INTRODUCTION

ABOUT THE DEPARTMENT OF CRIMINAL JUSTICE AND CRIMINOLOGY

The Department of Criminal Justice and Criminology is one of four academic departments within the College of Criminal Justice at Sam Houston State University. We are one of the nation’s largest and oldest criminal justice programs. In 1970, the College became one of the first programs in the U.S. to offer a Ph.D. in Criminal Justice and is the first in the State of Texas to offer the Master of Science and Ph.D. in Forensic Science. In 2013, the College separated into three distinct departments (Criminal Justice and Criminology, Security Studies, and Forensic Science) to allow for a more refined focus within each academic unit. A fourth department, Victim Studies, was created in 2019.

The Department of Criminal Justice and Criminology offers bachelor’s degrees in Criminal Justice (BA/BS), both online and face-to-face pedagogical approaches. The Department offers a Master of Arts degree, which focuses on research skills, culminating in an original thesis, a Master of Science (online), and a Master of Science in Criminal Justice Leadership and Management (online and weekend versions). The Department also offers a Ph.D. in Criminal Justice, which is a research-intensive degree, culminating in a doctoral portfolio, as well as a dissertation. Most students who complete the Ph.D. go on to engage in research and teach in an academic institution or work with criminal justice agencies with policy and program-related research. Each of our programs is designed to produce students who possess a deep and extensive awareness of the body of knowledge in the field of criminal justice and criminology, the intellectual and methodological skills necessary for the continuing process of discovery, and understand broad-based crime and justice-related issues.

COMMITMENT TO DIVERSITY, EQUITY, AND INCLUSION

The Department of Criminal Justice and Criminology is committed to fostering an environment that promotes and celebrates diversity in its many forms, to acknowledging the inequities that permeate society and working to correct inequities, and to ensuring a sense of belonging for students, staff, and faculty. Sam Houston State University is committed to promoting a campus culture that embraces diversity and inclusion. This is accomplished through proactive assessment of policies and operational strategies, as well as program implementation that strives to remove institutional barriers to recruit and retain a diverse university community with intersectional perspectives. Furthermore, the University acknowledges and values our responsibility to cultivate an equitable and inclusive environment where students, faculty, staff, and community recognize the benefits of collaboration and mutual respect through diverse identities and experiences.

COLLEGE OF CRIMINAL JUSTICE MISSION

PREAMBLE: The College of Criminal Justice is committed to providing students with a quality liberal arts education that develops critical thinking with a particular emphasis on the scientific method. Furthermore, students will gain an appreciation of their role as criminal justice professionals and as contributing members of society. As a part of a public university, the College also is committed to producing high-quality research and public service.
These talents include:

- An ability to communicate effectively, both orally and in writing.
- An ability to use numbers and symbols in the representation of reality and to engage in logical thinking.
- An appreciation of the scientific method and the contribution of the sciences.
- An appreciation of culture through the visual and performing arts.
- An appreciation of human diversity and the imperative of human values in the preservation of a free society.
- An understanding of the political nature of society and its role in the Union of the United States.
- An understanding of the role of the individual as part of the family, groups, organization, and society.
- An appreciation of moral and ethical judgment.
- An appreciation of self through physical, social, and psychological development.

Knowledge, Reasoning, Judgment: The Department of Criminal Justice and Criminology curriculum provides students with the opportunity and assistance to acquire knowledge of the roles of policing, courts, laws, and corrections as they contribute to social order. Students gain knowledge of the history, concepts, and critical issues in these areas through criminal justice required courses. The curriculum further provides a theoretical foundation of the discipline, combined with a thorough understanding of the scientific method as it applies to criminal justice. This combination is expected to sharpen the students’ talents of reasoning and judgment - qualities imperative to rational functioning in the discipline.

Ability, Skills, Integration: The Department of Criminal Justice and Criminology curriculum provides students with the ability to achieve the professional goals of criminal justice. Students learn how to prudently integrate knowledge and practice in criminal justice. Furthermore, the curriculum provides students with an opportunity to develop the individual and group skills necessary to meet various role expectations.

Conduct, Professionalism, Ethics: The Department of Criminal Justice and Criminology curriculum provides graduates with an appreciation for the complexity and dilemmas associated with the criminal justice profession. Criminal Justice students receive exposure to the moral and ethical dimensions of the various careers within the discipline and are charged with the essential aptitudes necessary for their professional conduct.

Vision, Change, Adaptation: The Department of Criminal Justice and Criminology curriculum provides students with an understanding of the discipline as it currently exists and as it is envisioned to be in the future. The Criminal Justice student will be able to apply vision in the face of change and respond to the evolving nature of criminal justice and society. Furthermore, students will be equipped with the tools of adaptation for making these changes.

The Criminal Justice program at Sam Houston State University was established by the Texas Legislature in 1965 under House Resolution 469, which directed the University to establish a program of excellence in criminal justice with four objectives:

1. Provide training for undergraduate and graduate students preparing for careers in criminal justice;
2. Provide a program of continuing education for professionals already employed in the field;
3. Provide technical assistance and consultation services to criminal justice agencies;
4. Promote research on problems in crime and the administration of criminal justice.

Since its inception, the Department of Criminal Justice and Criminology has developed a national reputation for excellence in research, teaching, and service to criminal justice entities.

ABOUT SAM HOUSTON STATE UNIVERSITY

Vision: To be nationally recognized for inclusive excellence in teaching, creative activities, and community engagement.

Mission: To prepare students for meaningful lives and careers as adept professionals and thoughtful, engaged citizens.

