

Annual Report to Donors

A
Celebration of
Giving

*Thank
You*

*I*t is with the greatest sense of pride and gratitude that we present this 2008-09 Annual Report to Donors. My letter in last year's donor report touched on the troubled state of our nation's economy, together with my optimism that the vast majority of our loyal alumni and dear friends would sustain our progress through difficult times.

My expectations were exceeded. While most charitable organizations received fewer contributions, during the past year, a record 8,000 donors gave more than \$7.6 million to Sam Houston State, which is the second largest amount ever given to our university during a fiscal year. I am very proud to report that nearly \$7.2 million of that amount was in cash gifts, which established a new all-time record.

This extraordinary outpouring of generosity has placed our university on the cusp of achieving the ambitious \$50 million Share the Vision Campaign that was launched on March 30, 2006. More than 17,000 donors have made 80,000 gifts, which have provided the essential broad-based support to ensure the success of our very first campaign. This includes thoughtful contributions that range from just a few dollars to those of seven figures. Words are inadequate to express the depth of our gratitude.

In addition to their dedicated service to Sam Houston State students, our faculty and staff continue to play a very impressive role in the success of our fund-raising. Nearly 80% of our employees gave \$270,000 during 2008-09. Their combined contributions to the Share the Vision Campaign are in excess of \$1.1 million. This level of participation is almost unparalleled by other institutions of higher education.

Over the past 130 years of service, this grand old university has developed a loyal constituency of literally thousands of admirers, dear friends, and loyal alumni. During those halcyon days as a small college that provided an accessible and nurturing environment for young men and women, people cared deeply about Sam Houston State. However, private giving was not viewed as a necessity and was not promoted.

Accordingly, the Share the Vision Campaign has been critical for focusing our wonderful base of supporters on the legitimate need for private financial support. Our donors have built a new platform on which to build an even brighter future. A new culture of philanthropy is emerging at Sam Houston State University, making almost anything we can imagine a possibility.

In assuming the presidency of Sam Houston State more than eight years ago, I felt so very honored and humbled by the unique opportunity to help make a difference for my alma mater. I feel no less honored today, and I am extremely humbled by and grateful to those who have shared the vision for a greater university. I trust you will continue your loyalty and support. It means so much to future generations of students and alumni, the state, our nation, and yes, even the world in which we live. Thank you so much.

Sincerely,

James E. Gaetner, '65 & '70

SHSU Students Benefit from a

Generous Spirit

Genevieve and Ed Sandhop

Long before Sam Houston State University had a formal process in which to establish and administer scholarship endowments, Ed and Genevieve Sandhop were helping university students achieve their academic goals.

They understood how challenging it was to attend classes and live on a limited income. As young married students at Sam Houston State Teachers College, Ed and Genevieve both worked to put each other through college.

Ed went to school first while Genevieve worked. After Ed graduated and was employed by Gibbs Brothers in Huntsville, Genevieve was able to complete her education. She began teaching in the English department at Sam Houston after she graduated.

The Sandhops' generous nature caused them to think about ways they could help students attending school at Sam Houston State.

The couple's first opportunity to help a student came when a young girl named Sylvia from Puebla, Mexico, came into their lives in 1956. The Sandhops provided her with a home and "family support" while she went to school.

Twenty years later, the Sandhops became acquainted with their Chinese "son," Wing, who was an orphan.

"When Wing was going to school, personal computers were beginning to make an impact on businesses, so Ed advised Wing to take as many computer classes and business classes as he could," Genevieve said.

Wing heeded Ed's advice, and today he is one of Fidelity Investments' top executives at the company's headquarters in Boston.

Their third "international child" was a Vietnamese student named Nghi who had been in one of Genevieve's classes. The Sandhops were neighbors of Nghi's family, and she would go to the Sandhops' home on Sunday afternoons so that Genevieve could help her with her English.

Just as Sylvia and Wing have done, Nghi stays in close touch with the Sandhops, visiting them often.

Ed and Genevieve continued to discuss their desire to help Sam Houston

State students and decided that providing scholarships was a good way to provide assistance in perpetuity. Because of their own majors, they chose to establish scholarships in the College of Business Administration and the English department.

