Contractor Work Plan (Specifications 2.0.d, page 3)

Contractor shall submit a simple work plan for approval with enough details as to task, man-hours, and time required per task to assure his competency and ability to complete the work per the scope and comply with the applicable codes and standards.

Work Plan:
1. BIDDING REQUIREMENTS

1.1 Bidders must comply with all rules, regulations and statutes relating to purchasing in the State of Texas in addition to the requirements of this form.

1.2 Bids must be time/date stamped by Sam Houston State University (SHSU) Procurement and Business Services department on or before the hour and date specified for the bid opening.  Bids should list the bid number, opening date and time in the lower left corner of the sealed envelope in which the bid is submitted and show the correct SHSU address as stated on the bid form.

1.3 Bids should be submitted on this Invitation For Bid form. Bidders must price per unit shown. Unit prices shall govern in the event of an extension error.  If a price quotation is submitted as a part of the bid, the quotation should be referenced on the SHSU bid document and the SHSU Invitation For Bid form must be manually signed by the bidder to establish formal linkage to the bid.

1.4 Late or unsigned bids will not be considered under any circumstances.  Person signing the bid must have authority to bind the firm in a contract. The vendor (not the carrier/mail service/or University) is solely responsible for ensuring the bid is received prior to the bid opening in the Procurement and Business Services Department as specified on the bid form. Late bids properly identified will be returned, unopened, to the bidder.

1.5 Quote F.O.B. destination, freight prepaid and allowed, unless otherwise noted in the bid specifications.

1.6 Bid prices are requested to be firm for SHSU acceptance for 30 calendar days from bid opening date. Discount from list bids are not acceptable, unless requested.  Cash discounts are not considered in determining an award.  Cash discounts offered will be taken if earned.

1.7 Bids should give the Vendor ID number (as issued by the Comptroller of Public Accounts of Texas), full firm name and address of bidder, phone, and fax on the face of this form.  If the Vendor ID number is not known, enter the bidder’s Federal Employer’s Identification Number, or Social Security Number if a sole owner.  (Disclosure of SSN, if applicable, is mandatory pursuant to Section 231.006, Texas Family Code, and will be used in determining whether any person having 25% or greater ownership interest in the bidder company is more than 30 days delinquent in paying child support.  Bidders that have pre-registered this information with the Texas Comptroller of Public Accounts website on the Centralized Master Bidders List have satisfied this requirement.  Additionally, the firm name should appear on all continuation pages of this bid form.)

1.8 Bid cannot be altered or amended after opening time.  Alterations made before opening time should be initialed by bidder or his authorized agent.  No bid can be withdrawn after opening time without approval by SHSU, based on an acceptable written reason.

1.9 Purchases made for State use are exempt from the State Sales tax and Federal Excise tax.  Do not include tax in this bid.

1.10 The State reserves the right to accept or reject all or any part of any bid, waive minor technicalities and award the bid to best serve the interests of the State.

1.11 Consistent and continued tie bidding could cause rejection of bids by SHSU and/or investigation for antitrust violations.

1.12 SHSU offers facsimile service as a convenience only.  The telephone number for FAX submission of bids is 936-294-1997. This is the only number that will be used for the receipt of bids.  SHSU shall not be responsible for failure of electronic equipment or operator-error.  All pages of a faxed bid must be totally received and date stamped by purchasing personnel by the specified bid opening time. Partially received fax bids will be considered late if still transmitting after the specified time of the bid opening.  Late, illegible, incomplete, or otherwise non-responsive bids will not be considered.  SHSU Procurement and Business Services holds the official time clock.

1.13 If a bidder takes exception to any specifications within this Invitation for Bid, they must notify the Procurement and Business Services department in writing prior to the scheduled bid opening date and time.

1.14 Texas Public Information Act: Information, documentation, and other material collected, assembled or maintained by the University in connection with this solicitation or any resulting contract may be subject to public disclosure pursuant to Chapter 552 of the Texas Government Code (the “Public Information Act”). If a bidder believes any information contained in the bidder’s response package contains any proprietary or confidential information the bidder must clearly mark the verbiage claimed to be proprietary or confidential.  If a Public Information Act request for documents is filed, the University will make best efforts to contact bidder prior to release of claimed proprietary information.  If, at that time, the bidder still believes information provided is proprietary or confidential, the bidder shall timely notify the University.  Upon receipt of such notice, the University will submit to the Attorney General’s Office the documents on which privilege is claimed, but will not be required to present any argument in support of the proposer’s claim of privilege. It shall be the responsibility of the proposer to make arguments directly to the Attorney General’s Office.
