It is anticipated that a new Provost will be selected in early May with a boots-on-the-ground arrival date of mid-June. Dr. White encouraged us to find ways to increase staff participation at university events. She appears to be very supportive of staff and Staff Council. **VII. New Business: Updates, Discussion, or Action**
Kristin reported that E-board discussed the annual summer retreat and would like to move forward with an in-person event.

Justin requested suggestions for Staff Appreciation Day such as a cookoff between divisions. Questions were raised concerning how individuals would pay for their entries, also where would the event take place and when (during work hours/on campus). Other suggestions included bowling and kickball. Justin requested that suggestions be sent to him by the end of the month.
Justin recommended that we temporarily table the Ombudsperson Discussion until we receive further details. As it stands, this position would be a faculty member whom staff could go to in order to express their concerns. Justin opened the floor for Open Discussion.
