

Employee Discount Program

Working for Sam Houston State University (SHSU) has its perks!

Sam Houston State University has partnered with Perks (Powered by PerksConnect) to provide SHSU employees, retirees and their families, with an employee discount program. The Perks program is a lifestyle product and service discount savings program enabling employees, retirees, and their families, to find great deals on items and services they need and use every day.

Perks users have access to:

- Local discounts
- National retailer discounts
- Discounted gift cards
- Daily deals and more...there are many ways to save.
