Elective (Advanced)	3	CHEM 4395	3
Minor** (Advanced)	3	Core V Creative Arts	3
Core VIII Social & Behavioral Sci.	3	Elective (Advanced)	3
	14		14

\* or an elective

\*\* a minor requires 6 semester hours of coursework, a minimum of 18 credits (6 advanced) in an approved field

\*\*\* CHEM 3367, 3368, 3438, 3339, 4442, 4443 are recommended

Note: Students should use elective and minor hours to satisfy the 42-advanced hour requirement. Advanced hours are 3000 and 4000 level courses.
