Strategic Plan Model

VISION

We are committed to educational excellence that facilitates social mobility.

Sustain and grow the reputation of the institution as a leader of high quality academic programs with state-of-the-art support systems and a nurturing academic culture accessible to all qualified students.

MISSION

Supporting Strategy:

Academic Excellence

Ensure high quality undergraduate, graduate, & professional education through innovative methods of instruction, continuous program improvements, and promotion of research at the undergraduate and graduate levels.

Operational Efficiencies

Create operational efficiencies through data informed decision-making.

Innovative Support Systems

Be an innovative leader by developing programs that attract and retain diverse groups of faculty, staff and administrators who are equipped to solve challenges of a diverse and changing world.

Academic Collaboration

Cultivate a collaborative educational and learning environment that values engagement, relationship building, and respect for diverse perspectives.

Student Success

Be recognized as an industry leader in student success by providing resources with timely degree completion with a focus on unrepresented groups and achievement in upward social mobility.
