EDUCATION

Doctor of Philosophy in Clinical Psychology

Sam Houston State University – Huntsville, TX

APA Accredited Program

Dissertation Title: *TBD*

Chairperson: Jaime L. Anderson, Ph.D.

Anticipated Graduation: August 2029

Master of Arts in Clinical Psychology

Sam Houston State University – Huntsville, TX

APA Accredited Program

Thesis Title: *Exploring the moderating potential of personality psychopathology on adverse childhood experiences and risk-taking.*

Chairperson: Jaime L. Anderson, Ph.D.

Anticipated Graduation: August 2025

Bachelor of Science with Honors in Psychology

Mississippi State University – Starkville, MS

Magna Cum Laude

May 12th, 2023

Minor: Cognitive Science

Honors Thesis: *Personality and childhood experiences: Assessing the link between childhood temperament and experiences with adulthood attachment and psychopathology.*

Chairperson: Hilary L. DeShong, Ph.D.

PEER-REVIEWED MANUSCRIPTS

Kelley, K., **Miller, J. M.**, Mason, C. K., & DeShong, H. L. (2024, August). Investigating the transdiagnostic potential of rumination in relation to Cluster B personality disorder symptoms. *Personality Disorder: Theory, Research, and Treatment*.

Mason, C. K., **Miller, J. M.**, Kelley, K., & DeShong, H. L. (2024, February). Personality facets and negative thoughts predicting non-suicidal self-injury. *Current Psychology*.

Calafiore, C., Collins, A. C., **Miller, J. M.**, & Winer, E. S. (2024, January). Examining the unique and interactive impacts of anhedonia and fear of happiness on depressive symptoms. *Journal of Affective Disorders: Brief Reports*.

Kilgore, J., Collins, A. C., **Miller, J. M.**, & Winer, E. S. (2023, July). Does grit protect against the adverse effects of depression on academic performance? *PLOS ONE*.

MANUSCRIPTS UNDER REVIEW

Collins, A. C., **Miller, J. M.**, Gallagher, M. R., & Winer, E. S. (under review). Inducing positivity via a novel mood induction procedure. *Cognition & Emotion*.

MANUSCRIPTS IN PREPARATION

Miller, J. M., Wygant, D. B., & Anderson, J. L. (in preparation). Suicidal capability among veterans: The interaction effect of internalizing and externalizing symptomatology.

CONFERENCE PRESENTATIONS

Collins, A. C., Calafiore, C. A., **Miller, J. M.**, Gallagher, M. G., & Winer, E. S. (2024, November). *Inducing Positivity in Persons who Devalue Positivity via a Novel Mood Induction Procedure*. Talk to be presented at the 58th annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Miller, J. M., Torres, A., Mercado, A., & Anderson, J. L. (2024, March). *Associations between psychopathology and personality disorders in a Latinx population*. Poster presented at the 2024 Society for Personality Assessment Convention, San Diego, CA.

Calafiore, C., Collins, A. C., **Miller, J. M.**, & Winer, E. S. (2023, May). *Examining the unique and interactive impacts of anhedonia and fear of happiness on depressive symptoms*. Poster presented at the Association for Psychological Sciences 35th Annual Convention, Washington, D.C.

Miller, J. M., Kelley, K., Mason, C. K., & DeShong, H. L. (2023, April). *Examining childhood risk and protective factors and adult attachment styles in relation to borderline personality disorder and depressive symptoms*. Poster presented at the Mississippi State University Spring 2023 Undergraduate Research Symposium, Mississippi State, MS.

Hill, A., **Miller, J. M.**, Kelley, K., & DeShong, H.L. (2023, April). *Personality domains differentially predict engagement in anger and depressive rumination*. Poster presented at the Spring 2023 Mississippi State University Spring Undergraduate Research Symposium, Mississippi State, MS.

Miller, J. M., Brinner, J. V., Mason, C. K., & DeShong, H. L. (2023, March). *Maladaptive adult attachment styles and borderline personality disorder: Investigating differential relations to childhood risk factors*. Poster presented at the 2023 Society for Personality Assessment Convention, Austin, TX.

Kelley, K., **Miller, J. M.**, Mason, C. K., & DeShong, H. L. (2023, March). *Investigating the transdiagnostic potential of rumination in relation to Cluster B personality disorder symptoms*. Talk presented at the 2023 Society for Personality Assessment Convention, Austin, TX.

Miller, J. M., Collins, A. C., McCain, A., Watson, J. C., McKinney, C., & Winer, E. S. (2022, May). *Examining loneliness as a moderator of the relation between perceived stress and anhedonia*. Poster presented at the 34th Association for Psychological Science 34th Annual Convention, Chicago, IL.

