

SAM HOUSTON STATE UNIVERSITY MILITARY SCIENCE ALUMNI CLUB

The Military Science Alumni Club (MSAC) has scheduled our next Annual event. We are holding a casual get together at the **SHSU UNIVERSITY CAMP** in Riverside on **Saturday 29 FEBRUARY 2020**. The Intent of this get together is for everyone to meet have a good meal and lots of comradery. A chance for people to reconnect with old friends and make new ones. The Camp grounds will open around noon on 29 Feb and the meal around 4:30 or 5:00 pm. We plan to have BBQ and all the trimmings. This is a **BYOB** function, so please remember you need to bring **CANS or PLASTIC. NO GLASS, Please.**

We are very fortunate to have the SHSU Alumni Association renting the Riverside Camp area for our event. The Camp area has bunk houses and the Alumni Association has paid for the first 25 people who wish to stay the night instead of driving home or who wish to stay on and visit more. There will be a \$30.00 per person charge for all those over the first 25. If you want to stay overnight please RSVP early. The bunk houses consist of 25 to 30 bunk beds each. Wives or significant others are encouraged to attend and more than welcome. There will be bunk houses for the guys and separate ones for the ladies. The only catch is that you will need to bring your own bedding and pillows or a sleeping bag as well as you own towels and toiletries. There will be a light breakfast in the morning.

For the purposes of how much food to buy and for the bunk houses will need to open **please RSVP by 10 February 2020**. This will allow us to ensure plenty of food is on hand and that we can accommodate all those who wish to stay overnight. If you google the SHSU University Camp you will get an overview of the facilities. The physical address of the area is: 2245 FM 980, Huntsville, Texas 77320.

Please come out and support what we hope to be a tremendous event. Please pass this information on to any others you may know, contacts and especially to your year group friends, LRs, CGs, Scabbard and Blade, and others groups. There will be opportunities for organizations and/or year groups to get together. The Camp is a very large facility and will provide an excellent venue for this event. BTW if you wish to fish or hike just bring your gear and fishing license. Remember this is a very casual get together so that everyone will be comfortable and enjoy themselves. **You can RSVP to the following by 10 Feb:**
