. R.** (2016). National Association of Agricultural Educators Professional Development Conference, *Mathematics in Agriculture, Food, and Natural Resources (AFNR): Teaching mathematics to enhance student performance in the classroom, laboratory, and the Agricultural Technology and Mechanical Systems Career Development Event*, Las Vegas, NV, December 2016.

**Saucier, P. R., & Muller, J. E.** (2016). Sam Houston State University, Workshop Coordinator and Presenter, *William R. Harrell Agricultural Mechanics Teaching Fellows Program: CNC Plasma Cutting Systems (Torchmate) – From the Basics to Project Creation*, September 2016.

**Saucier, P. R., & Muller, J. E.** (2016). Sam Houston State University, Workshop Coordinator and Presenter, *William R. Harrell Agricultural Mechanics Teaching Fellows Program: Tractor Technician CDE – How to train a Tractor Technician CDE team*, September 2016.

**Saucier, P. R., & Muller, J. E.** (2016). Sam Houston State University, Workshop Coordinator and Presenter, *William R. Harrell Agricultural Mechanics Teaching Fellows Program: Gas Tungsten Arc Welding (GTAW) – GTAW for Teachers*, September 2016.

Miles, M., Prause, C., **Saucier, P. R.** (2016). Vocational Agriculture Teachers Association of Texas Professional Development Conference, *Agricultural Mechanics and Agricultural Mechanics Shows for First Timers*, Corpus Christi, TX, July 2016.

Miles, M., Prause, C., **Saucier, P. R.,** Main, M. (2016). Vocational Agriculture Teachers Association of Texas Professional Development Conference, *Introduction to Agricultural Mechanics: Agricultural Mechanics and Metal Technology*, Corpus Christi, TX, July 2016.

Prause, C., Edney, K.C., & **Saucier, P. R.** (2016). Vocational Agriculture Teachers Association of Texas Professional Development Conference, *Agricultural Swap Shop*, Corpus Christi, TX, July 2016.

**Saucier, P. R., & Muller, J. E.** (2016). Vocational Agriculture Teachers Association of Texas Professional Development Conference, *Sam Houston State University Welding and Metal Fabrication Contest*, Corpus Christi, TX, July 2016.

## V. Professional Service (continued)

### j. Workshops Developed and Presented (continued)

**2016** (continued)

**Saucier, P. R., & Muller, J. E.** (2016). Sam Houston State University, Workshop Coordinator and Presenter, *How to train an Agricultural Technology and Mechanics Systems Career Development Team?: Tips, Tricks, and Secrets*, January 2016.

**2015**

**Saucier, P. R., & Muller, J. E.** (2015). Sam Houston State University, Workshop Coordinator and Presenter, *William R. Harrell Agricultural Mechanics Teaching Fellows Program: Shielded Metal Arc Welding (SMAW) and Gas Metal Arc Welding (GMAW)*, September 2015.

**Saucier, P. R., & Muller, J. E.** (2015). Sam Houston State University, Workshop Coordinator and Presenter, *William R. Harrell Agricultural Mechanics Teaching Fellows Program: Oxygen – Fuel Cutting, Oxygen – Acetylene Welding, and Plasma Arc Cutting*, September 2015.

**Saucier, P. R., & Muller, J. E.** (2015). Sam Houston State University, Workshop Coordinator and Presenter, *William R. Harrell Agricultural Mechanics Teaching Fellows Program: Metal Fabrication Tools*, September 2015.

**Saucier, P. R., & Muller, J. E.** (2015). Sam Houston State University, Workshop Coordinator and Presenter, *William R. Harrell Agricultural Mechanics Teaching Fellows Program: Agricultural Mechanics STEM Laboratory Practicum*, September 2015.

**Saucier, P. R.** (2015). Vocational Agriculture Teachers Association of Texas Professional Development Conference, *Small gas engine technology: Theory of operations, maintenance, troubleshooting, and repair*, Waco, TX, July 2015.

