

SAA Meeting Minutes 9/4/18

Introduction of Officers

Addressed how to contact us

- There is an email you can contact with any questions or concerns you have shsstudentalumniassociation@gmail.com

Justin Haynes- The Advisor of the student alumni association- go see him in his office, he is here for you

You can also contact us at our social media handles

Justin spoke about how he was previously involved in a lot of things before becoming involved in the student alumni. He then went to speak about how he is dedicated to the student alumni and he listed how he is very involved in the club.

If you want to talk to him email him or an e-board member to set up a meeting because he wants to meet everyone and talk with them. He wants to answer questions, that is why he is here. To make our college careers more interesting and to offer more opportunities to get involved.

Benefits of showing up to events is that is that Alumni members attend events. They like to talk to students and get to know them, and to help them obtain their goals. We are even thinking creating a mentor system to pair students up with Alumni that have degrees in or work in the field in which you study. Alumni members even come to meetings and speak. These people are often times important members of society. You want to network with alumni members because later down the road you will need recommendation letters and alumni members are perfect for that.

Let the e-board know of any improvements or things to add to the club

Scholarships are available to student alumni members, for several different majors. They are every semester scholarships.

Meetings will not be very long, maybe 30-45 minutes, so please come to as many meetings as you can. Also, please stay involved so that you will get the most of every meeting. Talk to each other and get to know each other. Please come when we have speakers, it will benefit you because sometimes they offer scholarships.

Focus on your grades, but try to stay involved and let us know what you want to do and we will do our best to make it happen.
