**BMB Registration**, Room 201 at the School of Music. This is a come-and-go session to confirm that you are in Huntsville, you have completed your online registration, your fees have been paid, you have completed appropriate forms (statistical data, w9, etc.), your information in the Charms database is correct, and you have received the information you need. We will also be measuring for some parts of the uniform.

**Dorm check-in** on August 11 will take place at your dorm. There is not a great deal of time on this schedule for check-in, but move-in may take place any time after check-in, so you will be able to attend registration, check-in at your dorm, eat dinner with us and move-in, too!

**BMB Catered Barbecue Dinner (no charge) and Brief Orientation Meeting**, Gibbs Hall in the Sam Houston Memorial Museum. The entrance to the dining hall at the museum faces the gazebo. We will meet at the School of Music. There will be signs for each section along the wall of the atrium (main hallway on same floor as 201 and 202). We will gather into sections at 5:00 and then begin walking or car-pooling to the Pritchett Field/Sam Houston Memorial Museum area near 19th Street and Avenue O. This will be a great opportunity to meet some people and make some new friends!

**Outdoor Activities** at Pritchett Field: Capture the Flag, Manhunt, Kickball
