Why should you sponsor the **Raven** Repertory Company?

Raven Rep was developed to foster student growth through production opportunities. The College of Arts & Media wants to showcase the talents of its students and enhance educational experiences that will assist in preparing them for the professional world they will be entering upon graduation.

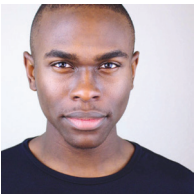

During our inaugural season Raven Rep produced three theatre and musical theatre productions, a dance concert and two music performances. Students were able to participate in a variety of areas both on stage and off. In our second season we have added a student film festival which will focus on the student filmmakers in Mass Communication. We want to want continue to grow. **And your sponsorship will help us grow.**

"A very inspiring and educational experience..." Ciara

"I am so thankful for the growth opportunities..." Marcella