Strategic Priorities:
• Prioritize Student Success and Student Access
• Embody a Culture of Excellence
• Elevate the Reputation and Visibility of SHSU
• Expand and Elevate our Service to the State and Beyond

Motto: “The measure of a Life is its Service.”

In 2022, SHSU was designated a Doctoral University of High Research Activity by The Carnegie Classification of Institutions of Higher Education. Sam Houston State is one of only two universities that currently hold this research status within the Texas State University System (TSUS). SHSU serves approximately 21,000 students (including 3,000 graduate students) studying in over 156 degree programs in 8 colleges. The university is resolved in its efforts to increase the educational access and success of our students from every background. The University is a Hispanic-Serving Institution, a Military-Friendly school, and is committed to first-generation student success. In practice, this means that some of the students are both well prepared and highly motivated to do the work we demand of them while others may lag behind. Our challenge, therefore, is to provide the most engaging, substantive learning experience that we can, one that considers the different learning styles (haptic, visual, oral), and academic preparation of our diverse student population.

SHSU Sports:
The Bearkats compete in 17 NCAA Division I sports in the Western Athletic Conference (WAC). Women’s teams include basketball, bowling, cross country, golf, indoor and outdoor track & field, soccer, softball, tennis, and volleyball. Men’s teams include baseball, basketball, cross country, football, golf, and indoor and outdoor track & field.

Please refer to the SHSU Faculty Handbook for the University policies and procedures.

KEY REQUEST
All key requests are processed through Facilities Management Building Access and are issued for the purpose of conducting University business only. Please contact Luke Putman, Administrative Associate, before making your request. Email: lap040@shsu.edu | Phone: 936-294-3092 | Office: A202

CAMPUS KEY POLICY

Building Access. The Sam Houston State University Finance & Operations Policy, FO-FM-24, Campus Key Policy details information on building access, duplication and transfer of keys, campus master keys, key authorization procedures, key issue and return procedures, lockbox keys, and the implementation of fees for lost keys.

Faculty and Staff may be issued keys to University buildings upon recommendation of the Department Chair. Keys are issued for entry to University buildings for the purpose of conducting University business only.

An authorized individual entering or leaving a locked building shall not permit any individual to enter who would not normally be permitted to enter the building during the hours it is locked. An authorized individual may have guests so long as the guests stay in the proximity of the faculty or staff member having the assigned key. The authorized individual assumes full responsibility for their behavior.

An individual entering or leaving a locked building shall be responsible for securing the door and may be held responsible for any loss or damage to University property resulting from failure to do so.

The University’s hours of business are 8:00 am to 5:00 pm, Monday through Friday. Certain educational buildings are open for classes in the evening. Other facilities are open as scheduled for specific events. It is the policy of the University that other than during normal working hours, all buildings shall be locked unless a scheduled program or activity is in progress. The CJC building doors open at 6:30 am and lock at 8:30 pm. The hotel entrance is open 24/7. Individuals who use University buildings after hours are required to carry identification and should be able to provide information about their presence to any officer of the University Police Department if so requested.

Duplication and Transfer of Keys Prohibited. Duplication of University keys is strictly forbidden. If a duplicate key is made or used without University consent and the individual is identified, the key will be recovered, and the individual(s) involved shall be reported to their administrative supervisor for employees or the Dean of Student Life for students. In no case is a
key to be transferred from one individual to another or to be obtained from any other source than from the University. Returned or lost keys left in the custody of Departments will not be retained for any reason. All such keys will be promptly returned to Facilities Management.

Faculty and Staff. Faculty and Staff will be notified when keys are ready for pick up. Keys may be picked up from Facilities Management Customer Service located at Sam South, behind the University Police Department, next door to Property. Individuals will be asked for their Sam ID. Keys will be listed on a Key Issue Form, and the recipient will sign for all keys received.

Lost or Stolen Key Charges. A lost or stolen key charge will be assessed to any faculty, staff, or student who loses or has a key stolen. An invoice for the appropriate charge below will be sent to them from Facilities Management Customer Service. Once the invoice has been paid through the Cashiers Office, replacement keys can be obtained by forwarding a copy of the paid invoice to Facilities Management Customer Service. All key records will then be cleared, and a replacement key will be issued if requested. Unpaid key charges will become outstanding debts to the University and be listed against an individual’s accounts. This charge will apply even if a replacement key is not requested.

PARKING AND TRANSPORTATION

If you plan to drive to campus, you will need a parking permit. Information on parking and transportation options can be found here: https://www.shsu.edu/dept/public-safety/parktrans/. All campus parking lots are zoned. The CJC building is on the North / East side of campus, with Zone 1 East (limited to faculty and Staff) being the closest parking option. Additional parking information and permit options can be found here: https://www.shsu.edu/dept/public-safety/parktrans/epermits.html

POLICIES AND PROCEDURES
TRAVEL AND PURCHASING

Each faculty member is allocated $1,500 per academic year to support travel to academic conferences. Faculty must follow all SHSU travel policies and procedures. Please note: failure to
follow travel policy may result in denial of reimbursement for travel expenses. Please direct questions about travel procedures to Luke Putman or the Department Chair.

