SAM HOUSTON STATE UNIVERSITY ALMA MATER

Hail to Sam Houston,
School we love best,
Mighty in battle,
True to the test.
Bearkats so loyal,
Ever we'll be.
Orange and white will lead
Us to victory!

Hail, Alma Mater
Hats off to you,
Ever you'll find us
Loyal and true;
Firm and undaunted,
Ever we'll be,
Here's to the school we love
Here's a toast to thee.

First verse sung at August 9, 2003 commencement by composer Allen R. Hightower III. Second verse, Anonymous.
Dear Graduate,

On behalf of Sam Houston State University faculty, administration and staff, I want to extend our heartfelt congratulations on your well-deserved recognition for your achievements.

Graduation marks a significant milestone in your life and a new beginning. For many, it is a pivotal point, a transition to greater responsibilities. For others, it represents another chapter in the pursuit of knowledge and lifelong learning. For all, graduation is the culmination of effort, a validation of your determination and resiliency.

The significance of such a moment should not be underestimated, as every student’s journey is marked by trials and challenges. For the class of 2020, you faced an unprecedented test, one that likely shattered pre-conceived expectations and affected your perception of the future. Each of you shouldered this burden of uncertainty with an inner strength that is inspiring to us all.

While we celebrate your accomplishment, we also want to recognize those who shared in your journey. Academic and personal achievement are not singular endeavors – a constellation of family, friends, mentors, and members of the SHSU community helped bring you to this moment. So, let this auspicious day be a time of unity, one that lifts us all in collective celebration.

Sincerely,

Dr. Dana G. Hoyt

For over 50 years, General Colin L. Powell, USA (Ret.) has devoted his life to public service. Having held senior military and diplomatic positions across four presidential administrations, Powell’s deep commitment to democratic values and freedom has been felt throughout the world.

The son of Jamaican immigrants, Powell was born in Harlem in April 1937 and was raised in the South Bronx. He was educated in the New York City public schools and attended the City College of New York where he earned a Bachelor of Science degree in Geology. It was not until he joined the Army ROTC program at CCNY that he discovered his calling and launched his military career. He received a commission as an Army second lieutenant upon graduation in 1958 and went on to serve in the United States Army for 35 years, rising to the rank of Four-Star General.

From 1987–1989 Powell served as President Ronald Reagan’s National Security Advisor. He served from 1989–1993 as chairman of the Joint Chiefs of Staff for both President George H.W. Bush and for President Bill Clinton, and was not only the youngest officer and first ROTC graduate to ever serve in the position, but also was the first African American to do so. During his time as chairman, he oversaw 28 crises to include the Panama intervention of 1989 and Operation Desert Storm in the victorious 1991 Persian Gulf War.

Under President George W. Bush, Powell was appointed the 65th Secretary of State and was unanimously confirmed by the U.S. Senate. As Secretary of State, he led the State Department in major efforts to address and solve regional and civil conflicts. He used the power of diplomacy to build trust, forge alliances and then help transform these unstable regions into areas where societies and cultures have the potential to prosper.

He also worked at the forefront of American efforts to advance economic and social development worldwide.

Among the many U.S. Military awards and decorations Powell has received are the Defense Distinguished Service Medal, the Army Distinguished Service Medal, Defense Superior Service Medal, Legion of Merit, Soldier’s Medal, Bronze Star Medal and the Purple Heart. His civil awards include two Presidential Medals of Freedom, the President’s Citizens Medal, the Congressional Gold Medal and the Secretary of Energy Distinguished Service Medal. In addition, he has received awards from over two-dozen countries to include a French Legion of Honor and an honorary knighthood bestowed by Her Majesty Queen Elizabeth II.

Powell is the chair of the Board of Visitors of the Colin Powell School for Civic and Global Leadership at his alma mater, the City College of New York (CCNY), which was inaugurated in May 2013. He also has nine elementary and middle schools named after him. He is the Founder and Chairman Emeritus of the America’s Promise Alliance, dedicated to forging a strong and effective partnership alliance committed to seeing that children have the fundamental resources they need to succeed.

Powell is a strategic advisor to Kleiner Perkins Caufield & Byers, the renowned Silicon Valley venture capital firm. He serves on the Board of Directors of Bloom Energy, an alternative energy company that provides unique on-site power generation systems utilizing an innovative new fuel cell technology. In March 2014, he joined the Board of Directors of Salesforce.com, the world’s largest provider of Cloud-based customer relationship management software.

He was previously on the boards of AOL, Gulfstream, Howard University, the United Negro College Fund, and the Boys and Girls Clubs of America.

Powell serves on the Museum Council of the Smithsonian National Museum of African American History and Culture, and is a member of the Council on Foreign Relations.

His autobiography, My American Journey, was a New York Times best seller and has been published in more than a dozen different languages. Powell’s second book, It Worked for Me: In Life & Leadership (May 2012), was an instant New York Times best seller as well and reveals the lessons that shaped his life and career.

Powell is married to the former Alma Vivian Johnson of Birmingham, Alabama. They live in McLean, Virginia and have three children and four grandchildren.

BACCALAUREATE GRADUATION WITH SPECIAL RECOGNITION

To reflect their achievement, graduates who have earned undergraduate academic excellence receive a gold cord at graduation plus an appropriate notation on their academic transcript. The gold cord indicates one of the following academic achievements: Summa Cum Laude, Magna Cum Laude, Cum Laude, With Academic Distinction, Alpha Chi, and Honors Program.

