Thanked Richard for compiling information for this report, she pointed out that page 5 was the most important, we received Unnotified Opinion, which is the highest score, page 23 General Fund listed amounts. Esser was a major fund this year. Budget page 35 was a little over budget but was in compliance. Richard explained he was out at a Dr. Apt and did not get the chance to see back page. Dr Coyne asked about instructional leadership page 35. This is overlap from Dr. Knox for Toney per Richard.

Financial Report reported by Richard Ray, page 2 Graphs for enrollment & Attendance. FSP-below (a little) because of attendance being lower. Discussed page 5-money spent and received, budget to finance and actual spending. Page 7-year to date actual budget. Compliance is at 17% to this date. Nothing to report on Federal Grants. Alicia asked about enrollment numbers 446 she thought it should be 468. Craig verified enrollment as of today is 468.
