Username Lookup

Step 2 - Check your email

If your information is validated, a confirmation page appears and your username or password will be sent to your personal email address on file.

Username Request

An email with the requested username has been sent to your personal email address.

It may take up to a few minutes before you see it in your inbox. Follow the instructions within that email to reset your password.

If you do not see the email please check your Spam/Junk mail folder, and make sure you have the correct personal email address in [Self Service Banner](#). If you would like to send the email again please [click here](#).

Step 3 - Check your personal email

Open the email from LIT. Your username will be listed in the message. Use it to log in to your myLIT account. (If you need your password reset, repeat step 1 and click **Reset My Password** instead.)

Step 4 – Login to myLIT

Navigate to my.lit.edu to login. You will enter the username recovered in step 3, followed by "@my.lit.edu". Click Next and enter your password.
