WAITLISTING – How-To Guide for Students

General Guidelines

- Waitlisting is first-come, first-served.
- Waitlisting is only available during the spring and fall semesters.
- Waitlisting is available up to the last day to add a class on MySam.
- Waitlisting does not guarantee a seat in the class.
- Waitlisting holds a spot in line should a seat become available.
- Waitlisting does not mean you are registered in the class.
- All prerequisite and registration restrictions apply to Waitlisting.
- If a seat becomes available the student in position 1 will be notified via their SHSU email account.
- Students are given 24 hours to add the course, once the notification has been sent (time limit is subject to change one week prior to the first class day).
- The notification email does not automatically enroll the student in the course. Student must take action to enroll.
- does not count toward enrolled hours for Financial Aid purposes
- holds a spot in a queue should a seat become available
- checks for registration errors (prerequisites, etc.) before adding a student to the Waitlist
- automatically sends an email notification to your SHSU email account when a seat becomes available
  - Student must then login to MySam to register for the course
- will expire 24 hours after the email notification
  - Does NOT automatically enroll you into the class section
- is available through the last day to register or add classes in MySam, midnight on the 6th class day (for fall/spring semesters). After that day, all Waitlists are cleared and standard requirements and practices are in place.

The following begins after adding a full class. If you do not know how to register, please review our How-To Register Guide on the Registrar’s webpage. Not all classes are available with the waitlist option.
How to Waitlist a Class

1. Click the “Add” button next to a class that is full.

2. The class will add to the Summary as “Pending.” To waitlist the class, change the “Web Registered” Action to “Waitlisted” and then click “Submit.”

1. Select the “Action” Dropdown

2. Select “Waitlisted”

3. Click “Submit”
3. A green check mark will pop-up at the top of the screen and state “Save Successful.” The Registration Status will also update to “Waitlisted” in green.

The class is now successfully waitlisted, however, the class will not automatically add to your schedule if a seat becomes available. To successfully register for the class that you have waitlisted, please follow the steps below.

**Waitlist Error Messages**

- **Solution:** Add yourself to the Waitlist or search for another available section.
How to Register for a Class that Has Been Waitlisted

1. You will receive a waitlist notification to your SHSU email if a seat becomes available in the waitlisted class.
   **Note:** The notification email will give a **limited timeframe** for you to add the class. You must register for the class within the **given timeframe**, otherwise you must waitlist the class again, and an available seat in the future is not guaranteed.

   (Please see a sample notification email at the end of the document)

2. Go to the [Add or Drop classes portal in MySam](Registration Tab > Add/Drop classes > Register for Classes).

3. Click the “Action” dropdown, select “Web Registered,” and click “Submit.”
4. A green check mark will pop-up at the top of the screen and state “Save Successful.” The Registration Status will also update to “Registered” in green.
