Employee Leaves Procedures

PURPOSE: To provide a standard policy for administering and granting employee leaves for absence from their jobs in accordance with university, system, state, and federal rules and regulations.

POLICY: It is the policy of Sam Houston State University to grant leaves to all regular benefits eligible, non-student employees (employees who are appointed at least one-half time or more for a continuous period of at least four and one-half months or one long semester for faculty) on a consistent basis without regard to race, color, national origin, sex, religion, age, disability or veteran status.
