Pancho Ball

BUD{stayed within}GET

Lip Balm/Sunscreen Stick

Insect Repellent

Pedometer

“The promotional items have all been a **huge hit** so far. We feel like we were able to get a **nice mix of products** that fit our major and the responses from people that have received these items have been **very positive**. Jana and Meghan were also very helpful with the designs and helping us **maximize the quantity of each item**, while also **staying within our budget**.”

—Dr. Ryan Zapalac,
Department Chair, Kinesiology
