

## **Disabled Peace Officers Waiver**

This exemption is for peace officers who are permanently disabled as a result of an injury suffered in the line of duty. The exemption covers tuition and fees for up to 12 semesters or sessions, while enrolled in either undergraduate, graduate, or the doctoral program. The student has to obtain a letter from their administrative office stating they are disabled as a result of an injury suffered in the line of duty. Once the student obtains the letter and the student has registered for their first semester at SHSU, they need to take the letter to the Bursar's Office so that we can apply the waiver to the student's account. **Yet, after the student registers each semester, it is the student's responsibility to let the Bursar's Office know that he or she is registered and the waiver needs to be applied to his or her student account. The waiver WILL NOT be automatically applied to the student's account.**
