Garrett Center Continues TEA Partnership

Dr. Patricia Hitt and the team at Sam Houston State University’s Excellence and Charles Garrett Center on Transition and Disability Studies have been working with a group of students to bring a new life to the team, in the form of an all-girls comic book since the center’s inception in 2019. This year, the group received funding from the TEA for the fourth time in the form of $1.4 million. More details coming soon!

Cybersecurity Education

Get certified to lead cybersecurity in your future. Join the N3 Conference Region for a free registration and workshop. Register by November 15.

Vote for Sammy!

Watch the Sammy Bearkat’s Exercise is Medicine Mascot Challenge on YouTube! Each like on YouTube counts as one vote for Sammy as the fan favorite mascot. Vote before November 7.

Graduation Regalia

Kappa Phi Psi is continuing Project Starfish to support College of Education students with financial need. For information on how to participate, interested students should apply to Project Starfish. Selected students who have registered for graduation and are given the opportunity to earn Starfish graduation regalia are available for undergraduate, graduate and doctoral students.

Applications are due by Sunday, November 6.

EdAide Program Expansion

The College of Education received a grant from the T.L.L. Temple Foundation to expand the EdAide program across northeast Texas. More details coming soon! Visit www.csbe.txstate.edu!

5 in 10 Inclusive Dialogue Book Series

For COE Faculty, Staff & Graduate Students

This year’s 5 in 10 Inclusive Dialogue book series includes a list of books that you may have seen on the banned books list or debated in the media as too political to use as part of K-12 school curricula. Let’s have this open and honest conversation during our upcoming series in the spring. For additional information contact Dr. Ashley Brittain by noon on Monday.

Submit your presentation proposals to our email list.
