The Superintendent's Corner

I'm so thrilled your family has chosen the SHSU Charter School for your child's social, emotional, and academic development! As many of you know, Accountability did not count for the 2021 school year, but if it did, our school would have been an A campus by TEA's Accountability rating tool! On average, our students outscored the state by 20 percentage points in every STAAR-tested subject and grade. We continue to build that same capacity in our students this year, and with your help and support, we will reach this goal again.

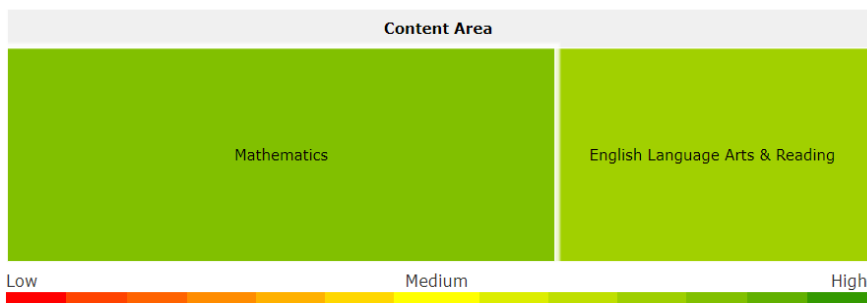

Dr. Ronny D. Knox

From Mrs. Hernandez, Interim Principal

As a fifth-year Charter School employee, I have been blessed to serve our students through music, robotics, special services (dyslexia, RTI, ESL, and GT) and assessment. I'm honored to serve our students and staff as Interim Principal during the search for a permanent candidate.

Here is how our district performed on the NW1 benchmark tests for students in 1st-6th grade:

Content Area	Keys	Documents	Passed	Passed (%)
Mathematics	6	346	281	81%
English Language Arts & Reading	5	199	145	73%