Degrees conferred Cum Laude, Magna Cum Laude, and Summa Cum Laude reflect an outstanding grade point average with a minimum of 32 semester hours earned in residence (resident classroom instruction). The distinction and corresponding grade point averages are: Cum Laude 3.50 – 3.66, Magna Cum Laude 3.67 – 3.85, Summa Cum Laude 3.86 – 4.00.

The Department Academic Distinction Program is an individualized learning experience that provides qualified students with a comprehensive introduction to meaningful research under the guidance of a designated faculty advisor.

Alpha Chi, a national honor society organized to recognize and promote scholastic excellence, is open to all university seniors who accepted membership and have achieved a 3.6 or higher grade point average on all college-level course work.

Robert Frost reminds us that life teaches a hard lesson: We have to “learn to let go of the hands” as we move from one stage of life to the next. This graduation marks one of these times of letting go. Fortunately, the poet also reminds us that we are never forced to “let go of the heart” as we journey forward through life. With this sentiment, I urge you to keep in touch. Let us know what life brings as you explore your future and don’t be afraid of new beginnings and challenges.

Remember you will always have a home at Sam Houston State University and within the classrooms and stages, rehearsal rooms, production shops, and media studios of the College of Arts and Media.

The academic costume worn at official functions today originated in the Middle Ages, when a warm gown and hood were useful to university scholars and clerics in unheated buildings. Through the years, the growth in the number of universities caused confusion about the proper regalia so a Code on Academic Costume was established. Today, The American Council on Education reviews and updates these traditions.

The four-sided mortarboard is recommended for both men and women. The cap is always black and should match the material of the robe.

Gowns are generally black. The bachelor’s gown is simple, with long pointed sleeves. The master’s gown will have either long sleeves with narrow wrist opening or long sleeves with the hand emerging from the sleeve at elbow length. The doctor’s gown is fullest in cut with velvet panels down the front and around the neck, as well as three velvet bars on the bell-shaped sleeves.

Length of the hood represents degree level: the master’s hood is three and one-half feet long and the doctor’s hood is four feet long. The velvet trim on the edge of the hood is three inches wide for the master’s degree and five inches wide for the doctor’s degree. The color of the hood were useful to university scholars and clerics in unheated buildings. A color or pattern between the trim indicates the university awarding the degree.

HOOD TRIM COLORS INDICATE THE FOLLOWING FIELDS:

- MAIZE - AGRICULTURE
- WHITE - ARTS, LETTERS, HUMANITIES
- DRAB - COMMERCE, ACCOUNTING, BUSINESS
- LILAC - DENTISTRY
- COPPER - ECONOMICS
- LIGHT BLUE - EDUCATION
- ORANGE - ENGINEERING
- BURGUNDY - FAMILY AND CONSUMER SCIENCES

The scale represents the spirit of the Latin proverb, Jus est ars boni et aequi, Justice the art of the good and fair. The oak bough with 16 leaves symbolizes strength, while the olive branch with 20 leaves represents peace. The number of leaves recalls the year, 1620, when the pilgrims signed the Mayflower Compact, the first American political document, whose purpose was to preserve order by means of the principle of rule of law.

On behalf of the College of Health Sciences, I wish to congratulate you for this achievement and significant milestone in your academic life. Whether undergraduate or graduate degree, commencement signals the completion of a formal education. The faculty and staff are confident you are entrusted with promoting health, well-being, and sustainability to an increasingly diverse population. Your responsibilities are great, but you are ready!

With commencement you join the thousands of Bearkats who came before you, leaving their marks on society. The value of your education from Sam Houston State University is measured not by the degree earned, but how you leverage that degree to positively impact our world. We wish you health and success, and hope you come back to visit us in the near future!

The University Mace is symbolic of the authority of the Board of Regents, The Texas State University System, and the Office of the President of Sam Houston State University. The senior tenured faculty member carries it during academic convocations. It was first used at summer commencement on August 20, 1988.

The mace was designed and hand crafted by the late Charles R. Jedlicka, Associate Professor of Industrial Technology. The crown is a circular casting bearing the name of the University and date of establishment, 1879. The circle features the lone star, the state emblem, in the center. Names of past University presidents who have held the mace during academic convocations are engraved on the brass collar below the crown.

The walnut staff is bound in brass and has a hexagonal head with inlays of pecan for the state tree, recessed brass medallions cast with designs for General Sam Houston, Austin Hall, Old Main, Bearkats, and the completion date of the mace. The holder base or stall is six-sided to match the mace head.
Dr. Abbey Zink, Dean

Congratulations! Today is the beginning of the next exciting chapter of your life. The faculty, staff, students, and administration of the College of Humanities and Social Sciences are proud of you and your accomplishments.

Great success in life rarely is a solo effort. Rather, success most often is the culmination of hard work, perseverance, and a strong support network. As we mark your accomplishments, we also want to recognize your family and friends whose encouragement made the difference along the way.

The academic degree that you earn today will carry you into the future. As you chart the way forward, we urge you to keep the university’s motto in mind: “The Measure of a Life is its Service.”

Again, congratulations! We’re honored to have welcomed your academic home at Sam Houston State University and wish you the best with your future endeavors.

We look forward to staying in touch in the coming years.