Genevieve asked a colleague to select the students from the English department.

"I taught with Dr. Douglas Krienke, and I saw how good he was with students. He didn't have favorites, and he treated everyone well," said Genevieve. "I have always been pleased with his selections."

Krienke said that he developed his teaching style after working with Genevieve.

"When I first came to the university, she mentored me and took an interest in me as a young instructor. "I noticed that not only did she have excellent writing and composition skills, she took a special interest in all her students and worked with them individually by scheduling conferences with each of them," he said.

"Because of her direct interaction with them, she was able to identify any academic or personal needs they had. I learned to emulate that characteristic in my own teaching," he explained.

Both Ed and Genevieve say they receive a tremendous amount of satisfaction knowing that they are helping students. They also enjoy watching the students develop into young adults.

The recipients of the scholarships in both English and business are grateful

to the Sandhops for helping them reach their goals.

Brandon Strubberg of Richmond is a graduate student in English. He will graduate in August 2010 and plans to obtain his doctorate so that he can teach in college one day.

"I feel that it is the most prestigious scholarship in the English department, and I am honored that I was selected to receive it," he said. "It means a lot to me that Mrs. Sandhop cares so much about students who want to pursue an education in a discipline they love and that she supports what we do."

Brittany Smith is a senior from Houston who is majoring in marketing. She will graduate in May 2010 with a Bachelor of Business Administration degree and hopes to get a job as an event planner for a non-profit organization.

"I am very appreciative of the scholarship provided by Mr. Sandhop because it has relieved me of the stress of paying for my education," she said. "I did not have to worry about taking out student loans, and I will be able to graduate on time because I was not distracted from my studies by financial concerns."

Another English graduate student, Weston Rose from Gause, will be an exchange student at a university in Finland in the spring. He expressed his appreciation to the Sandhops as well.

"Not only did the Sandhops generously contribute to my education," but they also took a personal interest in my life. I think I speak for all recipients when I say, "Thank you for your support and encouragement."

The Anniversary SOCIETY

(\$129 to \$249)

This society recognizes donors who contribute one dollar for each year of the university's existence during the past academic year. On September 1, 2009 the minimum gift requirement for society listing increased one dollar to \$130 for the university's 130 years of service.

Heath Winkelmann

Heath Winkelmann, Class of '95, said he liked the feel of the campus when as a prospective student he visited the Sam Houston State University campus for a Saturday@SAM event. He followed in the footsteps of his father, Larry, Class of '72, to the agricultural sciences department where he was a member of the Honor Society of Delta Tau Alpha while earning a bachelor of science degree in agricultural business. He is a fourth generation commercial cattle rancher on the family's Breadthauer Ranch in Burton. Heath has been a consistent supporter of SHSU since the celebration of the university's 125th anniversary. He is an Alumni Association member and describes supporting his alma mater as "doable" – a small sacrifice for him with great benefits for students, faculty and the future of SHSU.

Campus Caller of the Year
 Sam Houston State University's Campus Callers help raise financial support for the Annual Fund campaign. In 2009, Katie Quattrochi was our Campus Caller of the Year because of her persistence, attitude and contribution to the entire team since she began as a caller in Fall 2008. Katie is a senior from Springtown, pursuing a bachelor of science degree in elementary education and hopes to teach third grade after graduation. In just one year, Katie has raised more than \$17,500 in pledges.

OFFICE OF DEVELOPMENT CAMPUS CALLERS

Campus Callers

Sam Houston State University benefits from the enthusiasm and energy of the development department's student workers, the "Campus Callers." During each semester, they call Bearkat alumni and friends to increase financial support for SHSU's Annual Fund campaign. The Annual Fund helps support the academic departments, student scholarships, athletics and faculty development. While helping raise support for SHSU, the Campus Callers also have the opportunity to give updates on current events across campus. Since Fall 2002, Campus Callers have raised more than \$1.3 million in pledges.

The society commemorates the university's founding and recognizes individuals who make planned gifts. Gifts planning enables donors to make lasting contributions that are often larger than their ability to make an outright cash gift. Planned gifts include appreciated assets, bequests, gift annuities, trusts, life insurance and real estate.

