

Homemade Febreze Recipe

1/8 cup fabric softener
2 TBS of Baking Soda
Hot Water

Mix all ingredients together in an old Febreze bottle or new spray bottle.

Window Cleaner Recipe

3 TBS vinegar
1/2 tsp of Dawn
Water

Mix all ingredients together in an old Windex bottle or new spray bottle. You can add a drop or two of blue food coloring.

Bathroom Cleaner Recipe

1/2 cup of Borax
1/4 cup of Washing Soda
Big squirt of Dawn
Water

Mix all ingredients together in an old Lysol bottle or new spray bottle.

Bleach Cleaner Recipe

2 oz of bleach
1 squirt of Dawn
Water

Mix all ingredients together in an old bottle or new spray bottle.

All Purpose Cleaner Recipe

1/4 cup of dishwashing soap
1/4 cup of white vinegar
2 TSP of Borax
Water

Slowly mix all ingredients together in an old bottle or new spray bottle. Shake well.

DIY Fabric Softener Recipe

3 cups of white vinegar
2 cups of conditioner (Sauve offers the most Scents and one of the cheapest) 6 cups of hot water

Mix hot water and conditioner until conditioner is completely dissolved. Add vinegar, and mix well. Use 1/4 cup per load

Extending The Life of Your Fabric Softener Recipe

2 cups fabric softener
4-5 cups of water
4-6 sponges

Stir fabric softener and water in a 2 QT container, add sponges, put on lid and soak. To use: squeeze out sponge and place in the dryer.

DIY Laundry Detergent

1 (3lb 7 oz) box of Arm and Hammer Super Washing Soda
1 (3 lb) container of OxyClean
2 (14.1 oz) Bars of Zote Soap
1 (4 lb) Box of Arm & Hammer Baking Soda
1-2 (55 oz) Bottle of Purex Crystals Fabric Softener
Grate the Zote Soap with cheese grater. Then slowly mix all ingredients in Rubbermaid container. Best if you pour a little of each product at a time and mix thoroughly as you go.

Use 2 TBS per load.