**Travel Arrangements.** Prior to making any purchases for travel purposes, including airfare and conference registration, faculty must submit a **Travel Request Form** (see Forms) to Luke Putman and the Department Chair for review and approval. The department uses Chrome River to create and process travel requests. You can access Chrome River through MySam>Travel. You will receive an email when your travel request is ready for your approval. Travel requests must then be approved by all approvers in the queue, through the Travel Office, **before** any travel arrangements can be made. The department will notify you when approvals are complete and arrangements can be made. **All airfare** must be purchased through the Concur Booking Tool. Instructions on accessing and using Concur can be found [here](#). For lodging using Institutional Funds, you should use the Concur Booking Tool unless booking a conference hotel and a conference rate is booked through the conference registration page. Lodging expenses may be up to 50% of the per diem rate. Additional information on allowable expenses is available [here](#).

**Travel Reimbursement.** After travel has taken place, travelers must submit a **Request for Reimbursement Form** (see Forms) for allowed out-of-pocket and travel card transactions within two weeks of the travel end date to allow time for the department to process the reimbursement. Failure to submit the travel reimbursement request in a timely manner may result in a rejection of the reimbursement claim.

Purchasing Software or Equipment. Similarly, faculty must submit requests for all purchases, including software and equipment, **prior to making any purchases**, by contacting Luke Putman or the Department Chair. All work-related work purchases must be made through the Department and must adhere to all [SHSU purchasing policies and procedures](#).

**SICK LEAVE REPORTING/TIME CERTIFICATION**

Sick leave with pay may be taken when sickness, injury, or pregnancy and confinement prevent the employee’s performance of duty or when the employee is needed to care for a member of their immediate family who is actually ill.

Immediate family is defined as those individuals who reside in the same household and are related by kinship, adoption, or marriage, as well as foster children certified by the State.

Minor children of the employee, whether living in the same household or not, will be considered immediate family for purposes of regular sick leave.

An employee’s use of sick leave for family members not residing in that employee’s household is strictly limited to the time necessary to provide care to a spouse, child, or parent of the employee who needs such care as a direct result of a documented medical condition. This provision does not extend to an employee’s parent-in-law if they do not live in the same household.
If an employee is on vacation and would otherwise be entitled to sick leave, then the fact that such sick leave is requested while on vacation does not affect the employee’s entitlement to sick leave.
ACADEMIC / GENERAL COURSE POLICIES
WORKING WITH GRADUATE ASSISTANTS

Graduate Assistants (GA) are Ph.D. and M.A. students in the Department of Criminal Justice and Criminology who receive funding for their work, an average of 20 hours per week during the 9-month academic calendar (Fall and Spring semesters). They are also referred to as Research Assistants (RAs) or Teaching Assistants (TAs). TA is a position in which a MA/PhD student provides teaching-based assistance to a faculty member who teaches CJ courses. RA is a position in which a MA/PhD student conducts research-based work for a faculty member. The Graduate Coordinator will notify you before each semester of your GA assignment. Should you have any specific questions or requests regarding GA assignments, or will be funding GA time through one of your grants, please notify the Graduate Program Director.

The Department makes best efforts to assign a GA to 1-2 faculty supervisors each semester based on the needs of the Department and faculty, shared academic interests between student and faculty, and professional goals of the student. GA duties should center on academic tasks that benefit both the Department and the student’s professional development. Faculty supervisors should meet with their assigned GAs at the beginning of the semester, and regularly thereafter, to discuss the collective goals in teaching and/or research and the GA’s progress towards achieving the stated goals. Faculty supervisors should aim to serve as sponsors or mentors, which entails conveying functional and instrumental skills and information to the student in order to prepare the student for membership in the academic guild. These skills and information pertain to various aspects of teaching, research and academic service. Faculty supervisors should provide a formal evaluation of their GA performance coordinated by the Graduate Program Director.

FACULTY SYLLABUS

All faculty must submit a syllabus for each course being taught each semester. In addition, all syllabi must be uploaded to Blackboard before each semester begins, even if you are teaching a face-to-face course section. Once you are scheduled to teach a course for the Department of Criminal Justice and Criminology, you will be given a deadline date to submit your syllabus to the Department (see Important Dates). It is critical that the syllabus is submitted to the Department via Luke Putman (lap040@shsu.edu), in a timely manner to ensure sufficient time to evaluate it for accuracy and that it adheres to the syllabus requirements. Please find a copy of the syllabus template in the Forms section of the handbook. General deadlines are as follows: Fall – submit by mid-July; Spring – submit by the first Monday in December; Summer – submit by mid-May. Dates are subject to change.

Faculty availability – Please include published hours of availability for student consultation during those times.

CV / RESUMES

All instructors are responsible for keeping their CVs/resumes up to date. CVs/resumes are required, by law, to be updated annually. As you update your CV, you may submit a revised
copy of the CV to the Department. A current CV/resume will be requested of all faculty by the same date as the Fall syllabi (mid-July).

TEXTBOOK ADOPTIONS

Faculty must submit course material adoptions for every section every semester through Barnes & Noble’s Adoption Insight Portal (AIP). You can adopt textbooks, lab manuals, course packets, courseware, open education resources (OERs), or no materials. Textbook adoptions can be made here or through the link in MySam.

Deadlines

Self-authored material must be approved by the Office of the Provost prior to adoption in AIP. Submit approvals and adoption by the following dates. Once a textbook order has been placed, it cannot be changed after the deadline listed.

Desk Copies

Complimentary desk/review copies for faculty members may be requested by directly contacting the publisher before classes begin. If a desk copy does not arrive in time, a textbook may be acquired by emailing bearkatbundle@shsu.edu and requesting a loaner copy of the textbook. Once approved by the Office of Auxiliary Services, the textbook may be picked up from the bookstore at no charge at that time. Upon receipt of the desk copy from the publisher, the instructor may return the textbook to the SHSU Bookstore in the same condition, and the school/program will be credited for the original charge. Failure to return a loaned desk copy will result in a charge to the department.

