IV. **Chairs Reports** – Megan Hobbs-Barrett
In November, Megan met with Dr. Hernandez, they spoke about what Staff Council had been doing for the Fall semester and Spring upcoming events. They spoke about topics of concern that had been presented: a daycare facility/service, possibility of flexible work schedules during summer and winter breaks, as well as the creation of a scholarship. He had positive things to say about each of these, but encouraged Staff Council to do their homework, and present to him our findings. As far as the scholarship went he encouraged us to look into a book scholarship for staff. Megan plans to meet with him in March, for updates and to present our budget requests.
Justin Ball was appointed to a one-time parking committee on future parking fee increases. They have not met yet.

Bearkat Family Photo Day, rescheduled for April 13; rain out day April 27. Be on the lookout for more information and to sign-up in early March.

Staff Excellence Award Committee- Nominations will open on February 15 and remain open until March 22. Everyone was encouraged to nominate staff persons that are going above and beyond. Scholarship:
With the support of Dr. Hernandez, E-board has been looking into the possibility of the creation of a Staff Council Textbook scholarship. This scholarship is intended to be given to a staff person, either a graduate or undergraduate student, currently enrolled in classes to assist financially in the purchase of textbooks and supplies. Many other Universities have something similar. E-board thought that the creation of said scholarship, would show goodwill to the staff of SHSU. Questions and comments were taken from the floor.

A motion to move forward with the research for the creation of a Staff Council textbook scholarship that would be funded from Friends of Staff Council was made by Melissa
Fadler and seconded by Dawn Caplinger. All members were in favor and none opposed. Motion carried.
