

## **College of Science and Engineering Technology Student Ambassador Program Call for Applications**

Dear Students of the College of Science and Engineering Technology,

We are excited to announce the calling of Student Ambassador Program for the College of Science and Engineering Technology (COSET) at Sam Houston State University. This program aims to engage passionate and dedicated students who are eager to make a positive impact on our community through volunteering and outreach.

### **Qualifications**

To be eligible for this unique opportunity, interested students enrolled in COSET programs must meet the following criteria:

- **Academic Excellence:** Maintain a minimum GPA of 3.0 or higher.
- **Effective Communication Skills:** Demonstrate strong verbal and written communication skills.
- **Enthusiasm for Community Engagement:** Showcase a genuine interest in serving the community and promoting the values of science and engineering technology.
- **Leadership Qualities:** Exhibit leadership potential and the ability to work collaboratively with diverse groups of people.
- **Commitment to Professionalism:** Uphold a high level of professionalism and represent the College with pride.

### **Benefits of Being a Student Ambassador**

- **Professional Development Training:** Gain valuable leadership and communication skills that will enhance your future career prospects.
- **Networking Opportunities:** Connect with faculty and staff, industry professionals, and fellow ambassadors to expand your professional network.
- **Community Impact:** Make a positive difference in the community by promoting the importance of science and engineering technology education.
- **Exclusive Events and Workshops:** Participate in special events, workshops, and seminars organized exclusively for student ambassadors.
- **Enhanced Resume:** Add a prestigious ambassadorship to your resume, showcasing your commitment to both academic and community service.
- **Feature in COSET News:** Write a brief feature column for our college's newsletter about your experience at SHSU, which will include your picture.

### **Timeline of Service**

The selected student ambassadors will serve beginning in Fall 2026 for one academic year, with the possibility of renewal for exceptional ambassadors.

### **Application Process**

Interested candidates are invited to submit an application by **February 14, 2026**. To apply, please submit the following:

- Current resume
- One-page cover letter expressing your interest and qualifications
- Letter of recommendation from a faculty member

Submit your application package to the College of Science and Engineering Technology Dean's Office, located in LDB 200, or you may email your application to [coset@shsu.edu](mailto:coset@shsu.edu) with "Student Ambassador Application" in the subject line. Shortlisted candidates will be invited for an interview.

This is an excellent opportunity to become a face of the College of Science and Engineering Technology and contribute to the growth and success of our academic community. We look forward to receiving your applications and working together to create a positive impact.