Bearkat Bundle Program

Bearkat Bundle is our textbook rental program that will provide undergraduate students with all required textbooks, lab manuals, access codes, and electronic book versions before the first day of class. All undergraduate students will be automatically enrolled and must opt-out if they do not want to participate. More information on the Bearkat Bundle is available here.
FEDERAL AID ELIGIBILITY VALIDATION (FAEV)

While Sam Houston State University is not required by any accrediting agency to record attendance, federal guidelines demand that be able to verify that financial aid recipients are eligible for the financial aid that has been awarded and disbursed to them (Department of Education Federal Student Aid Handbook, refer to Chapter 1). To that end, we use Federal Aid Eligibility Validation to validate student engagement in academically related activities for either on-campus courses or online courses, as determined by the faculty.

The FAEV reporting program will open on the last day of each census period (see Academic Calendar) and be available for three business days, but the time period for which you are reporting the students’ engagement is during the census period. As a reminder, the census period starts on the first day of class and ends on a date specific to that term as set by THECB. These dates will be provided to all faculty teaching classes. You can use this link to access the program: https://samweb.shsu.edu/faev or through MySam.

COURSE EVALUATION – IDEA Center’s Student Ratings of Instruction

Faculty members are evaluated by students in their assigned class, face-to-face and online, toward the end of the fall and spring semesters. It is important to know that administration of these evaluations to students in your classes is MANDATORY.

SHSU uses IDEA’s Student Ratings of Instruction through a 100% online administration. IDEA has partnered with Campus Labs to develop a more up-to-date, dynamic, and streamlined online IDEA interface. One of the biggest benefits of the online IDEA interface is its compatibility with mobile devices. Instructors will have the flexibility to decide if students will complete the evaluations outside of class or continue to allot time during a designated class period for students to complete their evaluations on their mobile devices.

If the instructor chooses to have their students complete their evaluations on their mobile devices during a designated class period, the instructor cannot be present in the room during the allotted time. Instead, the instructor arranges with another instructor, teaching at a similar time, to administer the evaluation to each other’s class, or a trusted student may also administer the evaluation.

In advance of the IDEA evaluation administration, instructors will be prompted via email to complete their Objective Selection Form (OSF). The timeline is available here. It is your responsibility to complete the OSF for each assigned course. Failure to complete your OSF can impact your adjusted IDEA scores and may impact considerations for rehire in future semesters. It is highly recommended that you contact your mentor or our Assistant Department Chair for assistance with filling out the OSF or administering the IDEA evaluations for the first time.

Additional resources are available for faculty at: http://www.shsu.edu/dept/academic-planning-and-assessment/idea-evaluations.
FINAL GRADE ENTRY

Near the end of each semester, you will receive an email from the Registrar’s Office with instructions for submitting grades. Directions are provided for you so that you can complete this process by the scheduled deadline for grade submission. When grades are not submitted by the prescribed due date and time, a message is sent to the Department Chair and the Dean of the College of Criminal Justice.

It is important to schedule your final exam and any other final assignments so that you will be able to complete the grading process by the deadline. The final date for submission of grades is typically 12:00 am on the Monday following graduation. The due date for grades is subject to change, therefore, it is very important to observe the time and due date. If you have questions about submitting grades, you can contact the Office of the Registrar at 936-294-1040 or registrar@shsu.edu. A copy of the instructions is included in the Forms section.

GRADE CHANGES

At times, there are circumstances that could require a change to a previously reported grade for a student in your course. The process for changing grades, Request for Change of Grade, can be obtained from the Office of the Registrar. When the grade change is requested, the instructor for the student indicates the justification for the grade change, signs, and dates the form. Once signed, send the form to the Department Chair and/or the Administrative Associate for approval.

Grade Change Process:

• Go to the Office of the Registrar’s webpage, http://www.shsu.edu/dept/registrar
• On the RIGHT side of the page, click “Faculty & Staff”
• Select “Forms and Documents”
• Scroll down to the “Faculty and Staff Forms” and look for “Grade Change” under the Request column
• Open the PDF and either fill it out electronically or print and complete it by hand
• Print form and sign
• Send/take the form to Luke Putman in office A202 or lap040@shsu.edu for the Department Chair’s signature
• The Administrative Associate will send the grade change to the Registrar’s office and copy the assigned faculty.

FINAL EXAMS SCHEDULE

The finals schedule may be searched by term. https://www.shsu.edu/dept/registrar/calendars/final-exam-schedules.html#panelfall.
STUDENT-RELATED POLICIES

ACADEMIC DISHONESTY

Academic honesty is defined in paragraph 5.3, Chapter VI, of the Rules and Regulations, Board of Regents, The Texas State University System, and in the Sam Houston State University Student Guidelines published by the Office of Student Life.

The University expects all students to engage in all academic pursuits in a manner that is above reproach. Students are expected to maintain complete honesty and integrity in their academic experiences both in and out of the classroom. The University may initiate disciplinary proceedings against a student accused of any form of academic dishonesty, including but not limited to cheating, plagiarism, collusion, falsification of research data, or the abuse of resource materials on an examination or other academic work. Any student accused of dishonesty is subject to academic penalties and may be referred to the Dean of Student’s office for additional disciplinary action. See Student Academic Policy 810213.

ACADEMIC GRIEVANCE

In some cases, students will have academic grievances, including grade appeals that do not involve allegations of academic dishonesty. All grade appeals and grievances begin with a discussion between the student and the instructor, according to SHSU policy. There are certain time-sensitive actions that must happen in these instances, so please read this policy and follow the procedures. Please contact the Chair, Assistant Chair, or Undergraduate Program Director for more explanation of these procedures. See Student Academic Policy 900823.