Miller, J. M., Collins, A. C., McCain, A., Watson, J. C., McKinney, C., & Winer, E. S. (2022, April). *Investigating loneliness as a potential moderator of the relation between fear of happiness and anhedonia*. Poster presented at the Mississippi State University Spring 2022 Undergraduate Research Symposium, Mississippi State, MS.

McCain, A., Lass, A. N. S., Collins, A. C., Watson, J. C., **Miller, J. M.,** McKinney, C., & Winer, E. S. (2022, April). *The influence of loneliness, objectification, and social media usage on eating disorder symptoms*. Poster presented at the Mississippi State University Spring 2022 Undergraduate Research Symposium, Mississippi State, MS.

Miller, J. M., Collins, A. C., & Winer, E. S. (2021, November). *Inducing positivity via a novel mood induction procedure*. Poster presented at the 55th annual meeting of the Association for Behavioral and Cognitive Therapies, Virtual.

RESEARCH EXPERIENCE

Graduate Research Assistant (August 2024 – Current)

Assessment of Personality and Psychopathology Lab, Sam Houston State University

Supervisor: Jaime L. Anderson, Ph.D.

- Administer clinical interviews (i.e., SCID-5-AMPD, Quick SCID, ASSIST) and score audio-recorded clinical interviews for interrater reliability analyses
- Collaborate on conference presentations and manuscripts
- Attend monthly lab meetings to discuss ongoing research projects

Laboratory Manager (August 2023 – August 2024)

Assessment of Personality and Psychopathology Lab, Sam Houston State University

Supervisor: Jaime L. Anderson, Ph.D.

- Managed and trained undergraduate and graduate research assistants on laboratory protocols and research
- Assisted in creating protocols for recruitment, session procedures, data management, and training of research personnel
- Administered clinical interviews (i.e., SCID-5-AMPD, Quick SCID, ASSIST) and scored audio-recorded clinical interviews for interrater reliability analyses
- Led monthly lab meetings with undergraduate research assistants

Paid Undergraduate Research Assistant (May 2022 – May 2023)

National Institute of Mental Health (NIMH) R-15 Grant

Project Title: An experimental approach to emotion regulation: Investigating rumination, cognitive control, and maladaptive behaviors study (1R15MH122937-01A1)

Supervisor: Hilary L. DeShong, Ph.D.

- Administered protocol across two time-points (e.g., COVID-19 protocols, mood induction tasks, behavioral tasks utilizing E-Prime)
- Shadowed and conducted clinical interviews (e.g., SCID-5-RV, SCID-PD) and scored audio-recorded clinical interviews for interrater reliability analyses
- Participated in interrater reliability meetings with research team
- Managed participant scheduling (i.e., direct calls, emails, document contacts) and conduct phone screeners to determine participant eligibility (e.g.,

endorsement of BPD symptoms, screening out bipolar disorder and psychosis symptoms)

- Assisted study recruitment, including distributing recruitment materials
- Assisted with data entry and cleaning
- Assisted with monetary record keeping of participant payments
- Assisted in creating protocols for recruitment, session procedures, data management, and training of research personnel
- Restructured data for the NIH National Data Archive
- Managed and trained undergraduate research assistants on protocols and data coding

Senior Honors Thesis (May 2022 – May 2023)

Judy and Bobby Shackouls Honors College, Mississippi State University

Project Title: Personality and childhood experiences: Assessing the link between childhood temperament and experiences with adulthood attachment and psychopathology

Supervisor: Hilary L. DeShong, Ph.D.

- Formulated hypotheses and general study aims, conducted literature review, submitted IRB protocol, pre-registered hypotheses and data analyses
- Created two studies in Qualtrics for student and community sample, administered studies through CloudResearch, MTurk, and SONA Systems
- Created syntax, cleaned data, ran analyses in AMOS for each sample
- Wrote Honor's thesis document and passed thesis defense

Undergraduate Student Researcher (August 2021 – May 2023)

Personality, Emotion, and Treatment Laboratory, Mississippi State University

Supervisors: Hilary L. DeShong, Ph.D., Courtney K. Mason, M.S., & Kren Kelley, M.S.

- Lead discussions of peer-reviewed articles during lab meetings
- Collaborated on two manuscripts and three conference presentations (e.g., drafted manuscript sections, abstract revisions, assisted with data analysis and interpretation)

Individual Differences in Alcohol Use Study

- Assisted with study administration for a graduate student master's thesis investigating measurement discrepancies across trait and behavioral measures of impulsivity, as well as variations in impulsivity in relation to alcohol use
- Administered behavioral measures of response inhibition and risk-taking using E-Prime 3.0
- Completed informed consent, COVID-19 in-lab safety protocols, and study debriefing with participants
- Assisted with data collection, data entry, and data storage

An Experimental Approach to Emotion Regulation Study

- Administered protocol across two time-points (e.g., COVID-19 protocols, mood induction tasks, behavioral tasks utilizing E-Prime)
- Assisted with data entry and cleaning

Undergraduate Student Researcher (August 2020 – August 2021)

Emotional Processes and Experimental Psychopathology Laboratory, Mississippi State University

Supervisors: Samuel Winer, Ph.D., Amanda Collins, M.S., & Alisson Lass, M.S.

