

Virtual VITA/TCE Taxpayer Consent

This form is required whenever the taxpayer's tax return is completed and/or quality reviewed in a non-face-to-face environment. This site is using the following Virtual VITA/TCE method(s) to prepare your tax return:

- A. Drop Off Site:** This site uses a drop off process which includes the site maintaining personal identifiable information (*social security numbers, Form W-2, etc.*) to prepare the tax return at the same site but at a later time. In this process, you will come back to the same site for the quality review and/or signing the completed tax return. The site must explain the method it uses to contact you if additional information is needed.
- B. Intake Site:** This method includes the taxpayer leaving their personal identifiable information (*social security numbers, Form W-2 and other documents*) at the site in order to prepare and/or quality review the tax return at another location. In this process, the taxpayer's tax return information may be sent to another location for one or more of the following reasons; interviewing the taxpayer, preparing the tax return, or performing a quality review. The taxpayer may come back to the intake site for the quality review or to review and sign the completed tax return.
- C. Return Preparation and/or Quality Review Only Site:** This site may receive returns from one or more intake sites to prepare and/or quality review returns. This site generally does not take walk-in or appointments from other taxpayers in their location.
- D. Combination Site:** This site prepares returns for other permanent or temporary intake sites and assist walk in and appointment only taxpayers within their location.
- E. 100% Virtual VITA/TCE Process:** This method includes non face-to-face interactions with the taxpayer and any of the VITA/TCE volunteers during the intake, interview, return preparation, quality review, and signing the tax return. The site must explain the process and consent. This includes the virtual procedures to send required documents (social security numbers, Form W-2 and other documents) through a secured file sharing system to a designated volunteer for review.

Part II: The Sites Process:

Explain how each process will be followed to assist taxpayers remotely. How will the site manage:

1. Scheduling the appointment

Taxpayers may contact the Center at 936-294-1263 or vitacenter@shsu.edu (preferred) to schedule an appointment.

2. Securing Taxpayer Consent Agreement

The Center will email the taxpayer a consent agreement to be signed. If the taxpayer consents, he/she will return the signed form via email to vitacenter@shsu.edu

3. Performing the Intake Process (*secure all documents*)

Taxpayers will email their documents to the Center's password-protected email account (vitacenter@shsu.edu). Documents will be transferred to the Center's password-protected OneDrive account until the return is prepared and accepted by the IRS. All documents will be deleted after the return is prepared and accepted.

4. Validating taxpayer's authentication (*Reviewing photo identification & Social Security Cards/ITINS*)

Taxpayers may send their photo identification and Social Security cards with their tax documents to vitacenter@shsu.edu. Alternatively, taxpayers may wait and show the documents to their preparer during their virtual interview.

5. Performing the interview with the taxpayer(s)

Interviews will be conducted virtually via private, password-protected Zoom conferencing rooms.

6. Preparing the tax return

Returns will be prepared by volunteers using TaxSlayer software. Taxpayers may wait in their private, password-protected Zoom room while the volunteer prepares the return, or they may provide a way to contact them after the return is prepared and ready for review.

7. Performing the quality review

Quality reviews will be performed using private, password-protected Zoom rooms and screen sharing.

8. Sharing the completed return

Volunteers will share the completed return with the taxpayer using Zoom's screen sharing function. Screensharing will only show returns to individuals in the taxpayer's private, password-protected Zoom room.

9. Signing the return

If the taxpayer consents to having his/her return filed by the Center, the volunteer will send the Taxpayer Declaration statement from Form 8879 to the taxpayer via Zoom's chat function. To complete the consent, the taxpayer must type they agree and include their complete name.

10. E-filing the tax return

Unless there is an unforeseen circumstance, the Center will e-file the completed return within 48 hours of it being signed by the taxpayer.

Page three of this form will be maintained at the site with all other required documents.

Part III: Taxpayer Consents:

Request to Review your Tax Return for Accuracy:

To ensure you are receiving quality services and an accurately prepared tax return at the volunteer site, IRS employees randomly select free tax preparation sites for review. If errors are identified, the site will make the necessary corrections. IRS does not keep any personal information from your reviewed tax return and this allows them to rate our VITA/TCE return preparation programs for accurately prepared tax returns. If you do not wish to have your return included as part of the review process, it will not affect the services provided to you at this site. If the site preparing this return is selected, do you consent to having your return reviewed for accuracy, by an IRS employee?

Yes No

Virtual Consent Disclosure:

If you agree to have your tax return prepared and your tax documents handled in the above manner, your signature and/or agreement is required on this document. Signing this document means that you are agreeing to the procedures stated above for preparing a tax return for you. (If this is a Married Filing Joint return both spouses must sign and date this document.) If you chose not to sign this form, we may not be able to prepare your tax return using this process. Since we are preparing your tax return virtually, we have to secure your consent agreeing to this process. If you consent to use these non-IRS virtual systems to disclose or use your tax return information, Federal law may not protect your tax return information from further use or distribution in the event these systems are hacked or breached without our knowledge. If you agree to the disclosure of your tax return information, your consent is valid for the amount of time that you specify. If you do not specify the duration of your consent, your consent is valid for one year from the date of signature. If you believe your tax return information has been disclosed or used improperly in a manner unauthorized by law or without your permission, you may contact the Treasury Inspector General for Tax Administration (TIGTA) by telephone at 1-800-366-4484, or by e-mail at complaints@tigta.treas.gov. While the IRS is responsible for providing oversight requirements to Volunteer Income Tax Assistance (VITA) and Tax Counseling for the Elderly (TCE) programs, these sites are operated by IRS sponsored partners who manage IRS site operations requirements and volunteer ethical standards. In addition, the locations of these sites may not be in or on federal Property.