STUDENT ABSENCES ON RELIGIOUS HOLY DAYS

Sam Houston State University abides by the Texas Education Code, Section 51.911, requiring an institution of higher education to excuse a student from attending classes or other required activities, including examinations, for observance of a religious holy day, including travel for that purpose. This policy is fully addressed in Academic Policy Statement 861001.

STUDENTS WITH DISABILITIES POLICY AND SERVICES

It is the policy of Sam Houston State University that no otherwise qualified individual with a disability shall, by reason of his/her disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any academic program or activity or in employment. The following outlines Sam Houston State University’s compliance with TITLE II OF THE AMERICANS WITH DISABILITIES ACT (ADA) OF 1990, AS AMENDED IN THE ADA AMENDMENTS ACT OF 2008, AND SECTION 504 OF THE REHABILITATION ACT OF 1973. See Student Academic Policy 811006.

Students with disabilities that might affect their academic performance should register with the Office of Services for Students with Disabilities located in the Lee Drain Annex (telephone 936-294-3512, TDD 936-294-3786, and email disability@shsu.edu). They should then make arrangements with their individual instructors so that appropriate strategies can be considered.
and procedures can be developed to ensure that participation and achievement opportunities are not impaired. SHSU adheres to all applicable federal, state, and local laws, regulations, and guidelines with respect to providing reasonable accommodations for students with disabilities.

VISITORS IN THE CLASSROOM

In the event an unannounced visitor attends a class, the instructor should request identification in the form of a current and official Sam Houston State University Bearkat OneCard identification card. If the visitor is not a registered Sam Houston State University student, the faculty member should act at their own discretion or refer the visitor to the Department Chair.

This policy is not intended to discourage the occasional visiting of classes by responsible persons. Obviously, however, the visiting of a particular class should be occasional and not regular, and it should in no way constitute interference with registered members of the class or the instruction thereof.

STUDENT ADD, DROP, AND RESIGNATION

Deadlines and important dates may be found on the Add, Drop, and Resignation Deadlines webpage.

A resignation is when a student drops all their currently enrolled courses. If a student resigns on or before the official census date (see Academic Calendar), no record of the resignation will appear on the student’s academic record. For Students who resign after the census date and prior to the final examination date, a record of the resignation will appear on the student’s academic record with a mark of “W.”

Students who fail to officially resign from the University will receive the grade of "F" for each course in which they are enrolled. To learn more about the University’s policy on student resignations, view the Student Resignation Policy.

STUDENT REQUESTS

Course Waitlists
If your class is full, you may have students asking you to allow them to register for your class. Almost all course sections have a waitlist function enabled, so please direct the student to join the waitlist. They will be notified if space becomes available. Most face-to-face courses are scheduled at capacity for the room to which they are assigned, so it is not likely we can over-enroll a course section. Requests to increase course capacity for online sections can be submitted to the Assistant Department Chair.

Student Support and Accommodations
You may need to help students become aware of the University facilities that can help them. Depending on the request, students requesting course accommodations should be referred to the Office of Services for Students with Disabilities, the Dean of Student’s Office, the SHSU Counseling Center, or the course syllabus.
Students may contact the Dean of Student’s Office to request an Absence Notification. An absence notification submitted to the professor by the Dean of Students’ Office does not excuse students from classes and/or course requirements. Instructors will determine, based on their class attendance policies, if an absence is excused. Students are also responsible for following up with their instructors as soon as they are able to discuss possible arrangements for completing academic course requirements.

The SHSU Counseling Center provides individual, couples, and group therapy to students who are currently enrolled. All faculty and staff are eligible for consultation regarding student-related issues. Faculty & staff members who are concerned about a student’s mental health can call the office at 936-294-1720 to speak with an available counselor regarding psychological/emotional issues. Counselors may be able to help faculty and staff members effectively communicate with students, provide support, and/or refer a student to the SHSU Counseling Center for services.

STUDENT MISCONDUCT

Each student is expected to be fully acquainted and comply with all published policies, rules, and regulations of the Component and of The Texas State University System, copies of which shall be available to each student for review online and/or at various locations on campus. Students are also expected to comply with all federal and state laws. For further information on what constitutes student misconduct, please see the following link.

RESTRICTION OF STUDENT INFORMATION

Please familiarize yourself with the Student Privacy Information: https://www.shsu.edu/dept/registrar/students/student_privacy_information.html. You are responsible for adhering to the laws, policies, and procedures associated with Student Privacy.

FACULTY CLASS ATTENDANCE

A faculty member’s assignment to teach a course is an important element of the faculty member’s professional responsibilities, including the obligation of the instructor to attend all classes and to teach. For face-to-face courses, faculty should expect to teach all scheduled course meetings throughout the entire semester. Hybrid courses are not permitted without prior authorization. For medical and family emergencies and other unforeseeable contingencies, a scheduled class meeting may be canceled. For legitimate, foreseeable obligations (e.g., conference travel), the faculty member is responsible for finding a reasonable, alternative way to perform teaching duties in the form of a substitute or a make-up session.

Faculty members who will be late or miss class should notify students and call Luke Putnam or Joseph Horn so that the information can be posted in the classroom.

