STUDENT AFFAIRS
THE COLLEGE OF OSTEOPATHIC MEDICINE

As your Student Affairs Specialists, we serve as a bridge between the College of Osteopathic Medicine and the Division of Student Affairs supporting the holistic well-being of our medical students to achieve their goals by providing services that complement their academic experiences.

We collaborate with the eleven departments that make up the Division of Student Affairs to provide student-centered services and innovative programming with emphases on the values of *Servant Leadership, Diversity, Wellness, Student Development and Tradition.*
