SHSU Alumni Association

Our motto "*The Measure of a Life is its Service*" exemplifies what we as Bearkat Alumni strive to be through:

Enhancing the student experience through scholarships

The association strives to enhance the student experience by providing meaningful involvement through our scholarship program, the Student Alumni Association, student awards, alumni mentoring, and leadership development. The Association gives over \$40,000 in scholarships annually.

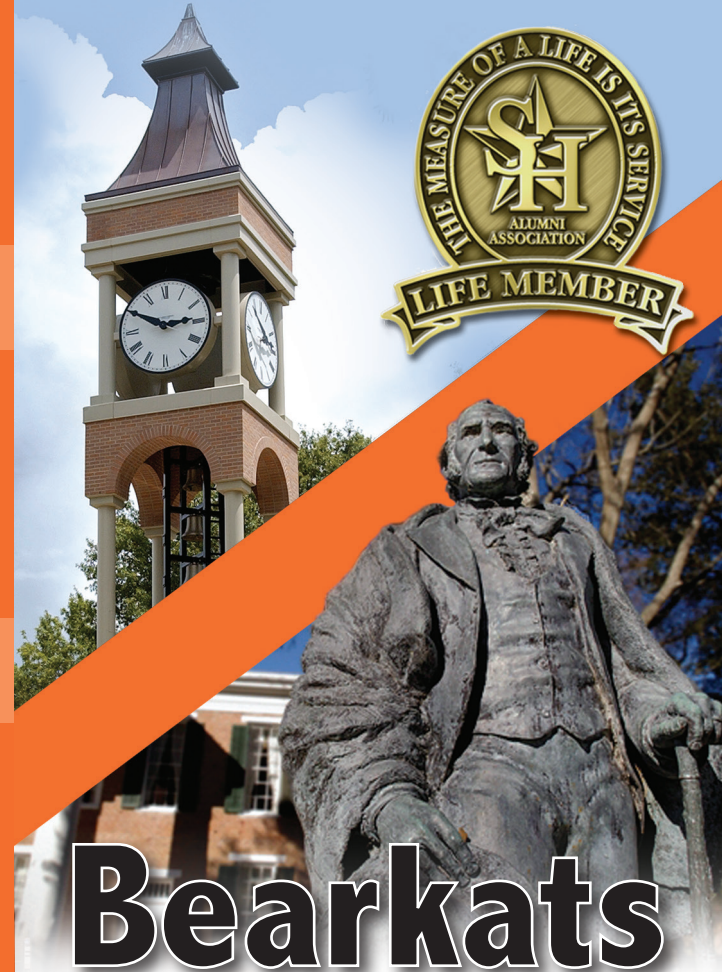

Keeping all alumni connected to SHSU through communication and involvement.

The Heritage magazine has been the magazine for Sam Houston since 2000, and Alumni receive the magazine semi-annually. Alumni members also receive the Kat Konnection Newsletter quarterly and monthly Sam eNews.

One of the most important things we as an alumni association do is provide meaningful involvement opportunities for alumni. Whether coming back to campus for a homecoming, participating in one of our many campus events, taking advantage of the career services program, or taking part in local chapter efforts, we strive to help every Bearkat find a way to stay involved and connected to their alma mater.

Providing a welcoming facility for all alumni, faculty, staff, students and the community.

The SHSU Alumni Association is housed in the John R. Ragsdale Visitor's and Alumni Center. The center was completed in 2006 and provides a beautiful and inviting setting for alumni returning to campus.

Bearkats FOR Life

What is a Life Member?

Life Members are the heart of the Alumni Association. Life Members provide leadership on University committees, assist in legislative advocacy, fund raise for scholarships, recruit new SHSU students, and pass on Bearkat traditions. Life Members represent the essence of our University Motto *"The measure of a Life is its Service."*

What is our Mission?

The Sam Houston State University Alumni Association is committed to supporting the heritage and future of our institution by serving the interests of alumni, current students, and friends of the university.
