

1. PURPOSE

The purpose of this academic policy statement is to provide general guidelines for insurance fringe benefits and sick leave accrual for interim faculty members.

2. INSURANCE FRINGE BENEFITS

2.01 An appointee to the interim faculty at Sam Houston State University qualifies for insurance fringe benefits if he/she is considered to be a "regular employee" as defined in paragraph 2.02 below. Interim faculty members that qualify as regular employees and who are not employed during the summer months are entitled to an employer contribution of the State fringe benefit appropriation toward their summer insurance premiums when there is a reasonable expectation of re-employment. Faculty who resign or whose employment is permanently or indefinitely terminated are not entitled to this benefit.

2.02 Regular employees for the purpose of this policy are defined as those individuals employed for one-half or more of the standard workload for a definite period of four and one-half months, or more.

2.03 Prepaid summer insurance premiums for interim faculty, deducted for June, July, and August, will begin with the October 15th paycheck or first available check thereafter and be pro-rated for the duration of time from hire to the end of the spring semester.

3. SICK LEAVE ACCRUAL

Interim faculty members whose service with the University is continued, under these provisions, may also have their hours of unused sick leave accrued on or after September 1, 1982, carried forward to subsequent years of employment. (See Academic Policy Statement 800301, Faculty Leave Policy.)