IMPORTANT EVENTS

New Student Convocation

Serves as the ceremonial start for our new students. This ceremony is held before classes start to welcome new students, their families, and guests. Visit
Faculty Meetings

Held, typically once a month during the long semesters (Fall and Spring), on Wednesdays at 12:30 pm. Faculty are not scheduled to teach during this time, so attendance is expected and required. Please review the scheduled meeting dates, usually set a few weeks before each semester, to avoid scheduling conflicts.

University Faculty/Staff Meeting

Sam Houston State University honors Bearkat faculty and staff members for their continuing service to SHSU during the annual Faculty and Staff Meeting. This yearly meeting, held near the beginning of the fall semester, is an opportunity for the President to address university matters. Attendance is expected.

College of Criminal Justice Faculty and Staff Meetings

The College of Criminal Justice will schedule a Faculty and Staff and Faculty meeting during the beginning of the fall semester. These meetings provide opportunities for the Dean to recognize achievements in the College, introduce new faculty and staff, and provide updates on college matters. Attendance is required.

Commencement

The ceremony celebrates the completion of the degree and graduation. Commencement schedules will be posted here: https://www.shsu.edu/graduation/. Separate commencement ceremonies are held by College, and the ceremony typically lasts about 90 – 120 minutes. The College typically hosts a reception before or after the ceremony for CJ graduates and their guests in the CJ Center lobby. Invitations to the reception will be sent out prior to the ceremony to all faculty. Attendance at Spring and Fall commencement is mandatory, and Summer commencement attendance is mandatory for those who taught during the summer sessions. Faculty should wear their regalia and hood, but caps/tams are not required. Should you need to rent or borrow regalia, please contact Luke Putman (lap040@shsu.edu).

Honor’s Day

Each spring, usually the last week in April, Sam Houston State University’s College of Criminal Justice sets aside a day of celebration to honor students, alumni, and friends and to memorialize professionals who have lost their lives in the line of duty. Attendance is strongly encouraged.

Activities include:

Leadership Luncheon

Recognizes a Distinguished Alumna, a Defensor Pacem recipient, student organizations, and graduate students. Attendance by invitation.

Sundial Ceremony

Held at the flagpole outside the entrance of the Criminal Justice Center is a solemn ceremony to remember criminal justice professionals lost in the line of duty.
Honors Convocation

Held in the evening, the Honors Convocation recognizes the highest standards of academic achievement and celebrates the accomplishments of its very best students. Student scholarships are awarded and exceptional students and faculty are recognized.

Ph.D. Preview Weekend

Prospective Ph.D. students are invited to visit and learn about the program and meet faculty and is usually held in February. Faculty will be notified of opportunities for participation in advance.

Graduate Student Practice Presentations

A few weeks before national conferences, Graduate Students who wish to apply for travel funding must participate in a scheduled presentation to prepare for conferences and receive feedback. Faculty sponsors are required to attend their student’s session; all other faculty are strongly encouraged to attend as many sessions as their schedule allows.

Graduate Assistant Evaluations

The Graduate Program Director, with the assistance of the GDAC, conducts end-of-year evaluations of graduate student progress. Faculty who work with or mentor students will receive an invitation to schedule their student's review.
IMPORTANT COURSE INFORMATION

Across all programs, we regularly offer approximately 190 sections of courses to meet student needs. Click here for the Undergraduate and Graduate Course Catalog. The course description & prerequisites can be found in the course catalog.

Course scheduling occurs on an ongoing basis and schedules are generally drafted 6 – 9 months prior to the semester (January for Fall, June for Spring). The course scheduler will work to accommodate any teaching schedule requests, but course availability may vary based on enrollment and classroom limitations, so specific requests are not guaranteed. For a course to remain on the schedule, undergraduate sections must enroll at least 10 students and graduate sections must have 5 students. If a scheduled course is at risk of low enrollment and must be canceled, the course scheduler will work to seek alternate course assignments. Any regular faculty members whose course does not enroll a sufficient number of students will be reassigned to another course according to the needs of the department. Area of specialization, teaching schedule, and other factors will be considered as far as possible, but the faculty member is expected to teach a full load.

The current teaching workload for full-time tenure-track faculty is 3-3, meaning 3-course sections in the Fall semester and 3-course sections in the Spring semester. Large course sections (over 100 students) and Ph.D. level courses count as 2 courses toward the teaching workload. All other undergraduate and master’s level courses count as 1 course. Full-time faculty with a full teaching load should expect to teach 2 face-to-face courses each semester.

Summer teaching interest will be solicited during the late fall. Course availability will be based on budget and student enrollment.

The draft course schedule will be posted in Banner prior to student advising beginning each semester. You can access the full schedule and your course assignments, once posted, in My Sam > Faculty > Self-Service Links. Please review your teaching assignment and report any errors to the Assistant Department Chair. Class Rosters will also be available through My Sam once enrollment begins.

BLACKBOARD

SHSU uses Blackboard for its course management system.

Blackboard has a variety of functions and is used to administer and manage online courses and post any materials for face-to-face courses online. You can use Blackboard to post syllabi, and exams, assignments, readings, links, reminders, emails, and conduct online discussions. Many faculty also use Blackboard to post grades for individual assignments. For assistance with accessing online course material or online course setup or design, please contact one of the SHSU Online instructional designers.

CLASSROOM TECHNOLOGY

We recommend visiting your classroom before the semester starts to check out the technology available for use.
ANNUAL REVIEWS

The department is responsible for establishing criteria for evaluating the performance of its members. As a Ph.D. granting department, we are responsible for maintaining standards appropriate to our mission locally, in the university, and nationally in the profession.

