

HOMECOMING 2023

“SHSU GOES HOLLYWOOD”

OFFICE DECORATION CONTEST

October 30 – November 4, 2023 is Sam Houston State University Homecoming Week. This is a very special occasion which allows the university to provide an atmosphere of togetherness for students, alumni, and the community. The week provides a tremendous vehicle for alumni and retirees to reconnect to the university. Homecoming Week is also a special way to showcase our beautiful campus, offices, and Bearkat Spirit.

If you wish for your decorated office to be judged, please enter on the homecoming website at <http://www.shsu.edu/homecoming/contest.html> by Friday, October 27, 2023.

The winners will receive bagels and coffee, compliments of Aramark Campus Dining.

Please encourage all personnel to show their Bearkat Spirit by wearing orange during Homecoming Week and participating as a team to decorate offices in our Bearkat colors.

There are many significant events throughout Homecoming week. Please encourage students, staff, and faculty to participate.
