*Please note* the college level Math and Math N0 sections displayed in the chart above are linked. This means in order for students to be able to register for their corequisite Math 1314, Math 1324, Math 1342, or Math 1384 classes, they will need to register for specific sections of Math 1314 and Math N014, Math 1324 and Math N024, Math 1342 and Math N042, or Math 1384 and Math N084 that are shown to be linked together in the table above. For example, Math 1314 section 80 is linked to Math N014 section 01.
