

Jared R. Ruchensky, Ph.D.

Employment

8/20 - **Assistant Professor**
Sam Houston State University, Department of Psychology & Philosophy
Huntsville, TX 77341

Education

- 7/19-6/20 **Clinical Internship**
Harvard Medical School/Massachusetts General Hospital (APA Accredited)
Boston, MA
Area: Adult Clinical Psychology
Co-Directors: Mark A. Blais, PsyD; Michelle B. Stein, PhD
- 5/17-8/20 **Ph.D., Clinical Psychology**
Texas A&M University, College Station, TX (APA Accredited)
Dissertation: *Triarchic psychopathy and response to affective pictures: An event-related potential and startle eyeblink study*
Defense Date: May 14, 2019 (Passed)
Area: Clinical Psychology
Committee Co-Chairs: John F. Edens, PhD; Annmarie MacNamara, PhD
Committee Members: Brandon J. Schmeichel, PhD; Steven Woltering, PhD
- 8/14-5/17 **Master of Science**
Texas A&M University, College Station, TX
Thesis: *The validity of a youth measure of the Triarchic model of psychopathy*
Area: Clinical Psychology
Committee Chair: John F. Edens, PhD
Committee Members: M. Brent Donnellan, PhD; Timothy R. Elliott, PhD
- 2010-2014 **Bachelor of Arts**
Creighton University, Omaha, NE
Major: Psychology
Summa cum laude

Teaching Experience

Instructor of Record

8/20-present

Sam Houston State University, Department of Psychology & Philosophy

Graduate Course: Advanced Statistics

Undergraduate Courses: Personality Psychology, Psychology & Law

Graduate Instructor

8/18-12/18

Texas A&M University

Undergraduate Course: Forensic Psychology

Teaching Assistant – Instructor

8/15-5/18

Texas A&M University

Undergraduate Lab Sections: Elementary Statistics for Psychology, Experimental Psychology

Supervisors: Dr. Heather Lench, Dr. Patrick Bolger, Dr. Jay Schumacher, Dr. Rebecca Schlegel, Dr. Winfred Arthur, Dr. Vani Mathur

Guest Lecturer – Personality Psychology

10/2016

Topic: Behavioral perspectives of personality.

Clinical Experience

Evaluator – Psychology Assessment Center

7/1-6/20

Provided assessment services in psychological and neurocognitive evaluations for outpatients. Trained in instruments capturing psychopathology, psychological functioning, abnormal and general personality traits, and neurocognitive functioning. Assessments were multi-method, including self-report, interview, and performance-based. Patients often presented with complex, treatment-resistant psychiatric and/or comorbid neurocognitive/health concerns, such as personality pathology, cognitive impairment, and internalizing psychopathology. Received supervision and training in administering instruments, interpreting results, and writing integrative reports. Worked under the supervision of Dr. Mark Blais, Dr. Wei-Jean Chung, and Dr. Michelle Stein.

Individual Therapist – Adult Outpatient Psychiatry Services

7/1-6/20

Provided therapy for individuals presenting with a range of psychiatric diagnoses, including personality pathology, anxiety, trauma-related symptoms, and substance use disorders. Supervision represents a diverse array of theoretical orientations, including Cognitive-Behavioral Therapy, Integrative Psychodynamic Psychotherapy, and Psychodynamic Therapy. Worked under Dr. Audrey Tolman, Dr. Amy Sweigenberg, and Dr. Jennifer Ragan.

Group Therapist – Adult Outpatient Psychiatry Services

7/1-6/20

Group supervision and therapy services include training in Dialectical Behavioral Therapy (DBT). Co-lead a weekly DBT skills group (20-weeks) that focused on improving emotion regulation, mindfulness, distress tolerance, and interpersonal effectiveness skills for patients presenting with core difficulties in these areas. Duties include preparing lessons, review of homework, leading sessions, and regular meetings with group leader (staff psychologist). Participated in weekly meetings with staff psychologists responsible for other DBT groups across hospital clinics and providers (e.g., DBT Advanced Skills Practice Group; DBT for Eating Disorders). Worked under Dr. Ellen Prairie.

Evaluator – MAClab**1/18-6/19**

Provided assessment services to Multimethod Affect and Cognition Lab (MAClab), including psychological evaluations to screen participants for National Institute of Mental Health grant (K23MH105553). Evaluations included Structured Clinical Interview for DSM-5 (SCID-5), Hamilton Depression Rating Scale, Hamilton Anxiety Rating Scale, and Columbia Suicide Severity Rating Scale. Worked under the supervision of Dr. Annmarie MacNamara.

