

Texas Society of Allied Health Professions Call for Abstracts

“Translational Processes in Allied Health: From Education to Practice”

37th Annual Fall Conference
September 25 - 26, 2014
MD Anderson Cancer Center - Houston

TSAHP cordially invites you to submit an abstract to be considered for presentation (platform or poster) for the 37th annual fall conference. The conference theme is entitled, “Translational Processes in Allied Health: From Education to Practice”, and presentations should address the following:

- Models of excellence in interprofessional education, research across the disciplines, and technological innovations
- Innovative approaches and best practices that bridge education and practice
- innovations and technology related to education, research, and admissions
- Research related to translational care, technological innovations, and creative pathways

Guide for Abstract Submissions: Please follow the outline below for abstract submissions.
