BACCALAUREATE GRADUATION WITH SPECIAL RECOGNITION

To reflect their achievement, graduates who have earned undergraduate academic excellence receive a gold cord at graduation plus an appropriate notation on their academic transcript. The gold cord indicates one of the following academic achievements: Summa Cum Laude, Magna Cum Laude, Cum Laude, With Academic Distinction, Alpha Chi, and Honors Program.

Degrees conferred Cum Laude, Magna Cum Laude, and Summa Cum Laude reflect an outstanding grade point average with a minimum of thirty-two semester hours earned in residence (resident classroom instruction). The distinction and corresponding grade point averages are: Cum Laude 3.50 - 3.66; Magna Cum Laude 3.67 - 3.85; Summa Cum Laude 3.86 - 4.00.

The Department Academic Distinction Program is an individualized learning experience that provides qualified students with a comprehensive introduction to meaningful research under the guidance of a designated faculty advisor.

Alpha Chi, a national honor society organized to recognize and promote scholastic excellence, is open to all University

seniors who accepted membership and have achieved a 3.6 or higher grade point average on all college-level course work.

Participation in the Honors College is based on a competitive selection process and provides outstanding academic opportunities and distinct undergraduate college experiences. Upon successful completion of the requirements of the Honors College — twenty-four semester hours of Honors courses and two special seminars — the student's academic transcript will indicate graduation "With Honors" and the student may wear an Honors medallion with academic regalia. To be designated as having graduated "With Highest Honors," the student must also successfully complete a special senior project involving original research and/or an effort of creative expression.

NOTE: Semester credit hours earned in correspondence courses are not considered "resident classroom instruction" hours and are not used in determining the minimum semester credit hour requirement for academic honors: Cum Laude, Magna Cum Laude, Summa Cum Laude, Dean's List, and President's Honor Roll. However, the semester credit hours and grade points earned for correspondence courses are included in the calculation of the overall grade point average.

ACADEMIC REGALIA

The academic costume worn at official functions today originated in the Middle Ages, when a warm gown and hood were useful to university scholars and clerics in unheated buildings. Through the years, the growth in the number of universities caused confusion about the proper regalia so a Code on Academic Costume was established. Today, The American Council on Education reviews and updates these traditions.

The four-sided mortarboard is recommended for both men and women. The cap is always black and should match the material of the robe.

Gowns are generally black. The bachelor's gown is simple, with long pointed sleeves. The master's gown will have either long sleeves with narrow wrist opening or long sleeves with the hand emerging from the sleeve at elbow length. The doctor's gown is fullest in cut with velvet panels down the front and around the neck, as well as three velvet bars on the bell-shaped sleeves.

Length of the hood represents degree level: the master's hood is three and one-half feet long and the doctor's hood is four feet long. The velvet trim on the edge of the hood is three inches wide for the master's degree and five inches wide for the doctor's degree. The color indicates the field of study. A color or pattern between the trim indicates the university awarding the degree.

HOOD TRIM COLORS INDICATE THE FOLLOWING FIELDS:

UNIVERSITY MACE

The University Mace is symbolic of the authority of the Board of Regents, The Texas State University System, and the Office of the President of Sam Houston State University. The senior tenured faculty member carries it during academic convocations. It was first used at summer commencement on August 20, 1988.

The mace was designed and hand crafted by the late Charles R. Jedlicka, Associate Professor of Industrial Technology. The crown is a circular casting bearing the name of the University and date of establishment, 1879. The circle features the lone star, the state emblem, in the center. Names of past University presidents with their dates of service are engraved on the brass collar below the crown.

The walnut staff is bound in brass and has a hexagonal head with inlays of pecan for the state tree, recessed brass medallions cast with designs for General Sam Houston, Austin Hall, Old Main, Bearkats, and the completion date of the mace. The holder base or stall is six-sided to match the mace head.

