Admission Requirements

Audience: Faculty  Staff  Students

Contact person: Dr. Holly Weimar or Ms. Rebecca Lewis, Academic Advisors

The Master of Library Science is a 36-credit program designed to prepare competent professionals for school librarianship. Even as electronic readers replace paper and glue books, the need for professionally-trained school librarians still exists. The professional library science curriculum provides graduates with a virtual road map on harnessing technology and the limitless information available to educate and advance the needs of EC-12 schools across the country.

Applicants seeking admission to the Master of Library Science (M.L.S.) program must submit the following directly to the Office of Graduate Admissions:

1. Graduate Application
2. Application Fee
3. Official transcript from the baccalaureate degree granting institution with a GPA of 3.0 or higher
4. Copy of valid teacher certificate
5. Copy of official service record for each year of classroom service
6. Interview
7. Tk20 Application

A Face-to-Face interview scheduled by the Program.