Therapist – Brazos County Detention Center**8/17-9/18, 1/19-5/19**

Provided psychological services (e.g., cognitive-behavior therapy, client-centered therapy) to individuals incarcerated at the Brazos County Detention Center. Duties included brief mental health screening using the Personality Assessment Screener (PAS), crisis intervention, suicide evaluations, and providing individual therapy. Often, this work included coordination with medical staff, a local mental health service provider, and guards to ensure care and safety of incarcerated individuals. Additionally, duties included evaluating individuals for referrals to physicians for medication evaluation. Worked under the supervision of Dr. John Edens and Dr. Brian Stagner.

Evaluator – Brazos County Police Departments**5/16-12/17**

Provided employment-eligibility evaluations to police officer, specialized officer, and dispatcher candidates. Services included scoring, interpreting, and communicating findings, orally and in written reports, to police department supervisors. Participated in weekly group supervision meetings, which included didactic case presentations and discussion of assessment issues (e.g., ethical, legal, psychometric, and practical). Worked under the supervision of Dr. Douglas Snyder, Dr. Brian Stagner, Dr. Robert Heffer, Dr. Sherece Field, and Dr. Les Morey.

Evaluator – MHMR**5/16-12/17**

Provided assessment services to local community members for government assistance (e.g., disability support; state-supported living facilities) through the Brazos Valley Mental Health/Mental Retardation (MHMR) organization. Duties included scoring, interpreting, and communicating findings, orally and in written reports, to clients. Participated in weekly group supervision meetings, which included didactic case presentations and discussion of assessment issues (e.g., ethical, legal, psychometric, and practical). Provided courtroom testimony regarding evaluation for state-supported living. Worked under the supervision of Dr. Douglas Snyder, Dr. Brian Stagner, Dr. Robert Heffer, Dr. Sherece Field, and Dr. Les Morey.

Evaluator – Texas A&M University Psychology Clinic**5/16-12/17**

Provided assessment services to local university members, including evaluations for Attention Deficit/Hyperactivity Disorder, memory deficits, learning disorders, and general psychopathology (e.g., mood disorders). Duties included scoring, interpreting, and communicating findings, orally and in written reports, to clients. Participated in weekly group supervision meetings, which included didactic case presentations and discussion of assessment issues (e.g., ethical, legal, psychometric, and practical). Worked under the supervision of Dr. Douglas Snyder, Dr. Brian Stagner, Dr. Robert Heffer, and Dr. Les Morey.

Therapist – Texas A&M University Psychology Clinic**8/15-12/17**

Provided psychological services (e.g., cognitive-behavior therapy, client-centered therapy) to the surrounding community in Bryan and College Station, TX. Duties included preparing psychological reports, psychological testing, and providing therapy. Worked under the supervision of Dr. Steve Balsis, Dr. Bridgit van Widenfelt, Dr. Annmarie MacNamara, Dr. Robert Heffer, and Dr. Douglas K. Snyder.

Additional Clinical Training

Training in Forensic Assessment Instruments **1/18-5/18**

Full title: Clinical Psychology and the Legal System

Completed graduate coursework on the intersection of psychology and the legal system and the roles of forensic psychologists. Included formal training on risk assessment (VRAG, HCR-20^{V3}), malingering (SIRS-2, MFAST), competency (MACAT-CA), and psychopathy (PCL-R).

Coursework involved fundamentals of forensic report writing and special ethical and practical considerations of working as a psychologist within the legal system.

Facilitator: Dr. John Edens

Organization: Texas A&M University

Developments in Risk Assessment and Risk Reduction **3/17**

Full title: Developments in Risk Assessment and Risk Reduction: Classification, Intervention Planning, Intervention, and Communication

Received training on foundational components and recent advances in risk assessment. Training included ethical concerns, empirically-based assessment, and effective communication of findings (written, orally).

Facilitator: Dr. Kirk Heilbrun

Organization: American Psychology – Law Society

Working with Race-Based Trauma in a Charged Social Climate **12/16**

Full title: The Costs of Color: Working with Race-Based Trauma in a Charged Social Climate.

Received training on working with individuals with racial/ethnic minority identities who have experienced trauma related to these identities.

Facilitator: Dr. Jeanette Madkins

Organization: Brazos Valley Psychological Association

Fellowships

Clinical Area Summer Research Award **Summer 2018**

Texas A&M University

Awarded to clinical psychology graduate students to conduct research. Funded to work on project titled “*A meta-analysis on the validity indices of the Personality Assessment Inventory*”.

Fellowship Application Support Program **Summer 2016**

Texas A&M University

Awarded to psychology graduate students to complete applications for external funding. Submitted Ruth L. Kirchstein National Research Service Award (F31) grant titled, “*An Investigation of Psychopathic Traits Using Multiple Units of Analysis*”.

Vision 2020 Fellowship **2015-2019**

Texas A&M University

Awarded to five incoming graduate students in the College of Liberal Arts based on faculty nomination. Supplements graduate stipend up to \$10,000. Includes research bursary of \$1,000 to support research-related activities, including conference travel, participant compensation, software purchases, etc.