**2014**

**Saucier, P. R.** (2014). Texas State University, Workshop Coordinator, *Small gas engine technology: Theory of operations, maintenance, troubleshooting, and repair*, September 2014.

**2013**

**Saucier, P. R.** (2013). Vocational Agriculture Teachers Association of Texas Professional Development Conference, *Introduction to Agricultural Mechanics Projects*, Corpus Christi, TX, August 2013.

**Saucier, P. R.** (2013). Texas State University, Workshop Coordinator, *Small gas engine technology: Theory of operations, maintenance, troubleshooting, and repair*, June 2013.

## **V. Professional Service** (continued)

### **j. Workshops Developed and Presented** (continued)

**2012**

**Saucier, P. R.** (2012). Texas State University, Workshop Coordinator, *Electricity in agriculture: Circuits, electric motors, and system controls*, June 2012.

**Saucier, P. R.** (2012). Texas State University, Workshop Coordinator, *Small gas engine technology: Theory of operations, maintenance, troubleshooting, repair, and STEM integration*, June 2012.

**2011**

**Saucier, P. R.** (2011). Texas State University, Presenter, *Basic Welding and Metal Fabrication Skills: No Boys Allowed*, June & August 2011.

**2010**

**Saucier, P. R.** (2010). Texas State University, Presenter, *Tractor Technician CDE Contest*, December 2010.

**Saucier, P. R.** (2010). Association for Career and Technical Education Conference, Workshop Presenter, *Avoiding Disaster: Safely Managing and Utilizing an Agricultural Mechanics Laboratory for Effective Student Instruction*, Las Vegas, NV, December 2010.

**Saucier, P. R.** (2010). Texas State University, Presenter, *Mathematics in Agriculture, Food & Natural Resources (AFNR): Teaching mathematics to enhance student performance, understanding the TEKS, and the Agricultural Mechanics CDE*, October 2010.

**Saucier, P. R.** (2010). Vocational Agricultural Teachers Association of Texas, *Agricultural mechanics instructional methods: Small gas engines*. Galveston, TX. (*Professional Development Presentation*), July 2010.

**2008**

**Saucier, P. R.** (2008). 2008 Area 3 Mid-Winter Agricultural Science Teachers Conference, *Instructional strategies and lab projects for introduction to agricultural mechanics and home improvement and repair classes*. College Station, TX. (*Professional Development Presentation*)

**V. Professional Service** (continued)

**I. Invited Talks, Lectures, Presentations**

*2007*

**Saucier, P. R.** (2007). Vocational Agricultural Teachers Association of Texas Professional Development Conference, *Integrating agricultural mechanics curriculum and SAE projects into 8th grade agricultural science programs*, Arlington, TX. (*Professional Development Presentation*)

## VI. Grants

### a. Funded External Grants and Contracts = \$ 4,372,856.00

#### Texas State University

**Saucier, P. R.,** & Morrish, D. G. (2014). Southwest agriculture and food security education: Preparing future leaders for a safe and secure U.S. food supply system. *United States Department of Agriculture-Hispanic Serving Institutions Program-NIFA*. Value: Year 1 = \$249,904.00; Total = \$998,856.00, **Principal Investigator**

Morrish, D. G., **Saucier, P. R.,** and Garza, N. R. (2013). Food safety and agroterrorism training: Education our future workforce. *United States Department of Agriculture-Hispanic Serving Institutions Program – NIFA*. Value: \$885,000.00, **Co- Principal Investigator**

Morrish, D. G., **Saucier, P. R.,** and Garza, N. R. (2013). Food safety and agroterrorism training: Education our future workforce. *United States Department of Agriculture-Hispanic Serving Institutions Program – NIFA*. Value: \$825,000.00, **Co- Principal Investigator**

Morrish, D. G., **Saucier, P. R.,** and Garza, N. R. (2012). Food safety and agroterrorism training: Education our future workforce. *United States Department of Agriculture- Hispanic Serving Institutions Program – NIFA*. Value: \$862,000.00, **Co-Principal Investigator**

