SAM HOUSTON STATE UNIVERSITY ALMA MATER

Hail to Sam Houston,
School we love best,
Mighty in battle,
True to the test.
Bearkats so loyal,
Ever we’ll be.
Orange and white will lead
Us to victory!

Chorus:
For auld lang syne, my dear,
For auld lang syne,
We’ll tak’ a cup o’ kindness yet,
For auld lang syne.
And here’s a hand, my trusty frien’,
And gin’ a hand o’ thine,
We’ll tak’ a cup o’ kindness yet,
For auld lang syne.

First verse sung at August 9, 2003 commencement by composer Allen R. Hightower III. Second verse, Anonymous.

Should auld acquaintance be forgot,
And never bro’t to mind?
Should auld acquaintance be forgot,
And days of auld lang syne?

Chorus:
For auld lang syne, my dear,
For auld lang syne,
We’ll tak’ a cup o’ kindness yet,
For auld lang syne.

Robert Burns

Hail, Alma Mater
Hats off to you,
Ever you’ll find us
Loyal and true,
Firm and unbounded,
Ever we’ll be,
Here’s to the school we love
Here’s a toast to thee.
Jamey Rootes has been the leader with the Houston Texans for nearly two decades and currently serves as president. The Texans have consistently been recognized as one of the most valuable professional sports franchises both in the NFL and globally, as measured by a variety of business publications.

Under his leadership, the Texans have earned many distinctions, including numerous “Crystal Awards” for marketing excellence. J.D. Power & Associates recognized the team for providing the best fan experience in the NFL and even featured the Texans as a success story in their book Satisfaction. The Texans also received Sports Business Journal’s PRISM Award, which is given annually to the top major professional sports team based on business excellence criteria.

For his efforts, Rootes was selected as Houston Business Journal’s Business Person of the Year in 2016, after serving as the chairman of the Greater Houston Partnership, deputy chairman and vice chairman for two public boards for the Super Bowl Host Committee, and elevating Houston’s visibility on an international scale. He was instrumental in bringing one of the largest soccer tournaments, Copa America, to Houston as well as landing Monday Night Football in Mexico for the first time in NFL history.

A native of Stone Mountain, Georgia, Rootes graduated Cum Laude from Clemson University’s C.H. Johnson Honors College. While attending Clemson, Rootes was a member of the Tigers’ soccer team that captured two NCAA titles and he served as Student Body President. While earning a Master of Business Administration with honors at Indiana University, he served as an assistant soccer coach for the Hoosiers. Rootes previously held positions at IBM and Procter & Gamble before entering sports. He lives in West University with his wife and their children.

Randy McIlvoy is a four-time Emmy Award winner for top sportscaster in Texas and has been nominated seven additional times. He joined KFRC 2 in Houston as Sports Director and anchor in 2004.

A native Houstonian, Randy graduated from Bellaire High School and then went on to Sam Houston State University, where he received a Bachelor of Science degree in 1989. His television career began with stops in Port Arthur, Beaumont, and Dallas before arriving at KFRC.

In his current role as Sports Director/Sports Anchor, he appears nightly on KFRC 2 Sports, along with Sports Sunday each Sunday night. Every fall, Randy hosts Houston Texans Gameday with Head Coach Bill O’Brien and serves as host of the popular Friday Football Frenzy. He stays busy with coverage of the Houston Texans, Houston Rockets, and 2017 World Series Champion Houston Astros along with the Dynamo and college teams in the region.

Randy also serves as the voice of the Southland Conference along with play-by-play work on the ESPN family of networks, Fox Sports Net and others.

Randy and his wife have been married 29 years and have two daughters. Together he and his wife founded Logos Prep Academy in Sugar Land in 2006, where she is head of school. In his free time, he is an avid golfer and saltwater fisherman and loves to travel.
To reflect their achievement, graduates who have earned a competitive undergraduate academic excellence receive a gold cord at graduation plus an appropriate notation on their academic transcript. The gold cord indicates one of the following academic achievements: Summa Cum Laude, Magna Cum Laude, Com Laude, With Academic Distinction, Alpha Chi, and Honors Program.

Degrees conferred Cum Laude, Magna Cum Laude, and Summa Cum Laude reflect an outstanding grade point average with a minimum of 32 semester hours earned in residence (resident classroom instruction). The distinction and corresponding grade point averages are: Cum Laude 3.50 - 3.66, Magna Cum Laude 3.67 - 3.85, Summa Cum Laude 3.86 - 4.00.

