COE Guideline:

Certification Testing Requirements

Audience: ☐ Faculty ☐ Staff ☑ Students

Contact Person: Jean Hubbart

All Texas teacher candidates are required to take and pass the TExES content and PPR exams in order to apply for certification. Sam Houston State University requires that all teacher candidates take a practice/release exam and make an 80% or better before the testing officer can approve the actual TExES content and PPR exams. The following links provide a timeline and requirements for all certification exams offered at SHSU.
