   a. “W” classes. Each college will monitor classes with the “W” designation. The Leadership Team discussed the value of the “W” designation on classes and they came to a consensus that they do not support the “W” program as it is currently constituted. The chairs are in favor of no longer having “W” designated classes. The Dean will let the Provost know the college’s position on “W” classes.
   b. International Programs. Students that sign up for a study abroad course will be charged an International Program fee. The chairs were reminded that faculty creating such courses must include the fee in their budget.