Bernice & Cecil Windsor

Contributing to Sam Houston State University is one of the many community activities in which Cecil, Class of '35, and Bernice Windsor of Yoakum participate, something they have done throughout their 69 years of marriage. While serving in the Air Force, he taught meteorology to WWII pilots and navigators. After receiving his bachelor's degree, Cecil worked in public schools as a classroom teacher and later as a high school principal. His career took him into seismic exploration and then to the Texas Department of Transportation, where he retired after 17 years. Cecil was recently honored with the Yoakum Chamber of Commerce Lifetime Community Service Award. Cecil and Bernice, who also attended SHSU, are both members of the SHSU Alumni Association. They have two sons, Cecil, Jr and Stephen, a Bearkat alumnus, Class of '70.

H. Dale Brown

For more than two decades Dale Brown of Mexia has supported SHSU's agricultural sciences, football, College of Education and Bearkat Partners. As an undergraduate, he majored in agriculture education and lettered in football. With only three courses remaining before earning his bachelor of science degree, the U.S. Army called him to serve in WWII. He was permanently blinded in one eye during the war, but returned to SHSU, grateful to be able to complete his degree in 1946. He also earned a master of arts degree in education in 1947. He taught agricultural science for 28 years and then became the director of the Mexia Area Vocational School for 12 years. He is a long-time football enthusiast and Alumni Association member.

Patty Sue & Tommy Davis

Sam Houston State University alumnus Tommy Davis, Class of '57 and '58, and his wife, Patty, Class of '56 and '57, became sweethearts while they were undergraduates. Patty earned bachelor's and master's degrees in music, and Tommy earned bachelor's and master's degrees in math. He later earned a doctorate in math from the University of Texas while beginning his teaching career at SHSU. He, a football letterman, and she, a campus beauty, were active in a number of honor and service organizations while they were students and eventually were married and settled in Huntsville. Patty, a 1999 Distinguished Alumna, is known in the Huntsville community for her many extraordinary professional contributions as a performer, junior high and high school choir director and as a studio voice teacher at SHSU. Tommy, a 1996 Distinguished Alumnus, retired after a career as a math professor. His family established the Thomas E. Davis Football Endowment in his honor. He served on numerous committees including the Alumni Scholarship Committee, University Curriculum Committee, Student Service Fee Allocations Committee, Faculty Senate and Faculty Athletic Committee. For more than 30 years the Davises have supported SHSU through Friends of Theatre and Dance, Friends of Music, Football Enrichment, Bearkat Partners and university scholarships.

1955

Frank J. Robinson

Frank J. Robinson, Class of '55, is a favorite of Huntsville, where he served as Walker County Judge for four terms. Throughout his 43-year career with Gulf States Utilities and since retirement in 1981, he has served his community through Huntsville Rotary, the school board, City Council, Huntsville-Walker County Chamber of Commerce, American Cancer Society, Arabia Shrine Temple, the United Way and as a member, teacher and lay speaker at First United Methodist Church. The loyalty of the 1994 Distinguished Alumnus to his alma mater is evident by his continuous service on the Alumni Board of Directors from 1946 to 1965 and more than 25 years of giving to student scholarships and the President's Discretionary Fund. Frank has three children who attended SHSU: Frank Jr., Nancy Grossenbacher, Class of '71 and Polly Pittman, Class of '80.

Bonnie Thorne

Dr. Bonnie Thorne, Class of '60, is an enthusiastic supporter of SHSU - beginning as a student and continuing as faculty member and alumna. She is an Endowed Life Member of the Alumni Association and has served on the Alumni Board of Directors. She retired from the university where she was the chair of the library science department. She has been a generous supporter of many programs, including the Bonnie Baker Thorne Scholarship and the Corky Thorne Scholarship, which was established in honor of her deceased son, Oscar, Jr., Class of '70. She and her husband, Oscar, Class of '50, deceased, established the Eliza Van Camp Library Science Enrichment Program, which provides academic enrichment activities. A group of SHSU's library sciences alumni established an endowed scholarship in Bonnie's name, to which she donated matching funds.

