MATURE CONTENT & BEHAVIOR RELEASE

Information for Parents and Campers

(Please get this form notarized and signed and return to camp administration)

The Criminal Justice Camp will be attempting to introduce interested youth in a variety of fields involved in the Criminal Justice System. Campers will be attending lectures on a variety of subjects at the University as well as traveling to secure facilities for supervised tours. These tours may include a Morgue, The Southeast Texas Forensic Center (body farm), a prison tour, and a local municipal court. A certain level of maturity and decorum is required in these venues since campers will be interacting with professional instructors, police, doctors, lawyers, judges, and possibly clients of the system. Please ensure that your son or daughter realizes the importance of these interactions in terms of behavior and dress.

We would like to take this opportunity to advise you that we are attempting to maintain content that is suitable for campers of this age group while still exposing them to the multifaceted field of Criminal Justice. Facility tours may expose them to material to which they have not yet been exposed. An example would be our tour of the Medical Examiner's Office which may involve a walk through the morgue section and analysis theater. We will attempt to prepare campers for these events and will make modifications for those campers who wish to be removed for brief periods during such situations. We appreciate you verifying that you still wish your camper to be involved in such venues for their learning opportunities.