Morrish, D. G., **Saucier, P. R.,** and Garza, N. R. (2011). Food safety and agroterrorism training: Education our future workforce. *United States Department of Agriculture-Hispanic Serving Institutions Program-NIFA*. Value: \$800,000.00, **Co-Principal Investigator**

**Saucier, P. R.** (2004). *City View I.S.D. Agricultural Mechanics Equipment Improvement*, North Texas Tech Prep Consortium, (Funded, \$2,000.00), **Principal Investigator**

### b. Submitted, but not Funded, External Grants and Contracts

#### Sam Houston State University

**Saucier, P. R.,** & Pannkuk, T. (2016) Texas agriculture and food safety outreach education program (TAFSOEP): Developing innovative leaders for a safe and secure U.S. food supply system. United States Department of Agriculture – Food Safety Outreach Competitive Grants Program, May 2016, **Principal Investigator**

**Saucier, P. R.,** & Anderson, M. J. (2016). Southern agriculture and food security education (SAFE): Developing innovative leaders for a safe and secure U.S. food supply system. *United States Department of Agriculture – Capacity Building Grants for Non-Land Grant Colleges of Agriculture (NLGCA) Program*, April 2016, **Principal Investigator**

**Saucier, P. R.,** & Ullrich, D. R. (2016). Agricultural systems, sciences, sustainable, and engineering technology professional development workshops. *United States Department of Agriculture – Agriculture and Food Research Initiative Competitive Grants Program – NIFA*, March 2016, **Principal Investigator**

## **VI. Grants (continued)**

### **b. Submitted, but not Funded, External Grants and Contracts (continued)**

#### **Texas State University**

*Southwest Agriculture and Food Security Education: Preparing Future Leaders for a Safe and Secure U.S. Food Supply System*, USDA-Hispanic Serving Institutions Education Grants Program (HSI), February 2013, **Principal Investigator**

*Semi-Arid Regional Alliance for Sustainable Building and Construction (SARASBC)*. National Science Foundation – Sustainable Energy Pathways #NSF 11-590, February 2012, **Co-Principal Investigator**.

*Professional Development Needs of Texas Agricultural Mechanics Teachers*, Texas State University-San Marcos, October 2011, **Principal Investigator**

*30 x \$10,000 Technology Grant*, Vernier Software and Technology, April 2011, **Principal Investigator**

*Preparing Underserved Minorities for Agriculture: Leadership, Recruitment, Education, Retention, and Career Preparation*, USDA-Hispanic-Serving Institutions Education Grants Program (HSI), March 2011, **Principal Investigator**

*Preparing Leaders and Managers for the Bio-Energy Industry*, USDA- CREES Higher Education Challenge Grant, January 2009, **Senior Grant Staff**

#### **University of Missouri**

*ATV Safety Habits and Attitudes of Selected East Texas Agricultural Youth*, Southwest Center for Agricultural Health, Injury Prevention and Education, May 2008, **Principal Investigator**

*Introduction to Bio-Fuels Course*, Agrowknowledge.org, April 2008, **Co-Principal Investigator**

**VI. Grants** (continued)

**c. Funded Internal Grants and Contracts = \$ 8,000.00**

**Saucier, P. R.** (2011). *Agricultural Career Exploration Field Trip*, Texas State University, November 2011, **Principal Investigator**, (Funded, \$1,750.00)

**Saucier, P. R.**, (2008). *A Surveillance of Midwestern ATV Incidents, Injuries and Fatalities*, University of Missouri, Funded Contract, **Principal Investigator**, (Funded, \$6,250.00)

**VI. Grants (continued)**

**d. In-Kind Contributions = \$358, 866.00**

**Sam Houston State University = \$27,426.00**

Briggs and Stratton Corporation, 10 hp Briggs and Stratton Engines, Quantity 15, Valued at \$16,426.00, April 2016

Nucor Corporation, Steel flat bar, Valued at \$9,000.00, March 2016

Rain Bird Corporation, Irrigation system components, Valued at \$2,000.00, January 2016