Promotion and tenure decisions rely in part on the candidates’ annual evaluations, but the final portfolio is ultimately more than the sum of those evaluations. Reappointment of untenured faculty is not automatic. The decision to reappoint will be based on a review by the Chair and the Dean of the faculty member’s satisfactory performance in the areas of teaching, research, and service, along with the department’s needs, by means of formal, annual evaluation not only of the faculty member’s performance but of her/his cumulative progress towards meeting the criteria for tenure and promotion to associate professor. Meeting the criteria for teaching, research, and service does not guarantee or confer an entitlement to tenure and/or promotion.

The following procedures are used in conducting annual reviews and reaching decisions on tenure and promotion cases within the Department of Criminal Justice and Criminology.

FACULTY REVIEW TYPES
ANNUAL REVIEW - FACULTY EVALUATION SYSTEM (FES)

The annual Faculty Evaluation System (FES) is designed to provide leadership information to evaluate professional activities in a way that encourages exceptional performance and acknowledges individual accomplishments during the calendar year. The FES recognizes three categories for purposes of evaluation: teaching effectiveness, scholarly and/or creative accomplishments, and service. Each of these categories will be assigned a weight as identified by Academic Policy Statement 820317. Please refer to the Department’s FES General Policy Statement for detailed information on evaluation criteria. Completed FES forms are due to the Department Chair before mid-January each year.

All faculty may be considered annually for merit review, when available, based on an updated CV and completion of the FES.

TENURE AND PROMOTION

Policies concerning reappointment, tenure, and promotion in The Texas State University System are set forth in The Texas State University System (TSUS) Rules and Regulations: https://www.tsus.edu/tsus-rules-and-regulations/chapter-5/faculty.html. The SHSU policy on Faculty Reappointment, Tenure, and Promotion of Tenured and Tenure-Track Faculty can be found in Academic Policy Statement 900417. In accordance with college and/or department/school policy, each probationary faculty member will present a portfolio and update it on an annual basis.

1st Year Review

Faculty in their first year will participate in an abbreviated review process that takes place during their first Spring semester. This review will be conducted by the Department Chair and
will provide early feedback on teaching, research, and service. Specific deadlines for submitting materials to the Chair will be provided in the fall semester, but materials are generally due late-January/early-February each year.

**2nd Year Review**

After your 1st year review, CJC faculty are reviewed annually by the Department Promotion and Tenure Advisory Committee (DPTAC), a committee comprised of all tenured faculty in the department. Your 2nd year review will include a review of your submitted portfolio materials. All materials should be uploaded electronically to the portal in Talent Management. Dates the portal will be open for uploading materials will be provided in the fall semester. No hardcopy portfolios will be reviewed. Specific deadlines for uploading materials will be provided in the fall semester, but materials are generally due late-January/early-February each year. A copy of the annual DPTAC review providing feedback in the areas of teaching, research, and service shall be provided to the department chair and the chair shall review DPTAC findings with the probationary faculty member. At the request of the Dean, the chair submits the DPTAC summary review, along with the chair’s comments on the faculty member’s performance.

**Mid-Probationary (3rd Year) Review - Assistant Professors**

This review is completed in the third year of rank for Assistant Professors. The purpose of the 3rd year review is to determine the degree to which the faculty member is “on track” for promotion and tenure. All materials should be uploaded electronically to the portal in Talent Management. No hardcopy portfolios will be reviewed. Dates the portal will be open for uploading materials will be provided in the fall semester. A comprehensive evaluation of the faculty member’s research, teaching and service will be completed by the DPTAC and feedback will include an informal vote by committee members. A copy of the annual DPTAC review shall be provided to the department chair and the chair shall review DPTAC findings with the probationary faculty member. At the request of the Dean, the chair submits the DPTAC summary review, along with the chair’s comments on the faculty member’s performance.

**4th and 5th Year Reviews**

CJC faculty continue to be reviewed annually by the DPTAC during their probationary period. Your 4th and 5th year reviews will include reviews of your submitted portfolio materials. All materials should be uploaded electronically to the portal in Talent Management. Dates the portal will be open for uploading materials will be provided in the fall semester. No hardcopy portfolios will be reviewed. Specific deadlines for submitting materials will be provided in the fall semester, but materials are generally due late-January/early-February each year. A copy of the annual DPTAC review providing feedback in the areas of teaching, research, and service shall be provided to the department chair and the chair shall review DPTAC findings with the probationary faculty member. At the request of the Dean, the chair submits the DPTAC summary review, along with the chair’s comments on the faculty member’s performance.
Tenure & Promotion (6th Year) Review

Tenure is the most important decision a university makes regarding its faculty. The quality of tenure decisions over the years determines in large measure the quality of the university. Tenure denotes a status of continuing appointment as a member of the faculty at Sam Houston State University (SHSU). It is not granted automatically because of seniority. Tenure is granted to faculty, after a rigorous probationary period, based on meritorious performance in teaching, scholarly and creative activities, and service.

DPTAC review of a faculty member’s tenure portfolio will be held in the spring semester of the candidate’s 6th year of appointment. The length of the probationary period may be modified in accordance with Section 4.05 of Academic Policy Statement 900417. All materials should be uploaded electronically to the portal in Talent Management. Dates the portal will be open for uploading materials will be provided in the fall semester, but materials are generally due mid-January. No hardcopy portfolios will be reviewed.

The tenure decision is based primarily upon the candidate’s record in teaching and research. To qualify for tenure, the faculty member must have a) established herself/himself as a successful teacher; b) engaged in research in significant, refereed publication outlets and that demonstrates in promise of continuing achievement. Committee service and engaging as a good departmental citizen is required. Promotion to associate professor occurs in conjunction with tenure.

