

# UNIV 1101 HONORS LEARNING COMMUNITY

It is recommended that you enroll in the UNIV 1101 Honors Learning Frameworks course with other Honor students. Together you will explore resources and strategies for early academic success and form an immediate connections.

**Register Today!**

Students receive academic and personal survival tools, are made aware of campus resources and services, get to know other students, and have fun. Students who enroll in the Honors UNIV 1101 courses and make an A or B are granted three hours of Honors College course credit