Laverne Warner

Laverne Warner graduated from Sam Houston State University with a bachelor of science degree in elementary education in 1962 and a master of education degree in 1969. She went on to earn her Ph.D. at East Texas State University. She retired from SHSU's College of Education and is currently professor emerita in the department of language, literacy and special populations. Laverne served as chair of the faculty and staff Annual Fund campaign for two years. For nearly three decades, her dedicated contributions to SHSU have benefitted Kappa Delta Pi, music, theatre, dance, and numerous endowments in the College of Education. Laverne, an Alumni Association Life Member, is a big fan of Sammy Bearkat and is proud that she was a student at SHSU in 1959 when Sammy was "born."

1971

Donna & Ron Koska

For more than a decade, Ron Koska, Class of '61, and his wife, Donna, have generously supported Sam Houston State University through service and gifts, including two granite benches honoring Ron Mafrige, Class of '60, and Jon and Barbara Bright, both Class of '61. They sponsored the student technology lab and the lobby in the College of Business Administration. As an SHSU student, Ron was a charter member of the Delta Tau Delta fraternity. Today, he is president and chief executive officer of his foodservice sales and marketing company, Ron Koska Enterprises, Inc., which frequently donates food and staff toward the success of athletic fundraisers. He is an Endowed Life Member of the Alumni Association and is on the Board of Directors for the Sam Houston Memorial Museum. Ron was chosen as a 2006 Distinguished Alumnus and is on the Alumni Association Wall of Honor. Ron is a member of the President's Circle and Bearkat Partners.

A.J. & Joe Amato

The Amato brothers - Joe, Class of '72, and A.J., Class of '76 - are proud of their Bearkat family. The brothers were both members of the Sigma Phi Epsilon fraternity and since graduation have owned and operated Amato Linehandlers, a ship mooring and launch service in the Port of Texas City. Joe is an Alumni Association Life Member and volunteers with the Mafrige Basketball Challenge. He frequently sponsors activities and events for the university. The brothers said that SHSU gave them the right start to their success and in 2005 established the Amato Brothers Scholarship.

Byron & Charlene Sandel

As joint Life Members of Sam Houston State University's Alumni Association, Byron, Class of '82, and his wife, Charlene Driskell Sandel, Class of '83, generously support scholarship funds, the Sam Houston Memorial Museum, the College of Business Administration and enrichment for agricultural sciences. They are pictured in this 2006 family portrait with sons Aaron (left) and Blake (deceased). The Sandels were lead donors in the Share the Vision Campaign, and Byron served as a Vice-Chair of the Huntsville/Walker Co. Campaign. In addition, they regularly sponsor SHSU special events and other activities. Byron and Charlene have a deep family legacy at SHSU dating back to 1927, with more than 20 family members who are Bearkat alumni.

Bennie & Martee Rush

Contributing both time and money to Sam Houston State University is an investment in the future of Huntsville and Texas, according to Martee and Bennie Rush. Martee, Class of 05, is a board certified legal assistant for Bennie at the Law Office of Bennie D. Rush PC. When the practice was expanded to include mediation, Bennie attended the family law mediation program at SHSU. Today, the Rushes encourage students pursuing careers in law by hiring SHSU students and graduates. The Rushes contribute to many areas of SHSU including sports, theater, and The Elliott T. Bowers Honors Program. In addition, they support the Alumni Association, of which Martee is an Endowed Life Member. The administrative assistant's office in the John R. Ragsdale Visitor and Alumni Center is named in honor of Martee's support of the association.

Lou & Tom Thweatt

Lou and Tom Thweatt, Jr. of Katy describe their son, Tom Thweatt III as having overriding passion to help others and lived a life that held no regrets. In his memory, the Thweatts and Tom III's wife, Ann, established the W. Tom Thweatt, III Memorial Graduate Fellowship Endowment. Tom III was just months away from graduating with a master of arts degree in counseling from Sam Houston State University when he was killed in a car accident. He was awarded the degree posthumously on August 6, 2005. The endowment in his honor is awarded to "people like Tom who share similar aspirations and career goals." In addition, the office in the Jack Staggs Clinic where Tom III did most of his counseling is named in his honor and his former classmates planted a crepe myrtle tree near the clinic in his memory.

