**Honors Thesis Expectations and Requirements:** Students are expected to adhere to all honors thesis deadlines and to the following:

- 1. You are responsible for scheduling regular meetings and for keeping your appointments with your thesis director.
- 2. You are required to present your research at the URS or other professional conference or to submit a portion of the thesis to a scholarly journal for publication. In the rare instance where a student is not able to present or submit his/her/their work, the student is expected to arrange to do an oral presentation for the Honors College deans and thesis director.
- 3. You will be assigned to a library liaison, who will assist you in all aspects of research (formulating arguments, finding sources, identifying scholarly resources and databanks, etc). You are required to meet with the library liaison at least once while enrolled in HONR 4398.
- 4. You must submit the HONR 4398 Thesis Progress and Outcome Report before being cleared to register for HONR 4399. Incomplete forms will not be accepted.
- 5. You are required to use the honors thesis template when formatting the thesis (go to <a href="https://www.shsu.edu/academics/honors/documents-and-forms/">https://www.shsu.edu/academics/honors/documents-and-forms/</a> to save the form).
- 6. You must adhere to the Thesis Proposal, Progress and Outcome Report, and Thesis Completion form deadlines (below).
- 7. If you decided not to fulfill your Thesis, you must submit a Thesis Withdrawal Form. Please note: HONR 4398 and 4399 remain in your insufficient section unless both courses are completed successfully.

**Nota bene:** This thesis proposal form is a contract, a professional obligation you are making to your professor, the Honors College, and yourself. If you cannot complete the honors thesis or fulfill the honors thesis requirements, you must contact your thesis director and honors dean with a detailed explanation for breaking your contract. In the event that you do not complete and submit the thesis, the IP grades for HONR 4398 and HONR 4399 will remain on your transcript in perpetuity.
