A BACHELOR'S DEGREE IN *SPANISH*

Foreign language study enables communication across languages and cultures while opening doors to insights about those cultures and their diverse perspectives on life. Our Bachelor of Arts degree in Spanish offers activities designed to enhance linguistic and cultural experiences, while giving a competitive edge in today's job market of local, national, and international employers.

Our Department of Foreign Languages consists of a small group of involved faculty who work closely with students to reach advanced levels of listening, speaking, reading, and writing the Spanish language.

REQUIREMENTS

Students wishing to pursue a Bachelor of Arts in Spanish are required to take 36 hours of coursework in the field, including 22 hours of advanced coursework.

Foreign language majors seeking teacher certification must take at least one history or geography course about the country, or countries, whose language they are studying in order to promote interdisciplinary and international education.

Minors: There are several foreign language minors available, including French, German, Middle Eastern studies, and Spanish, as well as courses in other languages to fulfill the language requirement, including American Sign Language (SGNL). There are also additional single courses addressing topics like vikings (FOLG).

SCHOLARSHIPS

Students may apply for Department of Foreign Languages scholarships and non-degree specific scholarships by completing the Scholarships4Kats online application. Transfer scholarships are available for students who would like to continue their academic career at Sam Houston. SHSU provides a quality education at an affordable cost.

STUDYABROAD

SHSU has offered summer courses in countries like Costa Rica, France, Mexico, Qatar, Spain, and Switzerland. Consult with the Department of Foreign Languages as to availability by year.