Lee, Tony & Elizabeth Olm

From 1976 - 1988, Dr. Lee Olm was a Sam Houston State University history professor. And, while he taught about the past, his eye is on the future. He and his wife, Elizabeth, established the Lee E. and Elizabeth Olm Endowment, which is designated to benefit the history department beginning the same year as the nation will celebrate its tri-centennial in 2076. With continued funding by the Olm's, the endowment is aggressively invested and should be sufficient to establish one or more endowed chair positions, scholarships and any other purpose deemed appropriate by the history department in 2076. Lee and Elizabeth are proud of their son, Tony, who also is a Bearkat, having earned a master's degree in education in 1983 and now teaches middle school social studies in the San Antonio area.

Walter Bennett, Sr.

Dr. Walter Bennett, Class of '61 and '62, is a professor of sociology and served as department chair for 21 years. He and his wife, Minnie, Class of '62, support and serve Sam Houston State University in many ways. Walter has served as an advisor for the Parents' Association and for the First Alert Program. He has served on numerous committees, including the Alumni Association Board of Directors, Lowman Student Center Board of Director, Ethnic Studies Committee, and Athletics Committee. For more than 30 years, the Bennetts have contributed to athletics, and Walter has contributed through the Annual Fund faculty campaign to scholarships in his department. Bearkat tradition runs deep in the Bennett family. Their son, Walter, Jr. and his wife, Cynthia, both Class of '93 and '96, are proud Bearkats. Other family alumni include Walter's brother Phil, deceased, Class of '61, and brother-in-law Herbert O'Quinn, Class of '63.

Bill & Diane Green

Dr. Bill Green and his wife, Diane Green, have both taught at Sam Houston State University since the mid 1970's and are long-time supporters. Bill earned his bachelor's degree from Lamar University and his master's and doctorate from LSU before joining the SHSU economics faculty. Diane earned both her bachelor's and master's from LSU, following Bill a few years after and teaching accounting. Bill also served as the department chair for 25 years. Bill and Diane have given individually to their respective departments over the years, as well as to Friends of Theatre and Dance, the Honors Program, several endowed scholarships, and numerous campus organizations. Bill has served on the Faculty/Staff Annual Fund campaign committee for the last five years.

John Holcombe

As a tribute to Dr. John W. Holcombe, a former Sam Houston State University professor of political science, many of his former colleagues, students, friends and family contributed gifts toward establishing a scholarship in his name. John was a favorite professor and best known by many for his contagious laugh and genuine love of people. He taught political science from 1966 until 2008 and served as the department chair from 2007 to 2008.

Ann Cloud

For more than 30 years Charles Lindsay enhanced Huntsville's music culture as a Sam Houston State University professor. In addition he was the First United Methodist Church choir director and participated in other community service and choral activities. In honor of his musical contributions and his wife, Helen, their daughter, Ann Lindsay Cloud, Class of '57, established the Charles and Helen Lindsay Music Endowment. Charles joined the SHSU music faculty in 1939 and taught until 1944, when he took a one-year leave of absence to serve in the Army Navy USO in Lake Charles, La. On December 7, 1941, historically known as D-Day, Charles directed Huntsville's first presentation of Handel's Messiah for a standing room only audience. After he returned from the USO in 1945, he resumed teaching and also served in administrative roles as the dean of men, director of country campus and director of SHSU's first student center. Helen was also active in the Huntsville community. She founded the Huntsville Memorial Hospital Auxiliary in 1955 and was active in the San Jacinto Tuberculosis & Respiratory Diseases Association, First Methodist Church and the SHSU Faculty Wives Club.

Your Generosity Strengthens SHSU

GIVING OPPORTUNITIES

Your gift to Sam Houston State University ensures the future of a classic and collegiate atmosphere that is rich in tradition, solid in academic programming and prepares students for success in life. The university applies unrestricted gifts to the areas of greatest need but you can also earmark gifts for a specific college, department, program, approved project or the general scholarship fund. Gifts can also be restricted for an existing scholarship program or endowment fund. Contributions can be allocated to more than one area. Our Development Team works diligently to deliver a unique and memorable experience for donors.

