5 in 10 Inclusive Dialogue Book Series
For CSR Faculty, Staff & Graduate Students
Last year, the College of Education and the College of Criminal Justice began the Diversity Engagement Development & Support (DEEDS) Certificate Program by inviting faculty, staff, graduate students, and guest from other institutions to lead workshops on topics that are often not discussed. This 5 in 10 Inclusive Dialogue series is a continuation of that conversation in the College of Education. This new 5 in 10 Inclusive Dialogue series includes a list of books that you may have seen on the banned books list or debated in the media as too political to use as part of K-12 school curricula. Let’s have this open and honest conversation during our upcoming series in the spring. For additional information contact Dr. Benita Brooks.
Volunteer presenters will receive a copy of book they sign up to present.
By signing up, you are agreeing to present the book at the designated time/place via Zoom.
