Sam Houston State University
Member of The Texas State University System
Office of Institutional Effectiveness

It is the mission of the Institutional Research function to collect, analyze, appraise, report and disseminate data on behalf of the University, its executive administration and its educational leaders for the purpose of promoting evidence-based reflection, planning, and action. The IE office provides information and conducts research studies to comply with federal, state and other reporting mandates, and to assess policy, programs and special initiatives. For more information about the Office of Institutional Effectiveness, please see <http://www.shsu.edu/dept/institutional-effectiveness/>

The data enclosed within this Fact Book is intended to provide information to the public concerning SHSU student enrollment. The source of the data is certified state reports submitted by SHSU Office of Institutional Effectiveness to the Texas Higher Education Coordinating Board (THECB). Due to rounding adjustments, some totals may vary slightly when compared to THECB reports. Students enrolled in 100% online courses, who do not have Texas residency nor a Texas address, are not considered reportable to the THECB and are not included in this data. Please see this website for more information: <http://www.txhighereddata.org/Interactive/Accountability/>

Total	17,236	17,527	18,461	19,210	19,573	20,031	20,477	100.00%

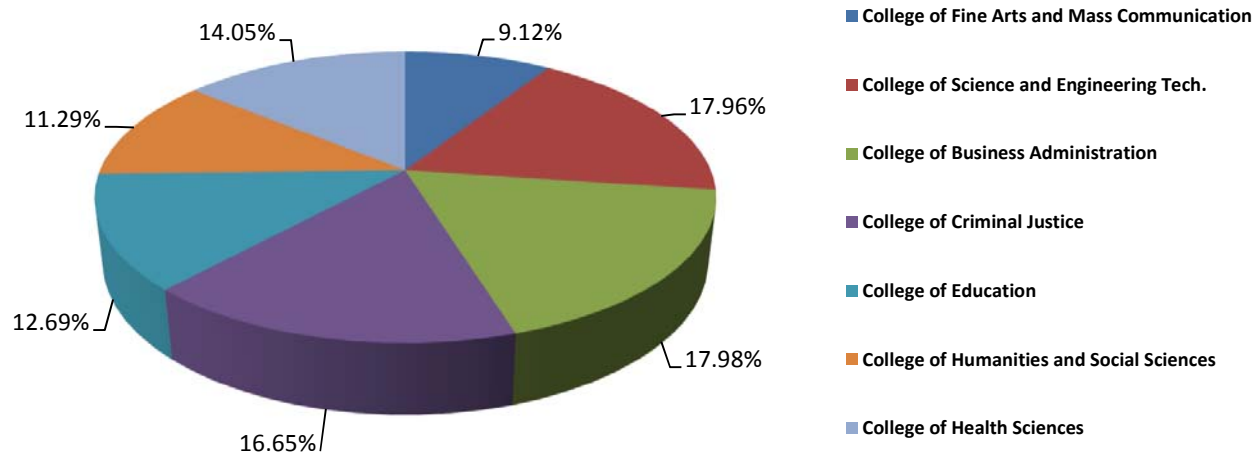

Notes: In F11, the number of coded undeclared majors temporarily increased as a result of a transition from a legacy database to the current Banner ERP.

In F13, the College of Health Sciences was created, reducing the enrollment for the College of Sciences and College of Education, respectively.

In F14, the Family & Consumer Sciences department moved from the College of Humanities and Social Sciences to the College of Health Sciences.

Note: In F16, the College of Sciences was renamed the College of Science and Engineering Technology
