

Sponsor's Financial Responsibility Form

*This form is necessary for proof of funding for an International Student's tuition at Sam Houston State University.

Financial Information

Estimates include tuition and fees for one academic year (exchange students do not pay SHSU's tuition & fees) and 12 months of living expenses. They do not include summer tuition. When computing your expenses, remember that you should not look to employment as a means of support unless an offer of an academic appointment (teaching or research assistantship) accompanies admission to a graduate department. Financial aid is generally not available to new international students, and financial assistance to continuing students is extremely limited.

International students enrolled at SHSU are required to have medical insurance. The annual health Insurance charge is \$1,614. The charge will be placed on the student's SHSU account. J-1 exchange visitors are required to have medical insurance but it is advisable for all dependents to also have medical insurance. To apply for a waiver if students qualify to use their own medical insurance from their home country, go to: <https://shsu.myahpcare.com/waiver>.