TRIBUTE GIFTS Your gift can be a personal tribute honoring a family member, friend, or professor who may have made a difference in your life. Notifications are sent to the honorees and, if appropriate, to the families of those being memorialized.

SCHOLARSHIPS Scholarships allow Sam Houston State University to attract and retain talented and deserving students. For many of these students, scholarships make possible an educational opportunity that they might not otherwise be able to afford. Donors can direct their annual gifts to the university's general scholarship fund or to other existing scholarship funds.

Named Annual Scholarships Donors may want to consider establishing a named annual scholarship, which can be a meaningful way of honoring or memorializing a loved one, friend, colleague, professor, or to commemorate a special occasion.

Named annual scholarships can be created with a suggested gift of \$1,000 or more.

ENDOWMENTS An endowment is a permanent investment of private gifts for the benefit of the university. An endowment gives forever, since the principal remains intact, while the income produced off the invested assets is used to support student and other university needs. Donors can earmark their gifts for an existing endowment fund, or they may prefer to consider creating a new, named fund. Endowments can be created by individuals, businesses, and foundations.

The minimum amount for establishing a new endowment fund is \$25,000. A commitment of this magnitude can be pledged and paid over a five year period, with the first award being made upon the minimum gift level being achieved.

Scholarship Endowment These endowment funds will provide income to award a range of need-based and merit-based scholarships that are essential to enhancing the quality of the academic environment for all students and faculty.

Student Program Endowment This type of endowment will provide funds to enrich student life and activities.

Academic Program Endowment Program endowments provide academic enrichment funds to refine and expand educational offerings.

Faculty and Staff Endowment This endowment will enhance the quality of instruction and research. It will greatly assist the university's efforts to attract and retain outstanding faculty and administrative staff by providing salary supplements and support professional development funding. Prestigious endowed chairs and professorships will support exceptional faculty in each of the five colleges.

HOW TO CONTRIBUTE

Cash, Check or Credit Cards Gifts may be made in the form of cash, check or credit card payments. Cash gifts are tax deductible in the year the gift is given.

Online Giving Secure online gifts can be made at www.shsu.edu/giving.

Corporate Matching Gifts Many companies will match gifts made by their employees, retirees, and directors. This is an excellent way to double or even triple the amount of your gift. Most companies with matching programs have the forms available in the human resources department.

Personal Property In certain circumstances, you may be able to gift personal property - artwork, collectibles, and antiques - to Sam Houston State University.

Securities, Stocks, Bonds You may use stocks, securities and bonds as part of your gift or all of it. If the securities have appreciated greatly, you may find that you can make a larger gift at a lower cost than if the gift were made in cash. Gifts of closely held stock or other business interests can be converted into cash.

Real Estate A gift of real estate provides the donor the opportunity to support Sam Houston State University, resulting in a possible charitable income tax deduction, a reduction in estate taxes and reduction of capital gains tax.

Gift-In-Kind Gifts-in-kind are generally defined as non-cash donations, other than real and personal property of materials or long lived assets. The IRS and the University require that gifts-in-kind valued at more than \$5,000 also have an independent appraisal provided by the donor.

Planned Gift You can provide a gift of personal assets through your will. Planned gifts can include cash, stocks, bonds, retirement plan assets, insurance policies, real property, personal property, or other negotiable items.

Contact Information Sam Houston State University offers many giving opportunities, several of which are mentioned on this page. For more information or to make a gift in support of SHSU, please contact the University Advancement office and ask to speak with a development officer, (936) 294-3625.

"Our giving to Sam Houston students is our way of repayment. Having lost my parents early in life, I received assistance from my sisters, family, friends and many Huntsville merchants. There was little money involved, but I received encouragement and many acts of kindness."

Edgar and Carolyn Reeves of Houston are life-long supporters of the university through the State Farm Friends of Sam Houston State University Endowed Scholarship Fund, which Edgar helped to establish in 1993. In 2006 Carolyn and Edgar, an Alumni Association Life Member along with sons Randy, Class of '81 and Wayne, Class of '83, established the Edgar A. and Carolyn L. Reeves Family Endowment Fund to support students majoring in agricultural sciences. Nearly all of the Reeves' gifts have been doubled by taking advantage of State Farm Foundation Matching Gifts Program.
