   c. Spring Schedule Expectations – There are still concerns regarding enrollment. The faculty will be asked to communicate how their course will be offered and stay with that modality the entire semester. President White, Dr. Maynard, and Drew Miller will be meeting with the Faculty Senate to discuss these expectations.
   d. Spring Attendance Guidelines – The Dean reviewed the guidelines that were created by the Faculty Senate as suggestions for professors to consider placing with their attendance policy on their syllabi. After discussion regarding how this should be sent out to COBA faculty, Dr. Robinson will reach out to the COBA faculty senators to send an email out with this information.
   e. Fall Schedule Planning – The Provost would like the colleges to build the fall schedule using the social distancing guidelines. It has been mentioned that if there is a vaccine available, we may need to have two schedule options in place. The Dean is pushing to keep our already modified schedule and adjust later if needed.
f. **DPTAC (virtual) Meetings** – The idea of using Zoom and utilizing the poll feature was discussed. There will be a need to have a non-member host (suggested it may need to be a staff member) to run the poll and give the results. All individual votes will remain anonymous. The Dean has asked for a demonstration before going to the faculty with this suggestion.
