

# UNIV 1101 FIRST-GEN LEARNING COMMUNITY

It is recommended that you enroll in the UNIV 1101 First-Gen Learning Frameworks course with other first-gen students. A student is considered first-generation if neither parent nor guardian earned a bachelor's degree in the United States. Together you will explore resources and strategies for early academic success and form an immediate connection to your college and the First-Gen Center.

You may alternately consider enrolling in a specialty section of UNIV 1101. Please see the chart below for First-Gen sections and other student interest sections for your consideration.