**Texas State University = \$ 331,440.00**

Briggs and Stratton Corporation, 10 hp and 4.75 hp Briggs and Stratton Engines, Quantity 136, Valued at \$49,440.00, June 2014

Holt AgriBusiness, Massey Ferguson MF2615 Tractor with loader, Valued at \$34,000.00, December 2013

Holt AgriBusiness, Massey Ferguson MF2660HD Tractor with loader, Valued at \$54,000.00, March 2013

Briggs and Stratton Corporation, 6 ½ hp Briggs and Stratton Engines, Quantity 480, Valued at \$187,000.00, September 2012

AGCO Corporation, Gleaner A6 Series Combine Engine, Valued at \$5,000.00, July 2011

Kubota Tractor Corporation, RTV900XT Diesel Engine and Transmission, Valued at \$2,000.00, October 2010

## VII. Awards and Honors

### 2016

**1<sup>st</sup> Place, Outstanding Research Paper**, 35<sup>th</sup> National Agricultural Mechanics Blue Ribbon Professional Development Conference, Indianapolis, IN. *An evaluation of the knowledge, performance, and consequence competence in a science, technology, engineering, and mathematics (STEM) based professional development for school-based agricultural science teachers: An assessment of a computer numerical control (CNC) plasma arc cutting workshop*, 2016.

**1<sup>st</sup> Place, Outstanding Research Poster**, 35<sup>th</sup> National Agricultural Mechanics Blue Ribbon Professional Development Conference, Indianapolis, IN. *Professional development needs of early career Texas agricultural science teachers: A focus on agricultural mechanics*, 2016.

**3<sup>rd</sup> Place, Distinguished Research Poster**, 35<sup>th</sup> National Agricultural Mechanics Blue Ribbon Professional Development Conference, *An analysis of a professional development workshop for school-based agriculture teachers: A focus on the instruction of STEM-based metal fabrication processes*, 2016.

**5<sup>th</sup> Place, Outstanding Student Research Poster**, 2016 Agricultural Consortium of Texas, Stephenville, TX. *An analysis of a professional development workshop for school-based agriculture teachers: A focus on trailer design and fabrication*, 2016.

### 2015

**1<sup>st</sup> Place, Outstanding Research Poster**, 34<sup>th</sup> National Agricultural Mechanics Blue Ribbon Professional Development Conference, Louisville, KY. *Career satisfaction of Texas school-based female agriculture mechanics teachers: An examination of influential factors*, 2015.

**3<sup>rd</sup> Place, Distinguished Research Poster**, 34<sup>th</sup> National Agricultural Mechanics Blue Ribbon Professional Development Conference, Louisville, KY. *An examination of the shortage of agricultural mechanics teachers in Texas: A review of desired employability characteristics by administrators and local school districts*, 2015.

**3<sup>rd</sup> Place, Distinguished Innovative Idea Poster**, 34<sup>th</sup> National Agricultural Mechanics Blue Ribbon Professional Development Conference, Louisville, KY. *The integration of science, technology, engineering, and mathematics (STEM) competencies into the Texas agricultural mechanics metal fabrication curriculum: A professional development model for school-based agricultural educators*, 2015.

## VII. Awards and Honors (continued)

**2014**

**1<sup>st</sup> Place, Outstanding Research Manuscript**, 33<sup>rd</sup> National Agricultural Mechanics Committee Blue Ribbon Poster Session, Louisville, KY. *Agricultural mechanics curriculum skill standards for U.S. agricultural science teachers: A Delphi study*, 2014.

**1<sup>st</sup> Place, Outstanding Research Poster**, 33<sup>rd</sup> National Agricultural Mechanics Committee Blue Ribbon Poster Session, Louisville, KY. *What skills should a new agriculture teacher be able to instruct in the agricultural mechanics laboratory? A national Delphi study*, 2014.