COLLEGE OF CRIMINAL JUSTICE

DR. PHILLIP M. LYONS JR., DEAN

The scale represents the spirit of the Latin proverb, Jus est ars boni et aequi, Justice the art of the good and fair. The oak bough with 16 leaves symbolizes strength, while the olive branch with 20 leaves represents peace. The number of leaves recalls the year, 1620, when the pilgrims signed the Mayflower Compact, the first American political document, whose purpose was to preserve order by means of the principle of rule of law.

Congratulations on this important milestone. If credit for this accomplishment is shared in some way by your parents, spouse, significant other, or children—as so often is the case—congratulations are extended to them as well. As suggested by the term, “commencement,” you are now about to go forth in the world and begin the next chapter of your life’s journey. Equipped with knowledge from your chosen field in criminal justice and your critical thinking skills, you are prepared to chart your own course as 100,000 Sam Houston State University alumni before you have done.

You are undertaking that journey at a truly remarkable time. Buckminster Fuller determined that, in the early 1900s, human knowledge doubled every 25 years. Now it doubles every 13 months. Many of the textbooks you purchased when you started your program are already out of date. The earth beneath our feet is spinning at 1,000 miles per hour, but gravity allows us to keep up without effort. The same cannot be said of our understanding of the world and the people who inhabit it. You should commit yourself to becoming a life-long learner. To that end, I hope the College of Criminal Justice will remain an important part of your life.

On behalf of the other faculty and staff of the College of Criminal Justice, I wish you happiness and success in what lies ahead. We will always consider you to be one of ours and hope you will always consider us to be yours.

Dr. Phillip M. Lyons Jr., Dean

COLLEGE OF EDUCATION

DR. STACEY L. EDMONSON, DEAN

The open book and the lamp of knowledge represent the departments, which embody the value of literacy and education. The yellow represents Library Science. The royal blue at the bottom represents the PhD degree. The light blue at the top signifies the EdD degree, and is the hood color for education in general.

On behalf of the College of Education, it is my pleasure to congratulate you on your graduation. You have achieved a great milestone, and we applaud you for this accomplishment. We recognize the hard work, commitment, and discipline that you have put forward in order to reach this point. We also want to thank the parents, friends, and other special people in your life who contributed to this accomplishment.

As you pursue your career in the field of education, know that you have chosen one of the most important, impactful professions our country has to offer. We commend you on this choice and know that you will have a positive influence on the future of our nation, our communities, and our children. As an educator you will face a variety of challenges. You will also possess limitless opportunities to truly touch the future and to make a difference. Our hope for you as you graduate from the College of Education is that you always dare greatly, that you move forward after your graduation celebrations today and begin a career marked by caring, service, and integrity.

We challenge you to embrace this responsibility and use the tools and skills you have developed at Sam Houston State University to give of yourself in the greatest way possible. Be the type of educator that, when the next generation of students is asked who made a lasting difference in their lives, the person they think of is you. The opportunity is yours, and we know you are ready.

Enjoy the journey!

COLLEGE OF FINE ARTS AND MASS COMMUNICATION

DR. RONALD E. SHIELDS, DEAN

The hands hold and present the flame of human creativity. The blue radiant circle represents the dissemination of creative endeavor to the world at large. In these images the important meaning-making functions of the Fine Arts — Visual Art, Music, Theatre and Dance — are merged with the many modes of communication that are studied and practiced in the field of mass communication.

On behalf of the College of Fine Arts and Mass Communication, I offer a hearty congratulations on your accomplishments as a new graduate of Sam Houston State University. As graduates you have practiced and sharpened your intellect and expanded your understandings of the arts or media in a global context. You are ready for your future and we challenge you to find and live your passions.

This graduation ceremony, marks a clear transition in your life as you continue your journey towards your life goals—every ending becomes a beginning. We urge you to take time today to pause and send thanks to your supportive family and friends, faculty and staff, those individuals who “went the extra mile” to help you balance your student workload and life responsibilities.