The Department Academic Distinction Program is an individualized learning experience that provides qualified students with a comprehensive introduction to meaningful research under the guidance of a designated faculty advisor. Alpha Chi, a national honor society organized to recognize and promote scholastic excellence, is open to all university seniors who accepted membership and have achieved a 3.6 or higher grade point average. Participation in the Honors College is based on a competitive undergraduate process and provides outstanding academic opportunities and distinct undergraduate college experiences. Upon successful completion of the requirements of the Honors College — 24 semester hours of Honors courses and two special seminars — the student's academic transcript will indicate with Honors designation and the student may wear an Honors medallion with academic regalia. To be designated as having graduated with Honors, the student must also successfully complete a special senior project involving original research and/or an effort of creative expression.

NOTE: Semester credit hours earned in correspondence courses are not considered “resident classroom instruction” hours and are not used in determining the minimum semester credit hour requirement for academic honors: Cum Laude, Magna Cum Laude, Summa Cum Laude, Dean’s List, and President’s Honor Roll. However, the semester credit hours earned for correspondence courses are included in the calculation of the overall grade point average.

NUMERALS DENOTE ACADEMIC HONORS AS OF THE 12TH CLASS DAY OF SPRING 2019
1 = Cum Laude 4 = with Honors/College
2 = Magna Cum Laude 5 = with Highest Honors/Honors/College
3 = Summa Cum Laude 6 = with Academic Distinction in an Academic Discipline

VETERANS AND MILITARY MEMBERS
Sam Houston State University is proud to recognize graduating Veterans and military members with a specially designed veterans stole. The orange stole features camouflage tip-bearing the USO logo on the right and the American flag on the left.

Veteran designation is on the left. On behalf of the entire Sam Houston State University community, President D. G. Hoft and the SHSU Administration Officers extend their deepest gratitude and congratulations to these distinguished graduates.

The hands hold and present the flame of human creativity. The blue radiator circle represents the dissemination of creative endeavor to the world at large. In these images the important making—meaning functions of the Fine Arts — Visual Art, Music, Theatre, and Dance — are merged with the many modes of communication that are studied and practiced in the field of mass communication.

The simple shape represents a water droplet or the flicker of a flame. When duplicated, the droplet becomes a lotus flower bud symbolizing long life and purity, while growth is demonstrated by the progression from small to large. The final mark demonstrates the connection of organic and inorganic, moving beyond natural, suggesting science, digital and data. These are all direct representations of our mission.

DR. RODNEY C. RUNYAN, DEAN

On behalf of the College of Health Sciences, I wish to congratulate you for this achievement and significant milestone in your academic life. Whether undergraduate or graduate degree, commencement signals the completion of a formal education. The faculty and staff are confident the knowledge, skills, habits, and attitudes refined and acquired during your time here provide a foundation to embark on a successful career or further graduate education.

The demand for health sciences’ professionals increases across our local, state, and global communities. You are entrusted with promoting health, well-being, and sustainability to an increasingly diverse population. Your responsibilities are great, but you are ready!

With commencement you join the thousands of Bearkats who came before you, leaving their marks on society. The value of your education from Sam Houston State University is measured not by the degree earned, but how you leverage that degree to positively impact our world. We wish you health and success, and hope you come back to visit us in the near future!

SAM HOUSTON STATE UNIVERSITY COMMENCEMENT SPRING 2019
Congressional testimonial: Today is the beginning of the next exciting chapter of your life. The faculty, staff, students, and administration of the College of Humanities and Social Sciences are proud of you and your accomplishments.

Great success in life rarely is a solo effort. Rather, success most often is the culmination of hard work, perseverance, and a strong support network. As we mark your accomplishments, we also want to recognize your family and friends whose encouragement made the difference along the way.

The academic degree that you earn today will carry you into the future. As you chart the way forward, we urge you to keep the university’s motto in mind: “The Measure of a Life is its Service.”

Again, congratulations! We’re honored to have you as a member of the Sam Houston family. We look forward to staying in touch in the coming years.

Dr. Abbey Zink, Dean

With more than 130,000 living alumni, the best way to stay connected and show your Bearkat pride is to join the alumni association.

Download the new SHSU KatApp in the Apple store or Google Play store to manage your alumni association membership and enjoy member only discounts nationwide. Advantages of Alumni Association membership:

- Invitation to special events
- Alumni publications
- Alumni networking
- Monthly Sam e-newsletter
- Alumni discounts (check alumni.shsu.edu for discount listings)
- Regional Alumni Clubs and Special Interest groups

Serving the best interest of our members is a top priority, and it is our hope that you find your membership worthy of continuing for years to come. Whether you become a life member at the new graduate rate of $500 (50% off) or choose to renew your membership each year, you are important to the Alumni Association and the university. We need your continued support each year to ensure SHSU remains an outstanding public university.
