BACHELOR'S DEGREE IN ENTREPRENEURSHIP

The entrepreneurship program prepares you to own and operate a business, which presents many employment opportunities. Entrepreneurship majors are especially appealing to retail and service companies for acceptance into their management development programs.

As an entrepreneurship major, you can participate in the Collegiate Entrepreneurs' Organization and Business Plan and Elevator Pitch competitions, and you have the opportunity to start a student-run business.

REQUIREMENTS

To earn a Bachelor of Business Administration, students must achieve a 2.0 SHSU and cumulative GPA. All students majoring in entrepreneurship must take at least 50% of the required business curriculum in residence at SHSU. For entry into upper-level classes, students must first complete ACCT 2301, 2302, BANA 2372, ECON 2302, 2301, and MATH 1324 with a minimum GPA of 2.0.

Minor: A minor is not required to complete this program. However, should students want to pursue one, suggested minors include accounting, business communications, finance, management, and marketing.

SCHOLARSHIPS

Once accepted, students may apply for relevant scholarships by completing the Scholarships4Kats online application. Transfer scholarships are available for students who would like to continue their academic career at Sam Houston State University.

INTERNSHIPS

The SHSU Small Business Development Center has partnered with the entrepreneurship program to identify internship opportunities in Huntsville and the surrounding eight-county area served by the SBDC.