Merit Fellowship **2014-2015**

Texas A&M University

Awarded to incoming graduate students in the College of Liberal Arts based on faculty nomination for high-quality, competitive applicants. Supplements graduate stipend up to \$10,000.

Grants (Funded and Unfunded)

Ruth L. Kirchstein National Research Service Award (F31)

An Investigation of Psychopathic Traits Using Multiple Units of Analysis.

Submitted as Principal Investigator, December 2016.

Status: Not Funded; Average Summary Rating: 2.7

Psi Chi Summer Research Grant

5/13-8/13

Creighton University

Awarded \$5,000 for research proposal on “A Latent Class Analysis of Sexual Offenders”.

Honors Program Summer Research Scholarship

5/13-8/13

Creighton University

Awarded \$5,000 for research proposal on “An Investigation of Sexual Offenders”.

Dean’s Summer Research Scholarship

5/12-8/12

Creighton University

Awarded \$4,700 for research proposal on “Possible Evolutionary Causes for Eating Disorders”.

Additional Training

Event-Related Potential (ERP) Bootcamp

10/18

Full title: The ERP Boot Camp

Received training on fundamental aspects of event-related potential research. Topics include data collection and processing, laboratory setup, identifying ERP components, neural origins of ERPs, design and interpretation of ERP experiments, and data analysis.

Facilitator: Dr. Emily S. Kappenman

Organization: Society of Psychophysiological Research

Texas A&M University Aggie Ally Workshop

8/17

Received training on working with individuals with sexual and gender minority identities. Specifically, training involved the creation of safe spaces, providing support, knowledge regarding campus resources, sensitivity to issues of prejudice and discrimination, and navigating identity with individuals who are LGBTQ+.

Organization: Aggie Allies

Reviewing Experience

Ad Hoc Reviewer: International Journal of Forensic Mental Health, Journal of Abnormal Psychology, Psychological Assessment, Law and Human Behavior, Frontiers Psychology, Psychiatry Research.

Student Reviewer, AP-LS Conference

3/15, 3/18, 3/19

Leadership and Service Experience

GLBT Mentorship Program

12/18-5/19

Served as a mentor to an LGBTQ+ identifying undergraduate student regarding professional decisions, career goals, and quality of life issues related to being a member of the LGBTQ+ community.

Psychology Department Student Representative**8/14-8/16**

Acted as the representative for the 2014-2015 cohort of the Clinical Psychology Doctoral Training Program of Texas A&M University. Met with faculty to address student concerns and issues on behalf of cohort.

Graduate Student Admissions Coordinator, Clinical Psychology **8/14-8/15**

Coordinated scheduling, transportation, and accommodations for the 2015 Interview Weekend for the Clinical Psychology Doctoral Training Program of Texas A&M University under supervision of Dr. Sherece Fields.

Awards and Honors**Society for Personality Assessment, Diversity Award****3/20**

Awarded travel grant (\$1,000) to support travel and attendance at the annual conference of the Society for Personality Assessment for oral presentation entitled, "*What do stories tell us? An examination of the DSM-5 alternative model of personality using the SCORS-G.*". Diversity award is intended to support students from underrepresented groups in psychology involved in personality assessment.

International Association of Forensic Mental Health Services**Summer 2019**

Nominated for top oral presentation by a graduate student at the 2019 Conference of the International Association of Forensic Mental Health Services for project entitled, "*Suicide assessment across race: An item response theory application to the Personality Assessment Inventory Suicidality scale*".

Graduate and Professional Student Council Travel Award**2018**

Award granted to graduate student for conference travel (\$500). Submitted project titled "Similarities Across Models of Narcissism and Psychopathic Personality". Poster presented at the 2018 Annual Conference of the Association of Psychological Science, San Francisco, CA.

TAMU Clinical Area Distinguished Grant Writing**2017-2018**

Award granted to clinical area doctoral student for excellence in grant writing. Awarded for submission of Ruth L. Kirchstein National Research Service Award titled "An investigation of psychopathic traits using multiple units of analysis". Additional funding of \$300 for research activities, including conference travel or compensation for research participants.

TAMU Clinical Area Distinguished Scholarship**2017-2018**

Award granted to clinical area doctor student for excellence in research and scholarship productivity. Additional funding of \$500 for research activities, including conference travel or compensation for research participants.

Alpha Sigma Nu Jesuit Honor Society**11/13-present**

Selection process is highly competitive and only 2% of students from Jesuit colleges who demonstrate scholarship, loyalty, and service to Jesuit values are invited for membership.

Great Plains Student Psychology Convention, First Place Award **3/11**

Awarded first place for poster presentation entitled *The Skinny on Striving for Status*.

Honors Program**8/10-5/14**

A member of Creighton's Honors Program, which requires students to take a rigorous honors core curriculum and maintain a 3.0 Honors GPA and a 3.3 overall GPA. Membership is extended to incoming freshman who demonstrate excellence in leadership, academics, and service.