Robert Frost reminds us that life teaches a hard lesson: We have to “learn to let go of the hands” as we move from one stage of life to the next. This graduation marks one of these times of letting go. Fortunately, the poet also reminds us that we are never forced to “let go of the heart” as we journey forward through life. With this sentiment, I urge you to keep in touch. Let us know what life brings as you explore your future and don’t be afraid of new beginnings and challenges.

Remember you will always have a home at Sam Houston State University and within the classrooms and stages, rehearsal rooms, production shops, and media studios of the College of Fine Arts and Mass Communication.

A handwritten signature in black ink that reads "Ronald E. Shields".

Dr. Ronald E. Shields, Dean

COLLEGE OF HEALTH SCIENCES

DR. RODNEY C. RUNYAN, DEAN

The simple shape represents a water droplet or the flicker of a flame. When duplicated, the droplet becomes a lotus flower bud symbolizing long life and purity, while growth is demonstrated by the progression from small to large. The final mark demonstrates the connection of organic and inorganic, moving beyond natural, suggesting science, digital and data. These are all direct representations of our mission.

On behalf of the College of Health Sciences, I wish to congratulate you for this achievement and significant milestone in your academic life. Whether undergraduate or graduate degree, commencement signals the completion of a formal education. The faculty and staff are confident the knowledge, skills, habits, and attitudes refined and acquired during your time here provide a foundation to embark on a successful career or further graduate education.

The demand for health sciences' professionals increases across our local, state and global communities. You are entrusted with promoting health, well-being, and sustainability to an increasingly diverse population. Your responsibilities are great, but you are ready!

With commencement you join the thousands of Bearkats who came before you, leaving their marks on society. The value of your education from Sam Houston State University is measured not by the degree earned, but how you leverage that degree to positively impact our world. We wish you health and success, and hope you come back to visit us in the near future!

COLLEGE OF HUMANITIES AND SOCIAL SCIENCES

DR. ABBEY ZINK, DEAN

The quill connotes the importance of creative endeavors while the ruler along the rooftops illustrates a concern with the scientific method. The arched lines represent communication and its wide-reaching effects, hovering over the home, which emphasizes the importance of human bonds and of the family's formative role for the individual. Overlooking all of the other symbols are four face profiles representing the celebration of the diversity that strengthens each of the disciplines within the college.

Congratulations! Today is the beginning of the next exciting chapter of your life. The faculty, staff, students, and administration of the College of Humanities and Social Sciences are proud of you and your accomplishments.

Great success in life rarely is a solo effort. Rather, success most often is the culmination of hard work, perseverance, and a strong support network. As we mark your accomplishments, we also want to recognize your family and friends whose encouragement made the difference along the way.

The academic degree that you earn today will carry you into the future. As you chart the way forward, we urge you to keep the university's motto in mind: "The Measure of a Life is its Service."

Again, congratulations! We're honored to have been your academic home at Sam Houston State University and wish you the best with your future endeavors.

We look forward to staying in touch in the coming years.

OFFICE OF ALUMNI RELATIONS

The Alumni Association is your Bearkat connection and exists to serve and sustain the Sam Houston State University alumni network. The ability to connect with your alumni network is your most valuable SHSU asset—right up there with your degree. Ultimately, a strong alumni network enhances the value of your SHSU degree. With more than 125,000 living alumni, the best way to stay connected and show your Bearkat pride is to join the alumni association.

One of the primary benefits of membership is knowing that you are making a difference in the lives of students, faculty, and staff here at Sam Houston State University.

Advantages of Alumni Association membership:

- Invitation to special events
- Alumni publications
- Alumni discounts (check alumni.shsu.edu for discount listings)
- Alumni networking
- Monthly Sam e-newsletter
- Regional Alumni Clubs and Special Interest groups

Serving the best interest of our members is a top priority, and it is our hope that you find your membership worthy of continuing for years to come. Whether you become a life member at the new graduate rate of \$500 (50% off) or choose to renew your membership each year, you are important to the Alumni Association and the university. We need your continued support each year to ensure SHSU remains an outstanding public university.

To contact the SHSU Alumni Association, call 800-283-7478. Or visit us online at alumni.shsu.edu.