**North American Colleges and Teachers of Agriculture, Teaching Award of Merit**, 2014.

**1<sup>st</sup> Place, Presidential Distinction Award for Scholarly/Creative Activity**, College of Applied Arts, Texas State University, 2014.

**2013**

**2<sup>nd</sup> Place, Distinguished Research Manuscript**, 32<sup>nd</sup> Annual National Agricultural Mechanics Professional Development Conference, Louisville, KY, *How safe are New Mexico agricultural mechanics programs?: An examination of the professional development needs of school-based New Mexico agriculture teachers' ability to safely manage agricultural mechanics laboratories*, 2013.

**1<sup>st</sup> Place, Distinguished Research Poster**, 32<sup>nd</sup> Annual National Agricultural Mechanics Professional Development Conference, Louisville, KY, *The physical health and lifestyle habits of Texas agriculture science teachers*, 2013.

**3<sup>rd</sup> Place, Distinguished Research Poster**, 32<sup>nd</sup> Annual National Agricultural Mechanics Professional Development Conference, Louisville, KY, *Diesel Fuel Performance in a Farm Utility Tractor: A Comparison of Traditional D2 Diesel Fuel and Biodiesel Blended Fuels*, 2013.

**2012**

**1<sup>st</sup> Place, Outstanding Conference Research Paper**, 30<sup>th</sup> Annual Conference for the Association for Career and Technical Education Research, Atlanta, GA, *Assessing performance and consequence competence in a technology-based professional development for agricultural science teachers: An evaluation of the Lincoln Electric Welding Technology Workshop*, 2012.

## VII. Awards and Honors (continued)

2012 (continued)

**3<sup>rd</sup> Place, Distinguished Research Manuscript**, 31<sup>st</sup> Annual National Agricultural Mechanics Committee Blue Ribbon Professional Development Conference, Indianapolis, IN, *Selected factors influencing Missouri school-based agricultural educators to instruct agricultural mechanics curriculum*, 2012.

2011

**1<sup>st</sup> Place, Outstanding Research Poster**, American Association for Agricultural Education Research Conference, Coeur d'Alene, ID, *Essential agricultural mechanics skills for beginning agricultural educators: A Delphi approach*, 2011.

**2<sup>nd</sup> Place, Outstanding Research Manuscript**, Western Region – American Association for Agricultural Education Research Conference, Fresno, CA, *A multi-state factor-analytic and psychometric meta-analysis of agricultural mechanics laboratory management competencies*, 2011.

**1<sup>st</sup> Place, Research Poster**, Southern Region – American Association for Agricultural Education Research Conference, Corpus Christi, TX, *Essential agricultural mechanics skills for beginning agricultural educators: A Delphi approach*, 2011.

2010

**Distinguished Manuscript**, American Association for Agricultural Education Research Conference, Omaha, NE, *Professional development needs of Missouri agricultural educators*, 2010.

**1<sup>st</sup> Place, Outstanding Research Manuscript**, Western Region – American Association for Agricultural Education Research Conference, Great Falls, MT, *Laboratory management in-service needs of Wyoming secondary agriculture teachers*, 2010.

**1<sup>st</sup> Place, Outstanding Research Paper Presentation**, Western Region – American Association for Agricultural Education Research Conference, Great Falls, MT, *Laboratory management in-service needs of Wyoming secondary agriculture teachers*, 2010.

**2<sup>nd</sup> Place, Outstanding Graduate Student Research Poster**, Southern Region – American Association for Agricultural Education Research Conference, Orlando, FL, *Characteristics of Missouri agricultural mechanics programs: A generational review*, 2010.

## VII. Awards and Honors (continued)

**2009**

**1<sup>st</sup> Place, Outstanding Research Poster**, North Central Region – American Association for Agricultural Education Research Conference, Lincoln, NE, *FFA professional development needs of Missouri agricultural educators*, 2009.

**1<sup>st</sup> Place, Outstanding Innovative Poster**, North Central Region – American Association for Agricultural Education Research Conference, Lincoln, NE, *Professional development through winter technical institutes: Agricultural electrification*, 2009.