- Recoded over 1000 open-ended qualitative participant responses as part of a study investigating the conceptualization and measurement of distress tolerance.
- Completed the online *PsychoSystems Psychological Networks Amsterdam Summer School* for training in network analyses via R
- Collaborated on two manuscripts and five conference presentations (i.e., responsible for writing manuscript sections, abstract revisions, assisted with data analysis and interpretation)
- Led discussions of peer-reviewed articles in lab meetings
Social Media Usage, Emotions, and Psychopathology Study
- Assisted with study conceptualization, aims, and design
- Assisted with online data collection of community participants via Qualtrics
- Assisted with pre-registration of four sets of analyses and hypotheses
- Conducted data analyses via SPSS PROCESS

TEACHING EXPERIENCE

Instructor of Record (August 2024 – Present)

Human Sexuality 3334, Sam Houston State University

- Instruct students on the study of human sexuality, covering topics such as sexual health, sexual dysfunction, sexuality education, and intimate relationships
- Create syllabus and course materials
- Grade assignments, exams, and projects
- Hold office hours for students' questions

Teaching Assistant (August 2022 – December 2022)

Theories of Personality 4203, Mississippi State University

Supervisors: Courtney Mason, M.S. & Hilary L. DeShong, PhD

- Graded papers and exams, helped create grading rubrics, quizzes, and exams
- Served as delegate for students' questions

Guest Lecturer (Fall 2022)

Theories of Personality 4203, Mississippi State University

Supervisors: Courtney Mason, M.S. & Hilary L. DeShong, PhD

- Two lectures on humanistic approaches to psychology
- One lecture on the person-situation debate

LEADERSHIP POSITIONS

Member at Large (March 2024 – Present)

Society for Personality Assessment Graduate Student Board

- Facilitate involvement and foster professional interactions for students within the Society for Personality Assessment (SPA)
- Promote and provide recognition for quality student assessment research
- Attend quarterly meetings with board to discuss yearly initiatives
- Coordinate and host symposia and roundtable discussions for submission to SPA yearly conventions

Head Committee Member (March 2024 – Present)

Diversity, Equity, Inclusion, and Social Justice Committee: Society for Personality Assessment Graduate Student Board

- Coordinate and host DEISJ related symposia and roundtable discussions for submission to SPA yearly conventions
- Highlight the work of underrepresented personality scientists
- Attend bi-yearly meetings to discuss student concerns and requests

PROFESSIONAL AFFILIATIONS

2022 – Present	Society for Personality Assessment (SPA), Student Affiliate
2022 – Present	Psi Chi Honor Society Member
2022 – 2023	Association for Psychological Science (APS), Student Member
2021 – 2022	Association for Behavioral & Cognitive Therapies (ABCT), Student Member

HONORS & AWARDS

Spring 2023	Mississippi State University Department of Psychology Travel Award (\$500)
Spring 2023	Shackouls Honors College HURP Travel Award (\$550)
Spring 2023	Mississippi State University Dean's List Member
Spring 2022	Shackouls Honors College HURP Travel Award (\$750)
Spring 2022	Mississippi State University Dean's List Member
Fall 2021	Mississippi State University President's List Member
Spring 2021	Mississippi State University President's List Member
Fall 2020	Mississippi State University President's List Member
Spring 2020	Mississippi State University Dean's List Member
2019 – 2023	Mississippi Non-Resident Tuition Scholarship (\$9,500 per year)
2019 – 2023	Alumni Non-Resident Tuition Scholarship (\$4,000 per year)
2019 – 2023	Freshman Academic Excellence Scholarship (\$3,000 per year)
2019 – 2023	Colvard Future Leader Scholarship (\$1,500 per year)

SKILLS & CERTIFICATIONS

Trauma Informed Child Advocacy Certification
 Mississippi State University LGBTQIA+ Safe Zone Ally Certification
 Mississippi State University Substance Use Recovery Ally Training Certification
 Collaborative Institutional Training Initiative (CITI) Training Certification
 Open Science Framework (OSF) study pre-registrations
 CloudResearch and Amazon Mechanical Turk (MTurk) recruitment platforms
 SONA Survey Systems
 Qualtrics
 SPSS & SPSS AMOS