On rare occasions, truly outstanding faculty may be considered for tenure prior to completion of the probationary period. Early consideration of tenure requires the approval of the Chair and Dean prior to the second Monday of October in the academic year in which tenure is to be considered. Special permission by the Chair and Dean does not imply a subsequently favorable recommendation. If approved for early consideration for tenure, the probationary period for that faculty member is effectively modified and the current year will be deemed the terminal year of the probationary period. No subsequent consideration of tenure shall be allowed beyond the new terminal year.

Post-Tenure Review

A post-tenure comprehensive faculty review evaluating a faculty member’s teaching, service and research record, is required every 6th year. This review will be conducted in the spring semester following 5 full years in rank of associate professor, and every 5 ½ years following. Promotion to professor is granted as recognition of sustained, high-quality performance, combined with efforts of leadership and continuous improvement.

TEACHING

Sustained effective teaching and mentoring of students will be documented and evaluated based on student evaluations and peer and/or chair reviews. Other possible measures may include an exemplary record of academic advisement, supervision of student research, or thesis/dissertation direction. Contribution to program support, such as course and curriculum development, innovations in teaching methodology, electronic instruction development, or
participation in interdisciplinary academic programs, are also examples of standards of
performance.

TEACHING RESOURCES

There are multiple resources across campus that provide support to instructors regarding
course structure, format, technology, syllabi, and nearly every facet of instructional design.

RESEARCH

A sustained pattern of peer-reviewed research/publications or scholarly work that contributes
to the discipline will be documented based on the faculty member’s CV and supporting
evidence. Standards of performance include evidence of growth in quality/significance of
scholarly contributions. Scholarly activities shall be interpreted to include, but are not limited
to, production of basic and applied research, writing and publications, scholarly grant
development, scholarly grant acquisition, presentations to professional and learned societies,
and professional development directly related to scholarly accomplishments.

Minimum expectations for scholarly accomplishments align with the top criteria outlined in the
annual review process. However, successful performance does not guarantee or entitle a
faculty member to tenure and/or promotion.

**GRANT APPLICATION PROCEDURES**

The Sam Houston State University Office of Research and Sponsored Programs (ORSP) is committed to partnering with faculty and staff to promote, facilitate, and enhance scholarly activities through sponsored projects. Please review the ORSP website for information on the grant submission process.

The Pre-Proposal Notification (PPN) form notifies ORSP that you are thinking of pursuing a funding opportunity. ORSP requests that the PPN form be submitted at least 30 days in advance of the sponsor's proposal due date. Failure to notify ORSP may limit the services available. The Pre-Proposal Notification (PPN) Form can be found here: [LINK](http://www.shsu.edu/academics/criminal-justice/institutes-ihs.html). This is only an intent to submit a proposal and is not binding and can be withdrawn at any time. Once the form is received, ORSP will assign a team to work with you on your project.

In addition to notifying ORSP, please update the Department Chair and Sable Kocurek on your grant submission. For questions on budget (amount needed for course buyouts or graduate student funding), please work with Sable Kocurek to ensure that your grant funds will cover your budget items. If your grant budget includes funding for a graduate student, please notify the Graduate Program Director. If your grant budget includes funding for a course buyout, please notify the Assistant Department Chair. Once the grant is awarded and funds are confirmed, please make sure to update all parties. Note: Notification of the grant award is not the same thing as confirmation of funds. It can be a lengthy process for funds to be in place once the award is accepted by SHSU (3 – 5 weeks). Please plan accordingly.

When your grant is awarded, please make sure the IRB application is submitted and approved. The Office of Research Administration (ORA) will then work you to manage your grant. Please review the ORA grants website for information on the grant management process. Once your project has been assigned a Fund, Organization, Account, and Program (FOAP) code, you may begin using your funds. Departmental procedures for purchasing and travel must still be followed for reimbursement.

**SERVICE**

Service includes service to students, colleagues, program, department/school, college, and the University; administrative and committee service; and unpaid service beyond the University to the profession, locally, regionally, nationally, and internationally, including academic or professionally-related public service. Sustained service to the department, college, University,
profession, or community, as appropriate for the discipline, will be documented based on the faculty member’s CV and supporting evidence. Please review the criteria outlined in the department’s FES policy for specific detail on expected levels of service. Faculty at the beginning of their careers (generally in the first three years as an assistant professor) are not expected to participate in professional and university service activities at the same level as tenured faculty and advanced assistant professors.

Assignment to department committees is at the discretion of the Department Chair or by policy. Committee assignments will be distributed at the beginning of the academic year. Requests to serve on a particular committee can be sent directly to the Department Chair for consideration. Assignment to college committees is at the discretion of the Dean. For University-level committees, faculty will receive a survey during the spring semester where they submit any preferences for selection to a university committee. University committee assignments are at the discretion of the President.

Per the Sam Houston State University Course Catalog: The mark X indicates that the student has not been able to complete the course because of emergency circumstances beyond the student’s control. These circumstances usually prevail over other drop dates and opportunities to withdraw from the course. When the student is given the X mark, it is assumed that the student will be able to finish the course without further instruction or tutoring from the faculty member in charge of the course. Permission to award the mark of X is granted only by the chair of the academic department involved with the recommendation of the instructor. If the student meets the prescribed requirements of the course before the end of the next long semester (fall or spring; the summer term is not considered a long semester for X grade submissions) after the X is given, the student will receive the grade earned; otherwise, the mark X will be automatically changed to the grade of F.
