Attention Test Candidates

SHSU Testing Center requires every candidate entering the Center to read the following and submit your acknowledgment during the admissions process:

I agree that it is my responsibility to self-isolate myself and reschedule my test if:

- I have been diagnosed with COVID-19
- I have been in close personal contact with someone who has a confirmed COVID-19 diagnosis
- I have traveled to or been in close contact with someone who recently traveled to any Affected Countries, Territory or Areas (as listed on the Center for Disease Control and Prevention website) within the last 14 days
- I have cold or flu-like symptoms, such as fever, chills, a cough, sore throat, or shortness of breath

By appearing to test, I certify that I do not meet any of the above criteria.

Hygiene etiquette involves practices that prevent the spread of illness and disease. Risking the health of others is a prohibited behavior. Prohibited behavior warrants possible dismissal of test candidates and the cancelation of their exam and scores.

I agree to:

- Abide by the sneeze/cough etiquette as outlined in the Cover Your Cough guidelines

If any of the above applies, you will not be allowed to test. Please contact your exam sponsor or the SHSU Testing Staff will further direct you. Thank you!
Stop the spread of germs that make you and others sick!
